

RESOLUTION NUMBER R- 301071

ADOPTED ON NOV 28 2005

Whereas, over the past several years, crime and violence have increased in public schools, requiring school districts and law enforcement agencies to partner to ensure the safety of school children; and

Whereas, providing a safe and secure educational environment for school children in San Diego is a concern for both the City and the school districts; and

Whereas, the presence of uniformed police officers on school campuses, in addition to basic law enforcement services, allows for an array of other police services to be provided to both students and staff, including the dissemination of information on police activities; the criminal justice system; gang prevention and intervention; and tobacco, alcohol, and drug abuse prevention; and

Whereas, three secondary school districts with schools located in the City of San Diego -- Poway Unified School District, San Dieguito Union High School District, and Sweetwater Union High School District -- do not have their own police resources and desire additional police services from the City of San Diego and will reimburse the City for the cost of police services; and

Whereas, Poway Unified School District requests one Juvenile Service Team officer for Westview High School, Mesa Verde Middle School, Rancho Bernardo High School, Bernardo Heights Middle School, Mt. Carmel High School, and Black Mountain Middle School to spend fifty percent of the officer's time at the designated schools; and

Whereas, San Dieguito Union High School District requests one Juvenile Service Team officer for Torrey Pines High School and Carmel Valley Middle School to spend fifty percent of the officer's time at the designated schools; and

Whereas, Sweetwater Union High School District requests two Juvenile Service Team officers for Southwest High School, Southwest Middle School, Mar Vista Middle School, Montgomery High School, Montgomery Middle School, and San Ysidro High School to spend fifty percent of the officers' time at the designated schools; and

Whereas, the school districts agree to reimburse the City a total of \$355,448, or \$88,862, \$88,862, and \$177,724 from Poway, San Dieguito, and Sweetwater Districts, respectively, for Fiscal Year 2006 to cover fifty percent of the officers' time plus supervision and pro-rated equipment costs; and

Whereas, the school districts also request options to renew the agreements for four additional one-year periods; NOW, THEREFORE,

BE IT RESOLVED, by the Council of the City of San Diego, that the Council hereby authorizes and empowers the Chief of Police, for and on behalf of the City Manager, to negotiate, enter into, execute, and administer one-year agreements with four one-year options to renew with the Poway Unified School District, San Dieguito Union High School District, and Sweetwater Union High School District, to provide San Diego Police Juvenile Services Team officers and to accept reimbursement for the costs of their services under the terms and conditions set forth in the Agreements on file in the Office of the City Clerk as Document Numbers RR- 301071-1; RR-301071-2; and RR-301071-3.

BE IT FURTHER RESOLVED, that the Council authorizes and empowers the Chief of Police, for and on behalf of the City Manager, to negotiate, enter into, execute, and administer four subsequent one-year agreements under the option to renew, making appropriate adjustments annually in consideration of Police Department resources and costs.
