WHEREAS, the funding allocated to the City supports the San Diego Police Department and the City's Office of Homeland Security by providing the means to enhance their preparedness, prevention and response capabilities; and

WHEREAS, the City's Office of Homeland Security will enhance its catastrophic incident response capabilities by improving voice and data communications systems within the

City's Emergency Operations Center (EOC), and by providing emergency training events and exercises to increase EOC staff skills and proficiencies; and

WHEREAS, in addition to the direct award amount of \$550,621, the City is also projected to receive up to \$100,000 from the \$290,000 countywide FY 2011 SHSP exercise allocation; and

WHEREAS, this additional allocation will support the City's participation in regional emergency exercises; and

WHEREAS, the United States Department of Homeland Security provides SHSP funds through the California Emergency Management Agency (CalEMA), which grants the funds to the County of San Diego Office of Emergency Services, which in turn subgrants funds to the City; and

WHEREAS, there is no non-federal match or cost share required for the SHSP grant covered by this resolution; and

WHEREAS, this grant is reimbursable by nature, requiring the City to expend funds prior to requesting reimbursement; and
