- (1) In 1980, the State Legislature added Division 9 to Title I of the Government Code to implement Article XIII B. This legislation required the governing body of each local jurisdiction in California to establish a tax appropriations limit on or before June 30 of each year for the following fiscal year, pursuant to which the City of San Diego has been establishing this limit since 1981.
- (2) In November 1994, Proposition E was approved authorizing an increase of \$50 million in the City's Tax Appropriation Limit for Fiscal Year 1996 and authorizing adjustments to this increased limit for the subsequent three fiscal years through Fiscal Year 1999. The Fiscal Year 2000 Tax Appropriation Limit fell due to the expiration of this four-year \$50 million increase in the Tax Appropriation Limit resulting from Proposition E.
