

RESOLUTION NUMBER R- 311761

DATE OF FINAL PASSAGE MAY 30 2018

A RESOLUTION OF THE COUNCIL OF THE CITY OF SAN DIEGO APPROVING THE ESTABLISHMENT OF NEW RATES AND FEES AND ADJUSTMENTS TO EXISTING RATES AND FEES FOR INCLUSION IN THE RATEBOOK OF CITY FEES AND CHARGES MAINTAINED IN THE OFFICE OF THE CITY CLERK.

WHEREAS, under Council Policy 100-05, general fund departments are required to conduct comprehensive user fee studies every three years; and

WHEREAS, these fee studies ensure City departments identify and recover all reasonable and allowable costs incurred in providing government services; and

WHEREAS, each general fund department requesting user fee adjustments and additions for Fiscal Year (FY) 2019 obtained a legal opinion on its fee proposals from the Office of the City Attorney in light of Proposition 26; and

WHEREAS, approved by the voters in 2010, Proposition 26 amended articles XIII A and XIII C of the California Constitution to provide that a levy, charge, or exaction of any kind imposed, increased, or extended by a local government is a tax unless an exception applies; and

WHEREAS, exceptions to Proposition 26 include user fees; government service or product fees; regulatory fees; government property entrance fees; fines and penalties imposed by a court or local government; property development impact fees; and assessments and property-related fees governed by Proposition 218; and

WHEREAS, each Proposition 26 exception involves its own legal standard for determining the amount of a legally permissible fee; and

WHEREAS, user fees and regulatory costs in support of the proposed user fee adjustments and additions for FY 2019 may not exceed the reasonable costs of providing a service, product, or regulation which includes all reasonable direct and indirect expenses incurred by the City; and

WHEREAS, depending on the particular type of fee and individual department activities, staff for each City department calculated proposed FY 2019 user fee adjustments and additions using the comprehensive Citywide method developed by Financial Management and Comptroller staff; and

WHEREAS, City staff reports from each department substantiate the validity of the proposed user fees and regulatory costs for FY 2019 by explaining the link between the cost and the service, product, or regulation; and

WHEREAS, Financial Management gave a presentation to the Budget and Government Efficiency Committee on April 18, 2018, wherein the department requested approval of proposed FY 2019 user fee adjustments and additions for eleven general fund departments and one non-general fund department including the City Clerk, Development Services, Environmental Services, Financial Management, Fire-Rescue, Library, Police, Personnel, Public Utilities, Real Estate Assets, Transportation and Storm Water, and the City Treasurer; and

WHEREAS, Financial Management and each of the departments mentioned above also provided to the Budget and Government Efficiency Committee a detailed report explaining their respective proposed FY 2019 user fees and adjustments and the cost recovery calculations for same; and

WHEREAS, after considering the presentations made, the reports and materials presented, and engaging in discussion regarding the proposed FY 2019 fee adjustments and additions, the Budget and Government Efficiency Committee forwarded the proposed FY2019 user fees to the City Council for consideration; NOW, THEREFORE,

BE IT RESOLVED, by the Council of the City of San Diego, as follows:

That the following FY 2019 fee additions and adjustments are adopted for the purpose of recovering costs incurred by the City of San Diego in providing services, goods, or regulation, or as otherwise permitted under articles XIII A and XIII C of the California Constitution:
