

RESOLUTION NUMBER R- 304230

DATE OF FINAL PASSAGE OCTOBER 13, 2008

COSTA VERDE NORTH TENTATIVE MAP NO. 216983,
PROJECT NO. 71264 –APPEAL PAUL ROBINSON ON
BEHALF OF COSTA VERDE NORTH VILLAGE, LLC. AND
BRIGGS LAW CORPORATION ON BEHALF OF CITIZENS
FOR RESPONSIBLE EQUITABLE ENVIRONMENTAL
DEVELOPMENT AND THE AFFORDABLE HOUSING
COALITION OF SAN DIEGO COUNTY.

WHEREAS, Costa Verde North Village, LLC, Applicant/Subdivider, Hunsaker & Associates, Inc., Engineer, submitted an application to the City of San Diego for a tentative map (Tentative Map, No. 216983) to allow the conversion of 651 existing residential units to condominiums to be known as the Costa Verde North Project [Project], located at 8720-8950 Costa Verde Boulevard, which is bounded by Plaza de Palmas to the south, Regents Road to the west, Costa Verde Boulevard to the east and La Jolla Village Drive to the north, legally described as Lots 1 and 2 of Costa Verde, according to Map thereof No. 12045, in the RS-1-14 zone and within the University Community Plan area; and

WHEREAS, the Map proposes the subdivision of a 9.17-acre site into one lot for a 651-unit residential condominium subdivision; and

WHEREAS, the project is exempt from environmental review pursuant to Section 15301 of the California Environmental Quality Act [CEQA] on the basis that the facilities are existing;
and

WHEREAS, a preliminary soils and geological reconnaissance report are waived by the City Engineer pursuant to the Subdivision Map Act and Section 144.0220 of the Municipal Code of the City of San Diego; and

WHEREAS, the subdivision is a condominium project as defined in Section 1350 et seq. of the Civil Code of the State of California and filed pursuant to the Subdivision Map Act. The total number of condominium dwelling units is 651; and

WHEREAS, on June 5, 2008, the Planning Commission of the City of San Diego considered Tentative Map No. 216983, and voted 6-0 to approve the project; and

WHEREAS, Paul Robinson, on behalf of the applicant/subdivider, Costa Verde North Village, LLC, appealed the Planning Commission decision to the Council of the City of San Diego. The applicant asserted that the project should be allowed to pay an affordable housing in-lieu fee as opposed to being required to provide onsite affordable housing, as conditioned by the Planning Commission; and

WHEREAS, Cory Briggs, on behalf of the Citizen's for Responsible Equitable Environmental Development and the Affordable Housing Coalition of San Diego County appealed the Planning Commission decision to the Council of the City of San Diego, asserting: the project is not exempt from CEQA; approval of the Tentative Map violates the San Diego Municipal Code and the State Subdivision Map Act by not proceeding in the manner prescribed by law, not making all necessary findings, and not supporting the findings with sufficient evidence; and the project is inconsistent with the Housing Element; and

WHEREAS, under Charter section 280(a)(2) this resolution is not subject to veto by the Mayor because this matter requires the City Council to act as a quasi-judicial body and where a public hearing was required by law implicating due process rights of individuals affected by the decision and where the Council was required by law to consider evidence at the hearing and to make legal findings based on the evidence presented; and

WHEREAS, the matter was set for public hearing on October 13, 2008, testimony having been heard, evidence having been submitted, and the City Council having fully considered the matter and being fully advised concerning the same; NOW, THEREFORE,

BE IT RESOLVED by the Council of the City of San Diego, that it adopts the following findings with respect to Tentative Map No. 216983:

