

RESOLUTION NUMBER R- 313099  
DATE OF FINAL PASSAGE JUN 18 2020

A RESOLUTION CERTIFYING AN ADDENDUM TO ENVIRONMENTAL IMPACT REPORT NO. 104495 FOR GENERAL PLAN HOUSING ELEMENT UPDATE FOR 2021-2029.

WHEREAS, the City of San Diego is preparing its General Plan 6th Cycle Housing Element update for 2021-2029 (Project); and

WHEREAS, on March 10, 2008, the City Council adopted Resolution No. R-303472, Certifying Environmental Impact Report No. 104495, for the General Plan, a copy of which is on file in the Office of the City Clerk in accordance with the California Environmental Quality Act of 1970 (CEQA) (Public Resources Code Section 21000 et seq.), as amended, and the State CEQA Guidelines thereto (California Code of Regulations, Title 14, Chapter 3, Section 15000 et seq.); and

WHEREAS, State CEQA Guidelines section 15164(a) allows a lead agency to prepare an Addendum to a final Environmental Impact Report if such Addendum meets the requirements of CEQA; NOW, THEREFORE,

BE IT RESOLVED, by the Council of the City of San Diego as follows:

1. That the information contained in the final Environmental Impact Report No. 104495 along with the Addendum thereto, including any comments received during the public review process has been reviewed and considered by this Council prior to making a decision on the Project.

2. That there are no substantial changes proposed to the Project and no substantial changes with respect to the circumstances under which the Project is to be undertaken that would require major revisions in the Environmental Impact Report for the Project.

3. That no new information of substantial importance has become available showing that the Project would have any significant effects not discussed previously in the Environmental Impact Report or that any significant effects previously examined will be substantially more severe than shown in the Environmental Impact Report.

4. That no new information of substantial importance has become available showing that mitigation measures or alternatives previously found not to be feasible are in fact feasible, which would substantially reduce any significant effects, but that the Project proponents decline to adopt, or that there are any considerably different mitigation measures or alternatives not previously considered which would substantially reduce any significant effects, but that the Project proponents decline to adopt.

5. That pursuant to State CEQA Guidelines section 15164, only minor technical changes or additions are necessary, and therefore, the Council adopts Addendum to Environmental Impact Report No. 104495 with respect to the Project, a copy of which is on file in the office of the City Clerk.

APPROVED: MARA W. ELLIOTT, City Attorney
