Item 56 (0-2016-155) 10-18/6

ORDINANCE NUMBER O- 20733 (NEW SERIES)

DATE OF FINAL PASSAGE NOV 01 2016

AN ORDINANCE OF THE COUNCIL OF THE CITY OF SAN DIEGO APPROVING THE AGREEMENT BETWEEN THE CITY OF SAN DIEGO AND ESRI, INC. IN SUPPORT OF GEOSPATIAL SOFTWARE AND SERVICES.

WHEREAS, ESRI, Inc. (ESRI) develops geographic information systems (GIS) software which is a core technology for supporting most spatial analyses and mapping presentations in the City of San Diego (City), and which is used for critical response applications for public safety, the routing of curbside refuse and recycling collection trucks, infrastructure maintenance planning for filling potholes and replacing water pipes, and developing and distributing spatial data and collaborating with City vendors; and

WHEREAS, GIS software is also critical to meeting various compliance requirements such as tracking sewer rehabilitation mileage, describing environmental impacts and assisting with hydrologic modeling and demographic planning; and

WHEREAS, in 2004, the San Diego Data Processing Corporation entered into Enterprise License Agreement 2003ESL6557 with ESRI for Geographic Information System (GIS) software and maintenance; and

WHEREAS, Enterprise License Agreement 2003ESL6557 was assigned to the City effective as of January 1, 2012, and the Council via San Diego Resolution R-309353 (Dec. 12, 2014) authorized execution of Amendment No. 3 which extended the term of the agreement through August 31, 2016; and

WHEREAS, the City now desires to enter into a new Agreement with ESRI for a term of three years, extending from September 1, 2016 through August 31, 2019, with products and

services substantially similar to those contracted in the previous agreement with ESRI (Agreement); and

WHEREAS, under San Diego Charter section 99, no contract, agreement or obligation extending for a period of more than five years may be authorized except by ordinance adopted by a two-thirds' majority vote of the City Council; NOW, THEREFORE,

BE IT ORDAINED, by the Council of the City of San Diego, as follows:

Section 2. That the Chief Financial Officer is authorized to expend an amount not to exceed \$2,700,000 under the proposed agreement with ESRI, Inc. for GIS software licensing and support and maintenance services with funding for each year being contingent upon the adoption of the Appropriation Ordinance for the applicable fiscal years, and contingent upon the Chief Financial Officer furnishing a certificate certifying that funds necessary for expenditure are, or will be, on deposit with the City Treasury.

Section 3. That the Chief Financial Officer, upon advice from the administrative department, is authorized to transfer excess funds, if any, to the appropriate reserves.

Section 4. That a full reading of this ordinance is dispensed with prior to passage, a written copy having been made available to the Council and the public prior to the day of its passage.

Section 5. That this ordinance shall take effect, and be in force on the thirtieth day from and after its final passage.

APPROVED: JAN I. GOLDSMITH, City Attorney
