If the Agency has acted in good faith to comply with the notice requirements of this Section 502, the failure of the Agency to provide the required notice to Residents, Businesses, or Existing Community Organizations unknown to the Agency or whose addresses could not be obtained at a reasonable cost, shall not, in and of itself, invalidate the formation or actions of the PAC.

VI. [600] COMPOSITION OF PAC MEMBERSHIP

A. [601] Categories

Subject to the provisions of Section 603, the PAC shall have eleven (11) members selected according to the following categories and numbers:

- | | | |
|----|--|----|
| 1. | Residential Owner-Occupants At-Large | 3 |
| 2. | Residential Tenants At-Large | 2 |
| 3. | Business owners in the Project Area | 3 |
| 4. | Community Organizations | |
| | San Ysidro Community Planning Group (appointed) | 1 |
| | Existing Community Organizations
that exist and operate in the Project Area | 2 |
| | | 11 |

Any person eligible to be a candidate in more than one membership category must choose one of the membership categories. Proof of eligibility must be provided for the category chosen (except for the Community Planning Group category).

B. [602] Community Organization/Appointment of Representative

The Community Planning Group shall appoint one its members to serve on the PAC. Subject to the provisions of Section 603, the Existing Community Organizations seats shall be filled by election and entities seeking to run for the "Existing Community Organization" seats shall appoint one of its members to submit a PAC Application, pursuant to Section 702 below, on behalf of the Existing Community Organization.

C. [603] Vacancies

Should there be an insufficient number of candidates elected to any category of the PAC or if a vacancy should occur as to any category of the PAC after formation of the PAC, each such seat shall remain vacant until a qualified candidate is selected by a vote of the then sitting members of the PAC pursuant to applicable law and in accordance with objective standards, this Procedure and the PAC By-Laws. Subject to applicable law, objective standards, this Procedure and the PAC By-Laws, the PAC selection shall be made pursuant to such process as the PAC shall deem appropriate and may be made without the mailing or publication of notices required in this Procedure concerning the original establishment of the PAC.

All vacancies must be filled from the same category in which the vacancy occurred. A "qualified candidate" shall be one who meets all eligibility requirements for PAC membership set forth below in Section 701 and who has submitted a completed PAC Application in substantially the form attached hereto as Exhibit "2" (the introductory paragraph of the PAC Application shall be modified to reflect that the candidate interest is for appointment rather than election to the PAC). If there are multiple qualified candidates for any vacant seat, then the qualified candidate who receives the highest number of votes among the then sitting members of the PAC shall be selected to fill the vacancy.

The term of any candidate selected as a member of the PAC pursuant to this Section 603 shall expire as follows: (1) for any candidate filling a vacancy existing at formation of the PAC, at the conclusion of the first three year term of the PAC; and (2) for any candidate filling a vacancy existing after formation of the PAC, at the conclusion of the term of the PAC member whose seat was filled.

The existence of vacancies shall not prevent formation of the PAC nor shall it prevent the PAC from carrying out its duties as required by the CRL. Until such time as any vacant seats on the PAC have been filled, a majority of the occupied seats on the PAC shall constitute a quorum.

No campaigning shall take place within 100 feet of the polling place the day of the PAC elections.

G. [707] Balloting

The Agency shall ensure secrecy of the ballot by requiring each ballot to be folded and passed to an authorized election assistant. No absentee or proxy voting is allowed. A representative from the City Clerk's office shall be present when the ballots are tallied to provide official verification of the results of the PAC Election.

H. [708] Results/Runoffs

The Agency staff shall announce the winners of each membership category as soon as reasonably possible after balloting is completed and the election is officially closed. The candidates with the highest number of votes in each membership category shall be elected. In the event of a tie vote, a runoff will become necessary. The Agency will schedule and notice the time and place of the runoff election as soon as reasonably possible to bring final election results before the City Council for ratification in a timely manner. The Agency shall publicize the holding of the runoff election by mailing, first class, a notice of the runoff election to registered voters of the PAC election, by posting advance notice of the runoff election in the meeting notice book of the City Administration Building or in public buildings in the Project Area, and any other means the Agency deems appropriate.

At the PAC Election meeting, Agency staff shall announce that the election results and ballots shall be maintained by the Agency for presentation to the City Council.

I. [709] Challenges/Validity

Any challenge to the PAC Election or to the electoral procedures followed in connection with the PAC Election shall be filed with the City Council within fifteen (15) calendar days following the PAC Election or runoff election.
