RESOLUTION NUMBER R- 302119

DATE OF FINAL PASSAGE DEC 06 2006

BE IT RESOLVED, by the Council of the City of San Diego, that the report regarding the status of the City's Utility Undergrounding Program, including status of all allocated underground conversion projects, as well as the status of expenditures and underground conversion account status, as provided in accordance with Council Policy 600-08, section (D)(3), is hereby accepted.

BE IT FURTHER RESOLVED, that the City Council hereby accepts and approves the revised master plan for undergrounding of utilities.

BE IT FURTHER RESOLVED, that the City Council hereby approves an allocation of CPUC Rule 20-A (CPUC Case No. 8209) underground conversion projects estimated at \$10,582,715.

BE IT FURTHER RESOLVED, that Council Policy No. 600-08, implementing the City's undergrounding program, is hereby amended as reflected on Attachment 6 to the accompanying Report to the City Council, which is hereby incorporated into this resolution by reference.

BE IT FURTHER RESOLVED, that the intent of the Council is that the undergrounding of overhead lines outside of the boundaries of any Underground Utility District created by the Council is consistent with the intent of the Council as expressed in Section 61.0508(a) of the San Diego Municipal Code, provided that the newly undergrounded route will vary as little as possible from the existing aerial route, and that those variations which do exist are necessary to make possible the removal of poles and overhead facilities, which is required for the public

health, safety, and general welfare, and that this resolution effects a clarification of, rather than a change in, existing law.

APPROVED: MICHAEL J. AGUIRRE, City Attorney

By 
Michael Calabrese
Chief Deputy City Attorney
