

RESOLUTION NUMBER R- 312034
DATE OF FINAL PASSAGE OCT 30 2018

A RESOLUTION OF THE COUNCIL OF THE CITY OF SAN DIEGO DETERMINING THAT THE PUBLIC INTEREST AND NECESSITY REQUIRE ACQUISITION OF REAL PROPERTY INTERESTS FOR THE PURE WATER NORTH CITY PROJECT FROM SCRIPPS RANCH TECHNOLOGY PARK LLC – APN 319-170-22; AUTHORIZING THE CITY ATTORNEY TO COMMENCE PROCEEDINGS IN EMINENT DOMAIN AND TO OBTAIN AN ORDER FOR IMMEDIATE POSSESSION; AND AUTHORIZING EXPENDITURE OF FUNDS FOR THE REAL PROPERTY INTERESTS TO BE ACQUIRED.

WHEREAS, on May 15, 2014, the City Council of the City of San Diego passed a resolution supporting the Pure Water San Diego Program; and

WHEREAS, the Pure Water San Diego Program (Program) is part of the City of San Diego’s Public Utilities Department Capital Improvement Program. The Program is a phased, multi-year program that uses proven technology to produce a safe, reliable and cost-effective water supply for the City. At full implementation in 2035, the Program will provide one-third (1/3) of San Diego’s water supply locally and will reduce the City’s ocean wastewater discharges by approximately one-half (1/2); and

WHEREAS, on April 10, 2018, the San Diego City Council approved the North City Pure Water Project – Phase I (Project), which included discretionary land use approvals and an Environmental Impact Report (EIR). The Project includes expansion of the existing North City Water Reclamation Plant and construction of an Advanced Water Purification Facility with a purified water pipeline delivering 30 million gallons per day from Morena Boulevard to the Miramar Reservoir. The Project will direct wastewater flows away from Point Loma to the City’s water reclamation plants for treatment. The purified water will blend with the City’s

imported and local water sources in the Miramar Reservoir and be treated again at the Miramar Drinking Water Treatment Plant and distributed to the public; and

WHEREAS, the Project includes: the Morena Pump Station and Pipelines which will transport approximately 32 mgd of wastewater to the North City Water Reclamation Plant (NCWRP), where it will be treated before being sent to the new NCPWF for further purification. Construction will include a new pump station on Sherman Street and two parallel 10.7-mile-long wastewater pipelines. One wastewater pipeline will transport wastewater to the NCWRP, while the other will transport salt and contaminants removed during the water purification process at the NCPWF to the WWTP. The wastewater pipelines will start at Sherman Street, follow West Morena Boulevard to Clairemont Drive, continue to Genesee Avenue and go through University City to the NCWRP on Eastgate Mall. This portion will also include the construction of two approximately 3.5-mile water pipelines, a 16-inch water distribution pipeline and a 36-inch water transmission pipeline, which will run parallel to the wastewater pipelines along West Morena Boulevard and Morena Boulevard; North City Water Reclamation Plant Expansion will increase the amount of recycled water the NCWRP produces to meet the needs of both the recycled water system and the new NCPWF. The NCWRP is located on Eastgate Mall and treats wastewater to recycled water standards for irrigation and industrial uses. The plant capacity would increase from 30 mgd to 52 mgd. A new pump station located at the NCWRP will convey up to 42 mgd of recycled water to the new NCPWF across the street for further purification; North City Pure Water Facility will be built on Eastgate Mall across the street from the existing NCWRP to clean the recycled water further to produce 30 mgd of safe, high-quality water that meets all state and federal drinking water standards. The facility will use the proven five-step water purification

process of ozonation, biological activated carbon filters, membrane filtration, reverse osmosis and ultraviolet disinfection with advanced oxidation; and

WHEREAS, the acquisition of the property interests set forth in Exhibit 1 attached hereto (Acquisition Areas) is a part of a series of subsequent discretionary actions necessary to implement the Project and is not considered a separate project under CEQA; and

WHEREAS, on April 10, 2018, the Council approved Site Development Permit No. 2092309 for the Project (Resolution R-2018-405) which also included a finding of compliance with the City's General Plan; and