1. The proposed subdivision complies with the applicable zoning and development regulations of the San Diego Municipal Code and Land Development Code [SDMC/LDC] section 125.0440(b).
2. The decision maker has considered the effects of the proposed subdivision on the housing needs of the region and that those needs are balanced against the needs for public services and the available fiscal and environmental resources (SDMC/LDC section 125.0440(h) and Subdivision Map Act Section 66412.3).
3. Each of the tenants of the proposed condominium project has received, pursuant to State Map Action Section 66452.9, written notification of intention to convert at least 60 days prior to the filing of a tentative map (SDMC/LDC section 125.0444 and Subdivision Map Act Section 66427.1(a)).
4. The project has been conditioned that the Subdivider will give each tenant, and each person applying for the rental of a unit in such residential real property, all applicable notices and rights now or hereafter required by the Subdivision Map Act (SDMC/LDC section 125.0444 and Subdivision Map Act Section 66427.1(a)).
5. The project has been conditioned that the Subdivider will give each tenant 10 days' written notification that an application for a public report will be, or has been, submitted to the Department of Real Estate, and that such report will be available on request (SDMC/LDC section 125.0444 and Subdivision Map Act Section 66427.1(a)).
6. The project has been conditioned that the Subdivider will give each tenant of the proposed condominium project written notification within 10 days of approval of a final map for the proposed conversion (SDMC/LDC section 125.0444 and Subdivision Map Act Section 66427.1(b)). If the subdivider chooses to provide affordable housing units, the subdivider shall enter into an affordable housing agreement with the Housing Commission, prior to recordation of the Final Map.
7. The project has been conditioned that the Subdivider will give each of the tenants of the proposed condominium project 180 days' written notice of intention to convert prior to termination of tenancy due to the conversion or proposed conversion (SDMC/LDC section 125.0444 and Subdivision Map Act Section 66427.1(c)).
8. The project has been conditioned that the Subdivider will give each of the tenants of the proposed condominium project notice of an exclusive right to contract for the purchase of his or her respective unit upon the same terms and conditions that such unit will be initially

offered to the general public or terms more favorable to the tenant, which notice shall be provided within 5 working days of the issuance of the Subdivision Public Report. The right shall run for a period of not less than 90 days from the date of issuance of the subdivision public report pursuant to Section 11018.2 of the Business and Professions Code, unless the tenant gives prior written notice of his or her intention not to exercise the right (SDMC/LDC section 125.0444 and Subdivision Map Act Section 66427.1(d)).

9. The project was not financed by funds obtained from a governmental agency to provide for elderly, disabled, or low income housing (SDMC/LDC section 125.0444(b)).

10. For any project that was developed to provide housing for the elderly, disabled or to provide low income housing, provisions have been made to perpetuate the use for which the project was developed (SDMC/LDC section 125.0444(c)).

11. Each of the tenants of the proposed condominium project has received written notification of the project application for the condominium conversion within 10 days after the application was deemed complete (SDMC/LDC section 125.0431(a)(3)).

12. The project has been conditioned that the Subdivider will give each person applying for the rental of a unit in such residential real property written notification that the project application for the condominium conversion was deemed complete (SDMC/LDC section 125.0431(a)(3)).

13. The project has been conditioned that the Subdivider will give each tenant a notice of termination of tenancy 60 days prior to being required to vacate the property. (SDMC/LDC section 125.0431(a)(4)).

14. A Building Conditions Report has been prepared in accordance with the Land Development Manual by a registered architect or engineer licensed by the State of California (SDMC/LDC section 144.0504(b)).

15. The project has been conditioned that the Subdivider will provide to a prospective purchaser a copy of the Building Conditions Report prior to the opening of an escrow account. (SDMC/LDC section 144.0504(c)).

16. The project has been conditioned that the Subdivider will provide a relocation assistance payment to all tenants of the project whose tenancy has terminated due to the condominium conversion. (SDMC/LDC section 144.0505).

17. The project has been conditioned for the Subdivider to complete the physical improvements as outlined in Land Development Code Section 144.0507, to the satisfaction of the City Engineer prior to final map approval.

18. The project has been conditioned for the Subdivider to satisfy the inclusionary housing requirements on-site in accordance with Land Development Code section 142.1306. (SDMC/LDC section 144.0508).

The above findings are supported by the minutes, maps and exhibits, all of which are herein incorporated by reference.

BE IT FURTHER RESOLVED, that the appeal of Paul Robinson, on behalf of Costa Verde North Village, LLC, in which the applicant asserted that the project should be allowed to pay an affordable housing in-lieu fee as opposed to being required to provide onsite affordable housing, as conditioned by the Planning Commission, is denied and the decision of the Planning Commission is sustained; however, the language on defense and indemnity as provided in Mr. Robinson's letter on behalf of Costa Verde Developers, LLC, is made a part the Tentative Map in lieu of the language that currently exists.

BE IT FURTHER RESOLVED, that the appeal of Cory Briggs, on behalf of the Citizen's for Responsible Equitable Environmental Development and the Affordable Housing Coalition of San Diego County, in which it was asserted that the project was not exempt from CEQA; approval of the Tentative Map violated the San Diego Municipal Code and the State Subdivision Map Act by not proceeding in the manner prescribed by law, not making all necessary findings, and not supporting the findings with sufficient evidence; and the project was inconsistent with the Housing Element, is denied.
