RESOLUTION NUMBER R- 305087
DATE OF FINAL PASSAGE JUL 22 2009

A RESOLUTION WAIVING BUILDING PLAN CHECK AND PERMIT FEES FOR THE RECONSTRUCTION OF HOUSES DESTROYED BY THE DECEMBER 8, 2008 JET CRASH IN SAN DIEGO AND EXPEDITING THE CITY'S REVIEW PROCESS.

WHEREAS, on December 8, 2008, a military jet crashed in the University City community of San Diego; and

WHEREAS, the crash took four lives and destroyed two houses located at 4416 Cather Avenue and 4406 Cather Avenue; and

WHEREAS, waiving fees for the plan checks and building permits necessary for the reconstruction of these two houses and designating these applications as the highest priority will expedite the process of review for the reconstruction efforts; and

WHEREAS, the waiver of fees and designation of these applications as a priority will ease and speed up the process through which the houses can be rebuilt and the neighborhood can return to normalcy thereby restoring a sense of well-being within the neighborhood affected by the crash; and

WHEREAS, similar waivers were granted to the victims of the San Diego Wildfires of 2007 and 2003; and

WHEREAS, this activity is not a "project" as defined in California Environmental Quality Act [CEQA] section 15378, and is therefore not subject to CEQA pursuant to State CEQA Guidelines section 15060(c)(3); NOW, THEREFORE,

BE IT RESOLVED, by the Council of the City of San Diego, that building plan check and permit fees are waived for the reconstruction of houses destroyed by the December 8, 2008 jet crash in San Diego.

BE IT FURTHER RESOLVED, that building plan checks and permit applications resulting from the December 8, 2008 jet crash are designated to be the highest priority for the expedited Development Services Department review of building plans and building permits in the City of San Diego.
