RESOLUTION NUMBER R-301537

ADOPTED ON JUNE 13, 2006

WHEREAS, On December 7, 2005, Wayne R. Green and Marilyn D. Green, submitted an application on behalf of the owner, "9494 Carroll Canyon, LLC" a Limited Liability Corporation, to the City of San Diego for approval of a Tentative Map to convert 156 existing residential apartment units located at 9404-9494 Carroll Canyon Road into individually owned condominium units (hereinafter referred to as the Carroll Canyon Project); and

WHEREAS, said Carroll Canyon Project was assigned Project Number 90632 by the City of San Diego Development Services Department; and

WHEREAS, on December 7, 2005, the City of San Diego, through the Development Services Department, determined that the application for Project Number 90632 was complete and, therefore, was deemed complete on said date; and

WHEREAS, on December 21, 2005, the City of San Diego, as Lead Agency, through the Development Services Department, made and issued an Environmental Determination that the Carroll Canyon Project is a Class 1, Existing Facilities Project, Categorically Exempt from the California Environmental Quality Act [CEQA] (Public Resources Code Section 21000 et. seq.) under CEQA Guideline Section 15301(k) (California Code of Regulations Section 15000, 15301(k)); and

WHEREAS, on or about December 21, 2005, the City of San Diego Development Services Department posted a Notice of Right to Appeal the Environmental Determination in accordance with Section 112.0310 of the San Diego Municipal code; and

WHEREAS, in accordance with CEQA (Public Resources Code section 21151(c)), and Section 112.0520 of the San Diego Municipal Code, Citizens for Responsible Equitable

Environmental Development, care of Cory J. Briggs, Briggs Law Corporation (hereinafter, Appellant) appealed the Environmental Determination for the Carroll Canyon Project to the Council of the City of San Diego (hereinafter, City Council); and

WHEREAS, the appeal was set for a public hearing to be conducted by the Council of the City of San Diego on June 13, 2006; and

WHEREAS, the issues on appeal were heard, and evidence in the form of testimony and other evidence were accepted into the record, by the City Council on June 13, 2006; and

WHEREAS, the City Council considered, in light of the whole record, the Environmental Determination to Categorically Exempt the Carroll Canyon Project, the potential environmental impacts associated with the Carroll Canyon Project, the issues raised on appeal and the issues brought up at the hearing through testimony and public participation; and

WHEREAS, under Charter section 280(a)(2) this resolution is not subject to veto by the Mayor because this matter requires the City Council to act as a quasi-judicial body and where a public hearing was required by law implicating due process rights of individuals affected by the decision and where the Council was required by law to consider evidence at the hearing and to make legal findings based on the evidence presented; NOW, THEREFORE,

BE IT RESOLVED, by the Council of the City of San Diego, upon consideration of the whole record before it, that it is determined that the Environmental Determination has been completed in compliance with CEQA and the CEQA Guidelines, that the declaration reflects the independent judgment of the City of San Diego as Lead Agency, and that the information contained in the Development Services Department staff report and testimony and comments received during the public testimony process have been reviewed and considered by this City Council in connection with the appeal of the Environmental Determination.

R- 301537

BE IT FURTHER RESOLVED, that the City Council finds, based upon the

representations of City staff, public testimony and the whole record before it, the following:

1. There is substantial evidence, in light of the whole record, supporting the

Environmental Determination to Categorically Exempt the Carroll Canyon Project under the

provisions of CEQA Guidelines Section 15301(k);

2. A fair argument, based upon evidence found in the whole record, has not been

established demonstrating that exceptions to the Categorical Exemption, within the meaning of

CEQA and the CEQA Guidelines (California Code of Regulations Section 15300.2), exist with

respect to the Carroll Canyon Project;

3. Based upon substantial evidence in light of the whole record, the Carroll Canyon

Project would not result in any significant or potentially significant impacts or effects on the

environment.

BE IT FURTHER RESOLVED, that the Environmental Determination of the

Development Services Department is sustained, and the appeal of Citizens for Responsible

Equitable Environmental Development, care of Cory J. Briggs, Briggs Law Corporation, is

denied.

APPROVED: MICHAEL J. AGUIRRE, City Attorney
