ORDINANCE NUMBER O- 19559 (NEW SERIES)

DATE OF FINAL PASSAGE NOV 03 2006

AN ORDINANCE PERMITTING THE SALE OF SURPLUS
MOTORCYCLES AND SPARE PARTS TO THE CITY OF
ENSENADA AND PERMITTING FUNDS FROM THIS SALE
TO BE ALLOCATED TO THE UNLICENSED DRIVERS
VEHICLE IMPOUND FEES FUND

WHEREAS, the San Diego Police Department has determined that twelve motorcycles described in Table A are surplus to the needs of the City; and

WHEREAS, the City of Ensenada has made a formal offer to purchase the twelve motorcycles listed in Table A and the spare parts listed in Table B for use by its police department for \$56,020, \$47,020 of which will pay for the motorcycles, and \$9,000 of which will pay for the spare parts; and

WHEREAS, in setting the price of \$47,020 for the motorcycles, the Police Department has valued each motorcycle in Table A by averaging the lowest and highest prices obtained at auction for similar, comparable models; and

WHEREAS, the price of \$47,020 for the twelve motorcycles in Table A is \$11,920 above the Kelley Blue Book trade-in value for the same model of motorcycles in good condition and with average mileage (per the Kelley Blue Book website, www.kbb.com, last visited August 4, 2006); and

WHEREAS, the Police Department has determined \$9,000 to be a fair price for the spare parts listed in Table B because the prices listed on Table B are the prices the Police department would get if it returned the parts to the manufacturer; and

WHEREAS, the Unlicensed Drivers Vehicle Impound Fees Fund paid for the motorcycles that are now being sold pursuant to this ordinance; and

WHEREAS, Section 35 of the Charter of the City of San Diego provides that the City Council shall by ordinance provide for the disposal of surplus personal property belonging to the City of San Diego; and

WHEREAS, Section 22.0506 of the Municipal Code for the City of San Diego provides that property valued at \$10,000 or greater shall be disposed of either at public auction or shall be the subject of sealed bids; and

WHEREAS, the City Council must enact an ordinance in order to permit the proposed sale of twelve motorcycles in Table A to the City of Ensenada and exempt the sale from the requirements of Section 22.0506; and

WHEREAS, the City Council for the City of San Diego has previously approved a similar sale of surplus motorcycles and parts to the City of Tijuana in Ordinance number O-18832, adopted July 31, 2000 and to the City of Ensenada in 2005 by Ordinance number 19442; and

WHEREAS, pursuant to Section 22.0506 of the Municipal Code for the City of San Diego, the revenue from sales of surplus property is normally appropriated to the General Fund; and

WHEREAS, the Uninsured Drivers Vehicle Impound Fees Fund has paid for the motorcycles and parts listed in Tables A and B, and permitting the revenue from the sale of the twelve surplus motorcycles and spare parts in Tables A and B should be properly allocated to the Unlicensed Drivers Vehicle Impound Fees Fund and that this transaction should be exempted from Section 22.0506's requirement that the proceeds from surplus property be allocated to the General Fund; NOW, THEREFORE,

BE IT ORDAINED, by the Council of The City of San Diego as follows:

Section 1: That, notwithstanding Section 22.0506 of the Municipal Code, the Mayor is hereby authorized to sell to the City of Ensenada the motorcycles and spare parts described in Tables A and B for the prices indicated thereon, for a total of \$56,020.

Section 2. That the Mayor or his designee is authorized to take all necessary actions and sign any documentation necessary to complete the sale of the motorcycles and spare parts to the City of Ensenada.

Section 3. That, notwithstanding Section 22.0506 of the Municipal Code, the \$56,020 from the sale of the motorcycles and spare parts described in Tables A and B shall be deposited in the Unlicensed Drivers Vehicle Impound Fees Fund, Fund number 18684, revenue account 78348.

Section 4. That a full reading of this ordinance is dispensed with prior to its final passage, a written or printed copy having been available to the City Council and the public a day prior to its final passage.

Section 5. This Ordinance shall take effect and be in force on the thirtieth day from and after its final passage.
