WHEREAS, all exhibits referenced in this Ordinance are attached to and incorporated into this Ordinance; NOW, THEREFORE,

BE IT ORDAINED, by the Council of the City of San Diego, as follows:

Section 1. SALARIES ESTABLISHED FOR ELECTED AND APPOINTED OFFICERS

On November 6, 2018, City voters approved Measure L, which amended the Charter to remove the requirement that City Councilmembers set their salaries and those of the Mayor and the City Attorney, requiring instead that the Chief Financial Officer determine the salaries of the Councilmembers, Mayor, and City Attorney based on a specified formula, beginning December 10, 2020.

Charter section 12.1 provides that effective December 10, 2020, the salary paid to the City Councilmembers will be 60% of the salary prescribed by law and as adjusted by law for judges of the Superior Court for the State of California. Charter section 12.1 further provides that

effective December 10, 2022, the salary paid to the City Councilmembers will be 75% of the salary prescribed by law and as adjusted by law for judges of the Superior Court for the State of California.

Charter section 24.1 provides that effective December 10, 2020, the salary paid to the Mayor will be equal to the salary prescribed by law and as adjusted by law for judges of the Superior Court for the State of California.

Charter section 40 provides, in pertinent part, that effective December 10, 2020, the salary paid to the City Attorney will be equal to the salary prescribed by law and as adjusted by law for judges of the Superior Court for the State of California, provided that the salary of the City Attorney may not be decreased during a term of office.

Charter section 11.1 requires the Chief Financial Officer to determine the salary prescribed by law and as adjusted by law for judges of Superior Court of the State of California, and to set and adjust the salaries of the City Councilmembers, Mayor, and City Attorney.

Charter sections 125 and 126, read together, require the Personnel Director to maintain and certify payroll records, known as the “service register,” of all employees, including elected officers. The Personnel Director must certify that the persons named in the Service Register “have been elected, appointed or employed and are performing service in accordance with the provisions of th[e] Charter and the rules established thereunder, that their names appear upon the service register for the time for which such salary or compensation is claimed and that the salary or compensation is at the rate indicated on such register.” Under Charter section 125, the City Clerk must also maintain and provide information about the City’s elected officers.

To satisfy these Charter-mandated duties, the City Council requests that the Chief Financial Officer, upon determining and adjusting the salaries of the City Councilmembers, Mayor, and City Attorney as required by law, provide the salary information by memorandum to

the Personnel Director and the City Clerk and also make the memorandum available to the public. The City Council also requests that a copy of this memorandum be submitted for the public's information and benefit when the Mayor presents the proposed Salary Ordinance to the City Council for consideration each April.

Following the Chief Financial Officer's determination and adjustment of salaries for elected officers, any elected officer may voluntarily choose to receive a reduction in the salary prescribed by law, so long as any applicable minimum wage requirements are met, by submitting a Personnel Change Request (CS-1522) to the Personnel Director.

No elected officer accrues annual leave. The salaries of appointed officers in the Unclassified Service, including the City Clerk, Independent Budget Analyst, City Auditor, and other employees described in San Diego Charter section 117(a), may be modified during the Fiscal Year, following a performance review, as long as the modified salary is consistent with Exhibits C-1 and C-2 of this Ordinance and the appointing authority complies with the Ralph M. Brown Act, if applicable.

Section 2. SALARY /WAGE SCHEDULES ESTABLISHED

Section 2.1. Unclassified Service

The City Council adopts the "Unclassified Service Classifications and Standard Salary/Wage Rates," as the salary/wage schedule for all City officers and employees in the Unclassified Service. Exhibits C-1 and C-2 establish the Classification and Standard Salary/Wage Rates for Fiscal Year 2023. Exhibit C-1 is in effect from July 1, 2022 through December 31, 2022. Exhibit C-2 is in effect from January 1, 2023, through June 30, 2023. These exhibits reflect California's minimum wage rate of \$15.00 an hour, in effect since January 1, 2022.

For comparison purposes, Exhibits C-1 and C-2 set forth monthly, bi-weekly, and hourly salary/wage rates for all employees in the Unclassified Service.

