A RESOLUTION OF THE COUNCIL OF THE CITY OF SAN DIEGO SUMMARILY VACATING PORTIONS OF OTAY CENTER DRIVE, PASEO DE LA FUENTE, PASEO DE LA FUENTE NORTE AND AVENIDA DE LA FUENTE NORTE (RIGHT-OF-WAY VACATION NO. 1583505).

WHEREAS, California Streets and Highways Code section 8300 *et seq.* and Chapter 12, article 5, division 9 of the San Diego Municipal Code provide a procedure for the vacation of public rights-of-way by City Council resolution; and

WHEREAS, the City of San Diego (City) has a public right-of-way easement in an unimproved portion of Otay Center Drive, Paseo de la Fuente, and Paseo de la Fuente Norte, constituting approximately 1.345 acres (Parcel A); and

WHEREAS, the City has a public right-of-way easement in an unimproved portion of Paseo de la Fuente Norte containing 0.370 acre (Parcel B); and

WHEREAS, Parcel B is specifically that portion of Paseo de la Fuente Norte in the City of San Diego, County of San Diego, State of California, as dedicated to the City per De la Fuente Business Park – Unit 5, according to Map No. 12461 filed in the Office of the County Recorder of San Diego County September 21, 1989, more particularly described as in the legal description on attached Exhibit “A,” and shown on Drawing No. 39103-B attached as Exhibit “B”; and

WHEREAS, the City has a public right-of-way easement in improved parkway areas on both sides along Avenida de la Fuente Norte containing 0.125 acres each (Parcels C and D); and

WHEREAS, Parcels C and D are specifically those portions of Avenida de la Fuente Norte in the City of San Diego, County of San Diego, State of California, as accepted for public street purposes by the City of San Diego per Resolution No. R-274427 adopted on September 18, 1989 and recorded September 29, 1989 as File No. 89-526250 of Official Records, more particularly described in the legal description on attached Exhibit “A,” and shown on Drawing No. 39103-B attached as Exhibit “B”; and

WHEREAS, Parcels A, B, C, and D (the Parcels), are excess public rights-of-way and not required for street or highway purposes; and

WHEREAS, Carlos Avila of Rick Engineering, filed an application to vacate the Parcels, being described as Right-of-Way Vacation No. 1583505 (Vacation) and shown on Drawing No. 39103-B; and

WHEREAS, in connection with the Vacation, the City desires to reserve and except an easement for Pacific Bell Telephone Company dba AT&T California as it may from time to time require to construct, place, operate, inspect, maintain, repair, replace, and remove such

underground communication facilities (including ingress thereto and egress therefrom) consisting of wires, cables, conduits, pipes, manholes, handholes, service boxes, aboveground markers, risers, service pedestals, underground and above ground switches, fuses, terminals, terminal equipment cabinets, transformers with associated concrete pads, associated electrical conductors, necessary fixtures and appurtenances (AT&T Easement); and

WHEREAS, in connection with the Vacation, the City desires to reserve and except an easement for a perpetual easement unto Cox Communications California, LLC, a Delaware limited liability company, its successors and assigns, as it may require from time to time, to construct, place, operate, repair, maintain, replace, and remove aerial and/or underground telecommunications equipment consisting of one or more lines of cables, wires, conduits, pedestals, guys, anchors, and all necessary fixtures and appurtenances (Cox Easement); and

WHEREAS, in connection with the Vacation, the City desires to reserve and except an easement for San Diego Gas and Electric (SDGE) on the vacation of Avenida de la Norte, San Diego (SDGE Easement); and

WHEREAS, under Charter Section 280(a)(2), this resolution is not subject to veto by the Mayor because this matter requires the City Council to act as a quasi-judicial body, a public hearing was required by law implicating due process rights of individuals affected by the decision, and the Council was required by law to consider evidence at the hearing and to make legal findings based on the evidence presented; and

WHEREAS, the matter was set for public hearing on April 16, 2019, testimony having been heard, evidence having been submitted, and the City Council having fully considered the matter and being fully advised concerning the same; NOW, THEREFORE,

BE IT RESOLVED, by the Council of the City of San Diego, that with respect to the Vacation, the Council finds that:

(a) There is no present or prospective public use for the public right-of-way, either for the facility for which it was originally acquired or for any other public use of a like nature that can be anticipated.

