WHEREAS, on December 15, 2015, the City Council adopted Resolution No. 310176 certifying Environmental Impact Report No. 416603, SCH No. 2015021053, a copy of which is on file in the Office of the City Clerk, in accordance with the California Environmental Quality Act of 1970 (CEQA) (Public Resources Code Section 21000 et seq.), as amended, and the State CEQA Guidelines thereto (California Code of Regulations, Title 14, Chapter 3, Section 15000 et seq.), and also adopted Resolution No. 310175 adopting the Climate Action Plan; and

WHEREAS, State CEQA Guidelines section 15164(a) allows a lead agency to prepare an Addendum to a final Environmental Impact Report, if such Addendum meets the requirements of CEQA; and

BE IT RESOLVED, by the City Council of the City of San Diego as follows:

1. That the information contained in the final Environmental Impact Report No. 416603, SCH No. 2015021053 along with the Addendum thereto, including any comments received during the public review process, has been reviewed and considered by this City Council prior to making a decision on the Project.

2. That there are no substantial changes proposed through the consideration of the Project and no substantial changes with respect to the circumstances that would require major revisions in the Environmental Impact Report.

That no new information of substantial importance has become available showing that the Project would have any significant effects not discussed previously in the Environmental Impact Report or that any significant effects previously examined will be substantially more severe than shown in the Environmental Impact Report.

4. That no new information of substantial importance has become available showing that mitigation measures or alternatives previously found not to be feasible are in fact feasible which would substantially reduce any significant effects, but that the Project proponents decline to adopt, or that there are any considerably different mitigation measures or alternatives not previously considered which would substantially reduce any significant effects, but that the Project proponents decline to adopt.

5. That pursuant to State CEQA Guidelines Section 15164, none of the conditions described in State CEQA Guidelines section 15162 have occurred or only minor technical changes or additions are necessary, and therefore, the City Council adopts Addendum to Environmental Impact Report No. 416603, SCH No. 2015021053 with respect to the Project, a copy of which is on file in the Office of the City Clerk.