The City Council adopts an “Executive” category within the Unclassified Service with classifications of Executive I through Executive V, for all officers and employees serving in the positions listed under “Executive” in Exhibits C-1 and C-2. The City Council adopts a “Managerial” category within the Unclassified Service with classifications of Managerial A, B, and C, for all officers and employees serving in the positions listed under “Managerial” in Exhibits C-1 and C-2. The City Council adopts a “Miscellaneous Executive and Managerial” category within the Unclassified Service with classifications A through E, and a “Professional Legal” category within the Unclassified Service, as set forth in Exhibits C-1 and C-2. The City Council also adopts the wage rates for Interns. The salary and wage rates and ranges listed in Exhibits C-1 and C-2 may be changed only by City Council action.

All employees in the Unclassified Service, who are unrepresented, will receive a general salary/wage increase of 5%, effective July 1, 2022, with the exception of unrepresented Deputy City Attorneys, who will receive a 4% general salary increase effective July 1, 2022, and a 2% general salary increase effective January 1, 2023, to be consistent with the increases for the Deputy City Attorneys represented by the DCAA. The standard salary/wage rates set forth in Exhibits C-1 and C-2 have been adjusted to allow for this general salary/wage increase.

The City Council authorizes moving the following classifications from Executive III (Salary Rate 2030) to Executive IV (Salary Rate 2041) in Exhibits C-1 and C-2: City Librarian (Classification Number 2140), Real Estate Assets Director (Classification Number 2177), Risk Management Director (Classification Number 2157), Treasurer (Classification Number 2190), and Assistant Fire Chief (Classification Number 2154). These modifications will result in higher base rates of pay to ensure consistent compensation for the Directors of Mayoral Departments, as discussed and requested in the memorandum dated April 5, 2022 (revised), from the Chief Financial Officer.

The City Council also authorizes moving the Financial Operations Manager (Classification Number 2217) and Assistant City Clerk (Classification Number 2108) from Miscellaneous B (Salary Rate 2045) to Managerial C (Salary Rate 2077) in Exhibits C-1 and C-2, resulting in higher base rates of pay as discussed and requested in the memorandum dated April 5, 2022 (revised), from the Chief Financial Officer.

The City Council authorizes moving the Personnel Director (Classification Number 2171) from Miscellaneous A (Salary Rate 2055) to Executive IV (Salary Rate 2041), the Deputy Personnel Director (Classification Number 2230) from Miscellaneous B (Salary Rate 2045) to Managerial C (Salary Rate 2077), and the Equal Employment Investigations Manager (Classification Number 2158) from Miscellaneous D (Salary Rate 2025) to Managerial C (Salary Rate 2077) in Exhibits C-1 and C-2, resulting in higher base rates of pay as discussed and requested in the memorandum dated February 7, 2022, from the Civil Service Commission President.

The City Council further authorizes a 25% increase to the salary rate categories for the Executive V category in Exhibits C-1 and C-2 to allow for a competitive recruitment process for the Chief Operating Officer, and a 15% increase to the salary rate categories for the Executive IV, Executive III, Executive II, Executive I, Managerial A, Managerial B, Managerial C, Professional Legal, Miscellaneous A, Miscellaneous B, Miscellaneous C, Miscellaneous D, and Miscellaneous E categories to provide departments with more salary flexibility when hiring new employees, retaining current employees, and addressing salary compaction and compression issues as discussed and requested in the memorandum dated April 5, 2022 (revised), from the Chief Financial Officer.

Section 2.2. Classified Service

For all positions in the Classified Service, the City Council adopts the “Classified Service Classes and Standard Rates,” attached to this Ordinance as Exhibit B. The Standard Rate Number in Exhibit B is also referred to as the Classification Number. Exhibit B sets forth all approved classifications in the Classified Service, including those classifications recommended by the Civil Service Commission for approval by the City Council, which are now approved by this Ordinance. Exhibit B also reflects classifications deleted from the Classified Service and classifications determined to be “terminal,” meaning no new employees will be hired into them.

The City Council adopts the salary/wage table, attached to this Ordinance as Exhibit A-1, for July 1, 2022, through December 31, 2022, and Exhibit A-2, for January 1, 2023, through June 30, 2023, for all employees in the Classified Service. These exhibits reflect the California minimum wage rate of \$15.00 an hour, effective January 1, 2022.

For comparison purposes, Exhibits A-1 and A-2 set forth hourly and biweekly salary/wage rates for employees in the Classified Service.

