

RESOLUTION NUMBER R- 309483

DATE OF FINAL PASSAGE JAN 20 2015

Tues. 1/20/15  
Item 5500  
subitem B

A RESOLUTION OF THE COUNCIL OF THE CITY OF SAN DIEGO DETERMINING THAT THE APPROVAL OF THE AGREEMENT FOR WILSON & COMPANY TO PROVIDE TRAFFIC ENGINEERING SERVICES FOR THE COMPLETE BOULEVARD PLANNING STUDY IS CATEGORICALLY EXEMPT FROM THE CALIFORNIA ENVIRONMENTAL QUALITY ACT PURSUANT TO CEQA GUIDELINES SECTION 15262.

WHEREAS, the City of San Diego desires to enter into an agreement to provide traffic engineering services for the Complete Boulevard Planning Study, which will identify multi-modal mobility infrastructure improvements within the Little Saigon primary study area along the El Cajon Boulevard Rapid Bus Line. The improvements are intended to facilitate more walkable, bikeable, and transit-friendly locations along the Rapid Bus route. The grant-funded effort will include the preparation of conceptual infrastructure improvements, and preliminary engineering drawings, and schematic drawings for future implementation projects. The study development process will engage residents, businesses, and community organizations through community planning group meetings, pop-up outreach events, and a community-wide workshop, and stakeholder interviews to develop a study that achieves broad community support, (Project); and

WHEREAS, CEQA section 21084, states that the CEQA Guidelines thereto (California Code of Regulations, Title 14, Chapter 3, Section 15000 et seq.) shall list those classes of projects which have been determined not to have a significant effect on the environment and which shall be exempt from CEQA; and

WHEREAS, pursuant to that authority, CEQA Guidelines sections 15300-15333 list the categorical exemptions promulgated by the California Office of Planning and Research and adopted by the Secretary of the California Natural Resources Agency for those classes of Projects which have been determined not to have a significant effect on the environment; and

WHEREAS, the Development Services Department has established that the Project is categorically exempt from CEQA pursuant to CEQA Guidelines section 15262 and that no exception to the exemption, as set forth in CEQA Guidelines section 15300.2, applies to the Project; and

WHEREAS, the Council of the City of San Diego has considered the potential environmental effects of the Project, and

WHEREAS, on JAN 20 2015, the City Council held a duly noticed public meeting and considered the written record for the Project as well as public comment; and

WHEREAS, the Council of the City of San Diego, using its independent judgment, has determined that the Project will not have a significant effect on the environment because it is approval of a consultant agreement with Wilson & Company to provide traffic engineering services for the Complete Boulevard Planning Study, which meets the requirement of CEQA Guidelines Section 15262, in that it is a project involving only a feasibility or planning study for possible future actions which the agency has not approved, adopted or funded; NOW, THEREFORE,

BE IT RESOLVED, that the Council of the City of San Diego determines that the Project is categorically exempt from CEQA pursuant to CEQA Guidelines section 15262 and that an exception to the exemption does not apply.

BE IT FURTHER RESOLVED, that the Council of the City of San Diego has determined that an exception to the exemption as set forth in CEQA Guidelines section 15300.2 does not apply.

APPROVED: JAN I. GOLDSMITH, City Attorney
