## DATE OF FINAL PASSAGE MAR 0 3 2015

A RESOLUTION DENYING AN APPEAL AND UPHOLDING THE ENVIRONMENTAL DETERMINATION FOR THE 7625 CARROLL ROAD MEDICAL MARIJUANA CONSUMER COOPERATIVE PROJECT (PROJECT NO. 370687).

WHEREAS, an application was submitted for a Conditional Use Permit for a medical marijuana consumer cooperative (MMCC) located at 7625 Carroll Road (project); and

WHEREAS, on November 26, 2014, the Environmental Analysis Section of the Development Services Department determined the project to be exempt from the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines section 15303 (New Construction or Conversion of Small Structures) and a Notice of Right to Appeal Environmental Determination was posted; and

WHEREAS, on December 14, 2014, Andrew Watts filed an Environmental

Determination Appeal Application with the City's Development Services Department stating that the wrong CEQA exemption was used, and on December 11, 2014, Luis Herrera filed an Environmental Determination Appeal Application with the City's Development Services

Department stating that the CEQA Guidelines section 15303 exemption does not apply because it is limited to buildings up to 2,500 square feet and that the project should have used CEQA Guidelines section 15301, and on December 12, 2014, John F. Holzenthaler filed an Environmental Determination Appeal Application with the City's Development Services

Department stating that the project should have used CEQA Guidelines section 15301 (Appeals); and

WHEREAS, the Appeals were heard before the City Council on March 3, 2015; and

(R-2015-472)

WHEREAS, the project involves the conversion of a 4,581 square foot building in an

urbanized area to an MMCC use with only minor modifications to the exterior of the structure,

not involving the use of significant amounts of hazardous materials; and

WHEREAS, the project is located on a site zone for its use where all necessary public

services and facilities are available, and is not located in an environmentally sensitive area; and

WHEREAS, approval of the project would not result in a significant effect on the

environment; and

WHEREAS, the project is exempt under CEQA Guidelines Sections 15303; and

WHEREAS, under Charter section 280(a)(2) this resolution is not subject to veto by the

Mayor because this matter requires the City Council to act as a quasi-judicial body and where a

public hearing was required by law implicating due process rights of individuals affected by the

decision and where the Council was required by law to consider evidence at the hearing and to

make legal findings based on the evidence presented; NOW, THEREFORE,

BE IT RESOLVED, by the City Council of the City of San Diego, that the Appeals are

hereby denied and the environmental determination is upheld.
