(R-2020-439)

RESOLUTION NUMBER R- 312947

DATE OF FINAL PASSAGE APR 15 2020

A RESOLUTION OF THE COUNCIL OF THE CITY OF  
SAN DIEGO ADOPTING A LIST OF PROJECTS FOR  
FISCAL YEAR 2021 FUNDED BY SENATE BILL 1:  
THE ROAD REPAIR AND ACCOUNTABILITY ACT OF 2017.

WHEREAS, Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 was passed by the Legislature and signed into law by the Governor in April 2017 to address the significant multi-modal transportation funding shortfalls statewide; and

WHEREAS, SB 1 includes accountability and transparency provisions that will ensure the residents of our City are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year; and

WHEREAS, the City must adopt by resolution a list of projects proposed to receive fiscal year funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

WHEREAS, the City will receive an estimated \$26,830,119 in RMRA funding in Fiscal Year 2021 from SB 1; and

WHEREAS, this is the fourth year in which the City is receiving SB 1 funding and will enable the City to continue essential road maintenance and rehabilitation projects, safety improvements, repairing and replacing aging bridges, and increasing access and mobility options for the traveling public that would not have otherwise been possible without SB 1; and

WHEREAS, the City has undergone a robust public process to ensure public input into our community's transportation priorities/the project list; and

WHEREAS, the City used a Pavement Management System to develop the SB 1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the community's priorities for transportation investment; and

WHEREAS, the proposed distribution of this funding is \$8,522,549 for slurry seal maintenance and \$18,307,570 for asphalt overlay resurfacing. The project list, including planned streets to be repaired using program revenues, is attached to this action as "City of San Diego - Fiscal Year 2021 Road Maintenance and Rehabilitation Account Project List"; and

WHEREAS, in Fiscal Year 2021, the Resurfacing Program plans to slurry seal 370 miles of streets, and this action will authorize the use of Fiscal Year 2021 RMRA funding to fully fund Slurry Seal Group 2121 and partially fund Slurry Seal Group 2122, which collectively will repair approximately 92 miles of streets; and

WHEREAS, in Fiscal Year 2021, the Resurfacing Program plans to repair 91 miles of asphalt streets, and this action will authorize the use of Fiscal Year 2021 RMRA funding to fully fund Asphalt Overlay Group 2010, Asphalt Overlay Group 2011, Asphalt Overlay Group 2012, and to partially fund Asphalt Overlay Group 2013, which will collectively repair approximately 29 miles of streets; and

WHEREAS, the RMRA funding will be allocated as follows: \$5,000,000 for Slurry Seal Group 2121, \$3,522,549 for Slurry Seal Group 2122, \$6,400,000 for Asphalt Overlay Group 2010, \$6,200,000 for Asphalt Overlay Group 2011, \$3,750,000 for Asphalt Overlay Group 2012 and \$1,957,570 for Asphalt Overlay Group 2013; and

WHEREAS, the SB 1 project list and overall investment in our local streets and roads infrastructure with a focus on basic maintenance and safety, investing in complete streets infrastructure, and using cutting-edge technology, materials and practices, will have significant positive co-benefits statewide; NOW, THEREFORE,

BE IT RESOLVED, by the Council of the City of San Diego, as follows:

1. That the foregoing recitals are true and correct.
2. That the "City of San Diego - Fiscal Year 2021 Road Maintenance and Rehabilitation Account Project List," attached as Exhibit A and on file in the Office of the City Clerk as Document No. RR- 312947, will be funded in-part or solely by RMRA revenues.
3. That the Mayor, or his designee, is authorized to advertise, award, and execute, for and on behalf of the City, the following construction contracts with the lowest responsible and reliable bidder, in an amount not to exceed \$5,000,000 for Slurry Seal Group 2121, \$6,400,000 for Asphalt Overlay Group 2010, \$6,200,000 for Asphalt Overlay Group 2011, and \$3,750,000 for Asphalt Overlay Group 2012, contingent upon the adoption of the Fiscal Year 2021 Appropriation Ordinance and contingent upon the Chief Financial Officer furnishing one or more certificates certifying that the funds necessary for expenditure are, or will be, on deposit with the City Treasury.
4. That the Chief Financial Officer is authorized to expend funds not to exceed \$5,000,000 for Slurry Seal Group 2121, \$6,400,000 for Asphalt Overlay Group 2010, \$6,200,000 for Asphalt Overlay Group 2011, and \$3,750,000 for Asphalt Overlay Group 2012 from Fund 200731, Road Maintenance and Rehabilitation Fund for the purpose of funding the construction

contracts, contingent upon the adoption of the Fiscal Year 2021 Appropriation Ordinance and contingent upon the Chief Financial Officer furnishing one or more certificates certifying that funds necessary for the construction contract expenditures are, or will be, on deposit with the City Treasury.

5. That the Chief Financial Officer is authorized to expend funds not to exceed \$3,522,549 to partially fund Slurry Seal Group 2122 and is authorized to expend funds not to exceed \$1,957,570 to partially fund Asphalt Overlay Group 2013 from Fund 200731, Road Maintenance and Rehabilitation Fund for the purpose of funding the construction contracts, contingent upon the adoption of the Fiscal Year 2021 Appropriation Ordinance and contingent upon the Chief Financial Officer furnishing one or more certificates certifying that funds necessary for the construction contract expenditures are, or will be, on deposit with the City Treasury.

2016

**Additional Information: ?**

The City of San Diego, using its pavement management system, has identified projects S2121, S2122, AC2010, AC2011, AC2012, and AC2013 for RMRA funding. The pavement management system takes into account OCI, maintenance history, road classification, and proximity to emergency facilities and schools to determine the most cost effective resurfacing application to improve the road condition.

**Project Flexibility:**

Pursuant to SHC Section 2034(a)(1), this project list shall not limit the flexibility of an eligible city or county to fund projects in accordance with local needs and priorities, so long as the projects are consistent with SHC Section 2030(b). After submittal of the project list to the Commission, in the event a city or county elects to make changes to the project list pursuant to the statutory provision noted above, formal notification of the Commission is not required. However, the Project Expenditure Report form that is due to the Commission by October 1st each year, will provide an opportunity for jurisdictions to annually communicate such changes to the Commission as part of the regular reporting process.
