RESOLUTION NUMBER R- 301949
DATE OF FINAL PASSAGE OCT 17 2006

WHEREAS, on March 27, 2006, the City Council approved submitting to public vote a ballot measure (now designated as Proposition C for the November 7, 2006 ballot) that would amend the City Charter to allow the City to employ an independent contractor when the Mayor determines, subject to City Council approval, that City services can be provided more economically and efficiently by an independent contractor than by persons employed in the Classified Service while maintaining service quality and protecting the public interest [Managed Competition]; and

WHEREAS, the Mayor and the City Council have determined that it would not be in the public interest to permit an independent contractor to provide services presently provided by City police, fire, and lifeguard safety service members; and

WHEREAS, if Proposition C is approved by the voters, the Mayor and City Council intend to introduce an ordinance that would state that services performed by City police, fire, and lifeguard safety service members are not subject to Managed Competition; NOW,

THEREFORE,

BE IT RESOLVED, by the Council of the City of San Diego, that the City Council and Mayor hereby declare their intent that services provided by City police, fire, and lifeguard safety service members will not be subject to Managed Competition because it is not in the public interest to contract out these safety services to an independent contractor.

BE IT FURTHER RESOLVED, that if Proposition C is approved by the voters, the City Attorney will include language that reflects the above stated intent in any ordinance introduced to implement Managed Competition.