WHEREAS, the Project requires a permanent water pipeline easement and a temporary construction area easement from Scripps Ranch Technology Park, LLC - Assessor Parcel Number (APN) 319-170-22 as described in Exhibit 1; and

WHEREAS, the Scripps Ranch Technology Park, LLC easements are necessary because the proposed locations are the most direct, the most cost effective and provide the least impact to private property. For the Scripps Ranch Technology Park, LLC property, the easements are the last portion of the pipeline segment necessary to reach Miramar Reservoir; and

WHEREAS, the City obtained fair market value appraisals of the Acquisition Areas for the Scripps Ranch Technology Park, LLC property and determined that the probable compensation to be paid for acquisition of the property interests sought from Scripps Ranch Technology Park, LLC is \$684,000.00; and

WHEREAS, the City negotiated with the property owners and made offers to purchase the Acquisition Areas necessary for the Project at an amount consistent with the appraised fair market value of each of the properties in compliance with the California Government Code

section 7267.2(a) and the negotiations with the property owners have not been successful as of the date of this Resolution; and

WHEREAS, funds are available to acquire the necessary real property interests sought for the Project from 700010 (Water Utility CIP); and

WHEREAS, the City is vested with the power of eminent domain by Article I, Section 19 of the California Constitution, California Government Code section 37350.5, and San Diego Charter section 220, to acquire real property interests necessary for a public purpose; and

WHEREAS, the acquisition of the real property interests for the entire Project requires a permanent water pipeline easement and a temporary construction area easement from each of the subject parcels: Scripps Ranch Technology Park, LLC - Assessor Parcel Number (APN) 319-170-22; Mission Federal Credit Union – APN 319-170-23; Excelencia, LLC – APN 341-330-21; Antonia Michele Macfarlane, as Trustee of the Antonia Michele Macfarlane Revocable Trust dated October 17, 2013 – APN 363-060-02; ARE – Nexus Centre II, LLC – APN 345-012-15; San Diego Unified School District of San Diego County – APN 348-010-59; Westwood Apartments SD, LLC – APN 345-172-08. The Project as proposed is the least amount of acquired real property necessary to complete the Project; and

WHEREAS, October 10, 2018, the City mailed a notice of hearing, and of its intent to adopt this Resolution of Necessity, to the record owners of the Acquisition Areas, and all other persons who may have an ownership interest in the property interests sought; which notice of hearing advised said persons of their right to appear and be heard on the matters referred to therein, on the date and at the time and the place stated therein, and that a waiver of their right to appear and be heard will result upon their failure to file a written notice, all in compliance with the California Code of Civil Procedure section 1245.235; and

WHEREAS, the hearing set out in said notice of hearing was held on October 30, 2018, at the time and place stated in the notice, and all interested parties were given an opportunity to appear and be heard on the following matters: (a) whether the public interest and necessity require the Project; (b) whether the Project is planned or located in a manner which is most compatible with the greatest public good and the least private injury; (c) whether the property interests proposed to be acquired are necessary for the Project; (d) whether an offer meeting the requirements of California Government Code section 7267.2 has been given; and (e) whether all other prerequisites for the exercise of eminent domain to acquire the property rights have been met; and

WHEREAS, the Council, as a result of said hearing, has determined that the public health, safety and welfare require the City to acquire the property interests described in Exhibit 1 attached hereto for the permanent and temporary easements over portions of Scripps Ranch Technology Park, LLC - Assessor Parcel Number (APN) 319-170-22 needed for the Project; and

WHEREAS, under Charter section 280(a)(2), this Resolution is not subject to veto by the Mayor because this matter requires the Council to act as a quasi-judicial body and where a public hearing was required by law implicating due process rights of individuals affected by the decision and where the Council was required by law to consider evidence at the hearing and to make legal findings based on the evidence presented; NOW, THEREFORE,

BE IT RESOLVED, by the Council of the City of San Diego, that the public interest and necessity require acquisition of the property interests as set forth in Exhibit 1 attached hereto consisting of permanent and temporary easements over a portion of Scripps Ranch Technology Park, LLC - Assessor Parcel Number (APN) 319-170-22 to implement the Project.

BE IT FURTHER RESOLVED, that the Project is planned or located in a manner most compatible with the public good and the least private injury.

BE IT FURTHER RESOLVED, that the property interests proposed to be acquired as set forth in Exhibit 1 attached hereto are necessary for the Project and that such use is a public use authorized by law (*inter alia*, Charter section 220, California Code of Civil Procedure sections 1240.010, 1240.020, 1240.030, 124.040, 1240.110, 1240.120, 1240.140, 1240.510, 1240.610 and 1255.410; California Government Code section 5023.1).

BE IT FURTHER RESOLVED, that an offer to acquire the real property interests, pursuant to California Government Code section 7267.2, at the appraised fair market value, has been made to each party claiming an ownership interest(s) in the property interests sought.

BE IT FURTHER RESOLVED, that the City Attorney of the City of San Diego is hereby authorized and directed to commence an action in the Superior Court of the State of California, in and for the County of San Diego, in the name of and on behalf of the City of San Diego, against all claimants with any interest(s) in the real property interests sought, and to seek immediate possession of the real property interests sought pursuant to California Code of Civil Procedure section 1255.410 *et seq.*

BE IT FURTHER RESOLVED, that the Chief Financial Officer is authorized to expend funds as required from 700010 (Water Utility CIP) to acquire the property interests found necessary for the Project, and to deposit into the State Treasury's State Condemnation Fund, as necessary, the amount of \$684,000.00 as probable amount of compensation owed to the property owners to obtain possession of the Acquisition Areas. This is the probable amount of compensation to be paid by the City for the necessary real property interests to be acquired. The Chief Financial Officer is further authorized to deposit, if necessary, additional funds that the

Court or the parties in the anticipated eminent domain action deem necessary to increase the probable amount of compensation due to the property owner(s) as a result of the acquisition of the property interests set forth herein and the resulting eminent domain litigation.

OFFER FOR WATER LINE EASEMENT and TEMPORARY CONSTRUCTION AREA
Meanley Drive, San Diego (APN: 319-170-22)

Dear Sirs,

The City of San Diego is in the process of completing designs for the Pure Water - North City Pure Water Pipeline project. The purpose of this project is to install a new 48" diameter water line that would service the surrounding area and community with a local water supply that will convey up to 30 million gallons per day.

Records show that you are the property owner of the above-numbered parcel, a portion of which will be benefitted by the project, see (Exhibit A). The City of San Diego ("City") seeks to acquire a water line easement and a temporary construction area (TCA) on your property located at Meanley Drive (APN: 319-170-22) in the City of San Diego, as more particularly depicted on (Exhibit B). This letter and all attachments constitute the offer.

The City had the easement and TCA appraised to determine its fair market value. The appraisal was conducted in accordance with commonly accepted appraisal standards and included consideration of the highest and best use of the land. Based on the appraisal, the City offers to purchase these easement rights for **\$684,000** ("Purchase Price").

The Purchase Price is the full amount established by the appraisal as the fair market value of the easement, and the just compensation for such acquisition. A written statement of, and a summary of the basis for, the amount established as the Purchase Price is set forth in the attached Appraisal Summary Statement (Exhibit C).

The fair market value of the easement:

- a. Is the full amount believed by the City to be just compensation for the easement to be acquired;
- b. Is not less than the approved appraisal of the fair market value of the easement;
- c. Disregards any decrease or increase in the fair market value of the real property to be acquired prior to the date of valuation caused by the public improvement for the property which is to be acquired or by the likelihood that the property would be acquired for such public improvement, other than that due to physical deterioration within the reasonable control of the owner or occupant; and
- d. Does not reflect any consideration of or allowance for any relocation assistance and payments or other benefits to which the owner may be entitled to receive under an agreement with the City of San Diego.

Additional information regarding the property is provided in (Exhibit D). It is the City's hope that this offer is acceptable and we can proceed with the purchase of the easement area. However, if you are not satisfied with the City's offer of just compensation, you will be given reasonable opportunity to present relevant material, which the City will carefully consider. A response to this offer would be appreciated by August 20, 2018.

If you have any questions regarding this offer, please call me at (949) 338-1298.

BASIS OF APPRAISAL

The sales comparison approach was used to develop an opinion of the fair market value of the subject land.

Sales Comparison Approach

The sales comparison approach compares sales of similar properties to the property being appraised. The following table is a summary of the sales considered most comparable to the subject property land.

COMPARABLE LAND SALE SUMMARY

RECOMMENDED COMPENSATION FOR REQUIRED PROPERTY

Value of the Larger Parcel (Land Only - \$40/SF)	\$10,558,960	
Value of the Portion Sought	\$521,400	\$521,400
Value of the Remainder as Part of the Whole		\$10,037,560
Value of the Remainder in the After Condition		\$10,037,560
Severance Damages		\$0
Benefits		\$0
Total Net Severance Damages		\$0
Temporary Construction Area (32-month duration)		\$162,104
Total Appraised Just Compensation		\$683,504
		Rounded: \$684,000

Permanent General Utility Easement (A): The Right-of-Way map identified the permanent easement area as 17,380 square feet (SF). The portion sought was valued as follows: \$40/SF, times 17,380 SF, times 50% loss of the total ownership bundle of rights, equals \$521,400.

Site Improvements: According to representatives of the City of San Diego, vegetation items on the subject property removed during construction will be replaced in accordance with a revegetation plan prepared for the project. Trees will be replaced at a ratio of two replacements for each tree removed. Therefore, no compensation for impacted site improvements is warranted.

Temporary Construction Area (B): The Right-of-Way map identified the temporary construction area (TCA) as 17,119± square feet. The TCA value was based on a 9% annual land lease rate and a 1% annual discount rate. The TCA was valued as follows: \$40/SF x 17,119 SF = \$684,760 x 9% ÷ 12 Months =

Exhibit C

\$5,135.70 monthly rent for the TCA. Assuming a 32-month duration, a 1% annual discount rate, monthly payments, the present value factor (PVF) rounded to four decimal places is 31.5641. Therefore, the total compensation for the TCA on the subject property is **\$162,104** (\$5,135.70 monthly rent x 31.5641 PVF).

DEFINITION OF FAIR MARKET VALUE

(See Code of Civil Procedure 1263.320, a & b)

(a) The fair market value...is the highest price on the date of valuation that would be agreed to by a seller, being willing to sell but under no particular or urgent necessity for so doing, nor obliged to sell, and a buyer, being ready, willing and able to buy but under no particular necessity for so doing, each dealing with the other with full knowledge of all the uses and purposes for which the property is reasonably adaptable and available.

(b) The fair market value of property taken for which there is no relevant comparable market is its value on the date of valuation as determined by any method of valuation that is just and equitable.

ADDITIONAL INFORMATION RELATING TO THE PURCHASE OF REAL PROPERTY
OR AN INTEREST THEREIN

Title III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, and the California Relocation Assistance and Real Property Acquisition Guidelines require that each owner from whom the City of San Diego purchases real property or an interest therein, or each tenant owning improvements on said property, be provided with a summary of the appraisal of the real property or interest therein, as well as the following information.

1. You are entitled to receive full payment prior to vacating, if applicable, the real property being purchased unless you have heretofore waived such entitlement. You are not required to pay recording fees, transfer taxes, or the pro rata portion of real property taxes which are allocable to any period subsequent to the passage of title or possession of the property, if applicable, to the City.
2. The holders of liens, deeds of trust or other security interests in your property, and/or any lessees or tenants of your property, may be entitled to all or a portion of the consideration to be paid by the City for your property in accordance with the particular contract(s) existing between you (the owner) and the lienholder or lessee/tenant.
3. Whenever a portion of a parcel of property is to be acquired by the City for public use, and the remainder, or a portion of the remainder, will be left in such size, shape or condition as to constitute an uneconomic remnant, the City shall offer to acquire the remnant if the owner so desires. An "uneconomic remnant" is a parcel of real property in which the owner retains an interest after partial acquisition of the property and which has little or no utility or value to the owner.
4. All buildings, structures and other improvements affixed to the land described in the reference documents and owned by the grantor(s) herein or, if applicable, owned by you as a tenant, are being conveyed unless other disposition of these improvements has been made.
5. The market value of the property, or rights therein, being purchased is based upon a market value appraisal which is summarized in the Appraisal Summary Statement and such amount:
 - a. Is the full amount believed by the City to be just compensation for the property, or property rights, to be acquired;
 - b. Is not less than the approved appraisal of the fair market value of the property, or property rights, as improved;

