BE IT RESOLVED, by the Council of the City of San Diego, as follows:

1. The FY 2015 Navajo Financing Plan is approved.
2. That the Chief Financial Officer is authorized to establish and modify individual Capital Improvement Program project budgets to reflect the FY 2015 Navajo Financing Plan provided funding is available for such action.

c. Demonstrates how there is a reasonable relationship between the development impact fee use and the type of development project on which the development impact fee is imposed. The development impact fees will be used to provide for a contribution for community serving infrastructure needed to serve both residential and non-residential development; and

d. Demonstrates how there is a reasonable relationship between the need for the public facility and the type of development project on which the development impact fee is imposed.

(i) Transportation Projects: Both residential development and non-residential development utilize the community's transportation system. Various street projects, traffic signal interconnect systems, landscaping, and median improvements are necessary to adequately serve the community.