The Parcels are located internally at Border Business Park within the Otay Mesa Community Planning area and are bounded by Airway Road to the north, Siempre Viva Road to the south, Harvest Road to the east, and La Media Road to the west. Parcels A and B are undeveloped and would revert to the adjacent parcels. Parcels C and D are adjacent to Avenida De La Fuente (a developed right-of-way) which was reduced from a four-lane collector to a two-lane road. The areas to be vacated are considered excess right-of-way. The Parcels are internal to the Border Business Park and would not impact the traffic circulation for the area, as shown by a traffic study that Development Services Department staff reviewed. Additionally, the Parcels are not listed as a required element in the Otay Mesa Community Plan Transportation and Mobility Element. Therefore, there is no present or prospective public use for the Parcels.

(b) The public will benefit from the action through improved use of the land made available by the vacation.

As discussed in finding (a), there is no present or prospective public use for the Parcels, currently dedicated as a public right-of-way. The Parcels contain approximately 1.965 acres or 85,595 square feet of public right-of-way adjacent to industrial zoned properties within the Border Business Park. The Parcels have no present or prospective use for street or highway purposes and are excess public rights-of-way. No development beyond the Vacation is proposed with this action, as the existing Border Business Park is currently developed with a variety of

industrial office/warehouse uses, commercial uses, auto and truck rental facilities. Parcels A and B are undeveloped and would revert to the adjacent parcels. Parcels C and D are adjacent to Avenida De La Fuente (a developed right-of-way) which was reduced from a four-lane collector to a two-lane road. The Vacation will benefit the property and business owners adjacent to the Parcels as the excess rights-of-way (1.965 acres) will be conveyed to private ownership. The public will benefit from the action because public funds will not be required to maintain land or the internal streets which no longer have any functional use as public rights-of-way and will allow the applicant to utilize the land in compliance with the applicable industrial uses allowed within the Industrial Base Zone.

(c) The vacation does not adversely affect any applicable land use plan.

The Parcels proposed to be vacated are located within Otay Mesa Community Plan area. The Border Business Park site is bounded by Airway Road (four-lane collector street) to the north, Siempre Viva Road (six-lane major arterial) to the south, Harvest Road (two-lane collector street) to the east, and La Media Road (four-lane collector street) to the west. Parcels A and B are undeveloped and would revert to the adjacent parcels. Parcels C and D are adjacent to Avenida De La Fuente (a developed right-of-way) which was reduced from a four-lane collector to a two-lane road. The areas to be vacated are considered excess right-of-way. The Parcels are internal to the Border Business Park and are not identified within Otay Mesa's Mobility Element – Roadway Classification. The Planning Department's Long-Range Planning staff determined that the Vacation is consistent with the Community Plan and Development Services Department's Transportation and Development staff determined the Vacation would not impede traffic circulation. Therefore, the Vacation does not adversely affect the Otay Mesa Community Plan.

(d) The public facility for which the public right-of-way was originally acquired will not be detrimentally affected by the vacation.

The Parcels are internal to the Border Business Park and would not impact the traffic circulation for the area. Parcels A and B are undeveloped and would revert to the adjacent parcels. Parcels C and D are adjacent to Avenida De La Fuente (a developed right-of-way) which was reduced from a four-lane collector to a two-lane road. The Parcels are not listed as a required element in the Otay Mesa Community Plan Transportation and Mobility Element. The areas to be vacated are considered excess right-of-way. Moreover, as discussed in finding (a), there is no present or prospective use for those areas proposed to be vacated. Therefore, the public facility for which these rights-of-way were originally acquired will not be detrimentally affected by the Vacation.

BE IT FURTHER RESOLVED, that the Parcels, as more particularly described in the legal description marked as Exhibit "A" and shown on Drawing No. 39103-B marked as Exhibit "B," which are by this reference incorporated herein and made a part hereof, are ordered vacated.

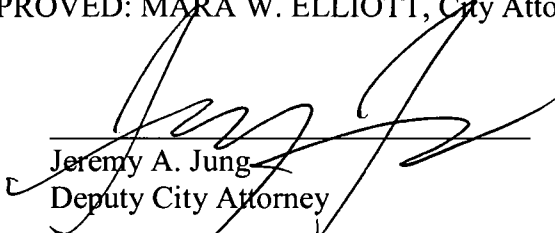

BE IT FURTHER RESOLVED, that the City of San Diego reserves and excepts from the Vacation the AT&T Easement, Cox Easement, and SDGE Easement.

BE IT FURTHER RESOLVED, that the easements reserved herein are in, under, over, upon, along, and across those portions of Otay Center Drive, Avenida De La Fuente Norte, Paseo De La Fuente Norte and Paseo De La Fuente vacated herein and as more particularly described in the legal description marked as Exhibit "A" and shown on Drawing No. 39103-B marked as Exhibit "B."

BE IT FURTHER RESOLVED, that the Development Services Department shall record a certified copy of this resolution with attached exhibits, attested by the City Clerk under seal, in the Office of the County Recorder.
