Item 332 Tuesday 12/13/16 (R-2017-289) COR. COPY

RESOLUTION NUMBER R- 310895

DATE OF FINAL PASSAGE DEC 22 2016

A RESOLUTION OF THE COUNCIL OF THE CITY OF SAN DIEGO AUTHORIZING THE EXPENDITURE OR REALLOCATION OF CERTAIN FUNDS RECEIVED BY THE CITY FOR THE ADMINISTRATION OF THE FORMER SAN DIEGO REGIONAL ENTERPRISE ZONE PROGRAM.

WHEREAS, enterprise zones, created pursuant to and governed by California Government Code sections 7070-7089 (Enterprise Zone Act), were geographical areas located throughout California designed and authorized for the purpose of stimulating business and industrial growth in economically underinvested areas by relaxing regulatory controls that impede private investment; and

WHEREAS, pursuant to the Enterprise Zone Act, the Enterprise Zone Program (EZ Program) provided state sales and use tax credits, business expense deductions, and employee hiring tax credits (Hiring Tax Credit), as well as local incentives comprised of regulatory, tax, program, and other incentives, to attract private sector investment to each enterprise zone; and

WHEREAS, the California Department of Housing and Community Development (HCD) was authorized to designate new enterprise zones and provide administrative oversight of the EZ Program to existing enterprise zones; and

WHEREAS, on November 3, 2006, HCD awarded designation of the San Diego Regional Enterprise Zone (Former SDREZ), a multi-jurisdictional, regional enterprise zone comprised of geographical areas within the cities of San Diego, Chula Vista, and National City; and

WHEREAS, the cities of San Diego, Chula Vista, and National City (collectively, SDREZ Original Partners) entered into a memorandum of understanding establishing the partnership framework necessary to create the Former SDREZ and establishing the City of San Diego as the zone administrator (Administrator); and

WHEREAS, in order to receive the Hiring Tax Credit under the Enterprise Zone

Program, an eligible business applied for the credit by submitting a California Enterprise Zone

Hiring Tax Credit Voucher Application (Voucher Application) to its zone administrator and,

upon verification of eligibility, the zone administrator issued a Hiring Tax Credit Voucher.

Certificate (Voucher Certificate) for the business to submit with its income tax filing; and

WHEREAS, as Administrator of the Former SDREZ, the City was required to process all Former SDREZ Voucher Applications and issue Voucher Certificates (Voucher Program); and

WHEREAS, as Administrator of the Former SDREZ, the City charged a fee of \$100 for each Voucher Application processed, as permissible under article XI, section 7 of the California Constitution, to offset state and local administrative costs associated with administering the Voucher Program; and

WHEREAS, the Enterprise Zone Act was repealed as of January 1, 2014, pursuant to California Assembly Bill 93 (2013-2014 Reg. Sess.) (AB 93), resulting in the premature termination of all enterprise zones, but allowing qualifying businesses in former enterprise zones to continue to take advantage of the Hiring Tax Credit if issued a Voucher Certificate by a zone administrator during calendar year 2014; and

WHEREAS, the City elected to continue accepting Voucher Applications from qualifying businesses in the Former SDREZ through October 1, 2014, resulting in additional funds paid to the City; and

WHEREAS, the residual funds associated with the Former SDREZ (SDREZ Funds), generated from administration of the Voucher Program, total \$3,503,533.52 and are considered general funds to the extent they were paid to the City for the purpose of offsetting administrative costs incurred as Administrator of Former SDREZ; and

WHEREAS, the City recognizes that availability of the SDREZ Funds affords a unique opportunity for the SDREZ Original Partners to further invest in the economic vitality of the regional business community, and particularly within the Former SDREZ; and

WHEREAS, the SDREZ Funds can be used to further the City's goal to support the Economic Development Department in its pursuit to develop certain economic and workforce development initiatives, including strategic opportunities with long term economic growth benefit potential, and to complement regional economic development goals of the City's Strategic Framework Plan and Economic Development Strategy; and

WHEREAS, the City wishes to allocate a portion of the SDREZ Funds to certain contracts that support new and existing economic and workforce development opportunities; and

WHEREAS, the City wishes to allocate the remaining portion of the SDREZ Funds to the following programs (collectively, Economic Development Programs) that target new economic and workforce development opportunities: Water and Sewer Capacity Bank, Fee Payment Incentive Program, Placemaking Revolving Loan Fund, Activation Grants Program, Capacity-Building Initiative, and CONNECT2Careers Program; NOW, THEREFORE,

BE IT RESOLVED, by the City Council of the City of San Diego, as follows:
