

RESOLUTION NUMBER R- 311676

DATE OF FINAL PASSAGE APR 24 2018

A RESOLUTION OF THE COUNCIL OF THE CITY OF SAN DIEGO ADOPTING A 3.3 PERCENT INCREASE TO THE REGIONAL TRANSPORTATION CONGESTION IMPROVEMENT PROGRAM (RTCIP) DEVELOPMENT IMPACT FEE SCHEDULE FOR FISCAL YEAR 2019.

WHEREAS, in November 2004, voters approved Proposition A, also known as the TransNet Extension Ordinance, which extended the TransNet half-cent sales tax for transportation projects through 2048, and also included a requirement that each affected city and county collect a fee for newly constructed residential housing units in that jurisdiction (the Regional Transportation Congestion Improvement Program or RTCIP); and

WHEREAS, the RTCIP directed each city and county to establish a funding program to collect RTCIP fees; and

WHEREAS, on April 15, 2008, the City Council passed Resolution No. R-303554, which adopted the City's RTCIP Funding Program pursuant to Report to City Council No. 08-049, the associated nexus study, and development impact fee schedule; and

WHEREAS, on May 7, 2012, the City Council passed Resolution No. R-307401 formally adopting and revising the City's RTCIP Funding Program; and

WHEREAS, on April 26, 2017, the City Council passed Resolution No. R-311061 formally adopting and revising the City's RTCIP Funding Program;

WHEREAS, the purpose of the RTCIP is to ensure that new development directly invests in the region's transportation system to offset the negative impact of growth on congestion and mobility; and

WHEREAS, the RTCIP provides for the collection of a development impact fee per new dwelling unit to ensure future development contributes its proportional share of the funding needed to pay for Regional Arterial Systems (RAS) and related transportation facility improvements, as identified and defined in the San Diego Association of Government's (SANDAG) most recently adopted Regional Transportation Plan (RTP); and

WHEREAS, the TransNet Extension Ordinance requires that the RTCIP fee be increased annually by an amount no less than two percent per year and no greater than the Engineering Construction Cost Index (CCI) as published by the Engineering News Record, or similar cost of construction index; and

WHEREAS, upon the SANDAG Board of Director's February 23, 2018 approval of a 3.3 percent annual increase of the RTCIP fee based upon the CCI, the appropriate annual fee adjustment for Fiscal Year 2019 is 3.3 percent. Therefore, beginning July 1, 2018, the RTCIP development impact fee schedule will increase from \$2,240 to \$2,314 per multi-family unit, and from \$2,800 to \$2,892 per single-family unit; NOW, THEREFORE,

BE IT RESOLVED, by the City Council of the City of San Diego, as follows:

1. The above recitals are true, correct, and incorporated by reference herein.
2. A 3.3 percent increase to the current RTCIP development impact fee schedule is appropriate based on the TransNet Extension Ordinance, the RTCIP nexus study, and the SANDAG Board of Directors approval of the 3.3 percent increase.
3. A 3.3 percent increase to the current RTCIP development impact fee schedule is approved and adopted, resulting in a RTCIP development impact fee of \$2,314 per multi-family

unit and \$2,892 per single-family unit, effective sixty days following adoption of this Resolution or July 1, 2018, whichever occurs later.

APPROVED: MARA W ELLIOTT, City Attorney