EXHIBIT D

- c. Disregards any decrease or increase in the fair market value of the real property, or property rights, to be acquired prior to the date of valuation caused by the public improvement for which the property, or property rights, is to be acquired or by the likelihood that the property, or property rights, would be acquired for such public improvement, other than that due to physical deterioration within the reasonable control of the owner or occupant; and
 - d. Does not reflect any consideration of or allowance for any relocation assistance and payments or other benefits to which the owner may be entitled to receive under an agreement with the City of San Diego, except for an amount to compensate the owner for loss of goodwill, if any.
6. Pursuant to Civil Code of Procedure Section 1263.025 should you elect to obtain an independent appraisal, the City will pay for the actual reasonable costs of the appraisal up to a maximum amount of \$ 5,000, subject to the following conditions;
 - a. You, not the City, must order the appraisal. Should you enter into a contract with a selected appraiser the City of San Diego will not be party to the contract.
 - b. The selected appraiser must be licensed with the Office of Real Estate Appraisers (OREA).
 - c. Appraisal cost reimbursement requests must be made in writing and submitted to the City of San Diego Real Estate Assets Department, 1200 Third Ave., Suite 1700, San Diego, CA 92120 within 90 days of the earliest of the following:
 - (1) The date the selected appraiser requests payment from you for the appraisal;
 - or, (2) the date upon which you, or someone on your behalf, remitted full payment to the selected appraiser for the appraisal. Copies of the contract (if a contract was made), appraisal report, and invoice for completed work by the appraiser must be provided to the City concurrent with submission of the appraisal cost reimbursement request. The costs must be reasonable and justifiable and reimbursement will not exceed \$5,000.
7. The definition of "fair market value" is defined within eminent domain law (at California Code of Civil Procedure section 1263.320) as "the highest price on the date of valuation that would be agreed to by a seller, being willing to sell but under no particular or urgent necessity for doing so, nor obliged to sell, and a buyer, being ready, willing, and able to buy but under no particular necessity for so doing, each dealing with the other with full knowledge of all the uses and purposes for which the property is reasonably adaptable and available."
8. The owner of a business being conducted on the property to be acquired, or conducted on the remaining property which will be affected by the purchase of the required property, may be entitled to compensation for the loss of good will. "Goodwill" consists of the benefits that accrue to a business as a result of its location, reputation or dependability, skill or quality, and any other circumstances resulting in probable retention of old or acquisition of new patronage. Entitlement to compensation for loss of goodwill is

EXHIBIT D

contingent upon the business owner's ability to prove such loss in accordance with the provisions of sections 1263.510 and 1263.520 of the California Code of Civil Procedure, which read as follows:

§1263.510. Required Proofs.

- (a) The owner of a business conducted on a property taken or on the remainder if such property is part of a larger parcel, shall be compensated for loss of goodwill if the owner proves all of the following:
 - (1) The loss is caused by the taking of the property or the injury to the remainder.
 - (2) The loss cannot reasonably be prevented by a relocation of the business or by taking steps and adopting procedures that a reasonably prudent person would take and adopt in preserving the goodwill.
 - (3) Compensation for the loss will not be included in payments under section 7262 of the Government Code.
 - (4) Compensation for the loss will not be duplicated in the compensation otherwise awarded to the owner.
- (b) Within the meaning of this article, "goodwill" consists of the benefits that accrue to a business as a result of its location, reputation or dependability, skill or quality, and any other circumstances resulting in probable retention of old or acquisition of new patronage.

§1263.520. State Tax Returns to Be Made Available.

The owner of a business who claims compensation under this article shall make available to the court, and the court shall, upon such terms and conditions as will preserve their confidentiality, make available to the plaintiff, the state tax returns of the business for audit for confidential use solely for the purpose of determining the amount of compensation under this article. Nothing in this section affects any right a party may otherwise have to discovery or to require the production of documents, papers, books and accounts."

9. If you ultimately elect to reject the City's offer for your property or property rights therein, you are entitled to have the amount of compensation for said property, or rights therein, determined by a court of law in accordance with the eminent domain laws of the State of California.