Classified employees in fire suppression positions, who work a 28-day work period, are subject to the partial exemption under the FLSA, as set forth in Section 4.3 of this Ordinance. The wage rate for fire suppression employees, who work a 28-day work period and are subject to the partial exemption under the FLSA, is established by dividing the 40-hour workweek rate for the fire classifications by 1.4. This suppression rate is expressly reflected in Exhibits A-1 and A-2. The Comptroller, working with the Personnel Director, is authorized to make any additional adjustments to wage rates for fire suppression employees who work a 28-day work period, as agreed upon by the City and Local 145 or required under the FLSA.

The pay steps for all Classified Service classifications, as set forth in Exhibits A-1 and A-2, are calculated and established at approximately five percent increments. However, the Accountant IV class has a minimum and a maximum wage rate, but no intermediate steps. Employees in the Accountant IV class may be paid any amount within the minimum and maximum wage rates, at the appointing authority's discretion. All employees in the Classified Service, who are unrepresented, will receive a general salary/wage increase of 5%, effective July 1, 2022. The standard salary/wage rates set forth in Exhibits A-1 and A-2 have been adjusted to document this general salary/wage increase.

Section 2.3. Special Salary or Wage Adjustments

Charter section 130 requires the City's Civil Service Commission to prepare and furnish to the City Council, prior to adoption of this Ordinance, a report identifying classifications of employees in the Classified Service, which merit special salary consideration because of recruitment and retention problems, changes in duties or responsibilities, or other special factors the Civil Service Commission deems appropriate. The recommendations of the Civil Service Commission are advisory and must be approved by the City Council to take effect. The City Council acknowledges that it has received and considered the Civil Service Commission's report, as required by Charter section 130.

Any special salary or wage adjustments previously approved by the City Council, by approval of MOUs between the City and its recognized employee organizations, are incorporated into this Ordinance.

Section 2.4. Represented Employees

Every employee working in a classification that is represented by a recognized employee organization will receive salaries or wages consistent with the applicable MOU and set forth in the salary and wage tables at Exhibits A-1, A-2, C-1, or C-2, or as otherwise authorized in accordance with the MMBA.

As set forth more fully in Section 7 of this Ordinance, the City Council authorizes the Chief Financial Officer to pay all special pays, including certification pays and other special assignment pays, incorporated into MOUs between the City and its recognized employee organizations and approved by separate City Council action.

Section 2.5. Pay Reductions

Effective July 1, 2006, and continuing in Fiscal Year 2023, subject to compliance with the MMBA and City Council Policy 300-06, employees in the SDPOA and DCAA bargaining units who are participating in the Deferred Retirement Option Plan (DROP) must take a 3.2% reduction in Base Compensation, as that term is defined in Municipal Code section 24.0103.

Section 2.6. Ratification of Side Letter Agreements

The City Council ratifies a Side Letter Agreement between the City's management team and MEA, dated July 7, 2021, related to certain compensation changes for MEA-represented employees, and the City Council approves the changes, by this Ordinance. Specifically, effective July 1, 2022, the Power Plant Superintendent classification will receive a 20% special salary adjustment. The Side Letter Agreement was necessary to establish an appropriate supervisory differential between the Senior Power Plant Supervisor classification and the Power Plant Superintendent classification due to the 20% of base pay increase received by the Senior Power Plant Supervisor classification effective July 1, 2019. The changes in compensation are reflected in Exhibits A-1 and A-2.

The City Council ratifies a Side Letter Agreement between the City's management team and MEA, dated September 9, 2021, related to certain compensation changes for MEA-represented employees, and the City Council approves the changes, by this Ordinance. Specifically, MEA agreed that the 10% special salary adjustments that went into effect on January 1, 2022, for the Assistant Procurement Contracting Officer and Procurement Contracting Trainee classifications will be rescinded, effective July 1, 2022. MEA also agreed to the rescission of the 10% special salary adjustments that were going to take effect on January 1, 2023, for the Procurement Contracting Trainee, Assistant Procurement Contracting Officer, Associate Procurement Contracting Officer, Senior Procurement Contracting Officer, and Supervising Procurement Contracting Officer classifications. The Side Letter Agreement was necessary to establish comparable pay between Procurement Contracting Officers and Contracting Specialists for performing similar work.

Section 3. AUTHORIZATION TO USE DEFINED TERMS AND MAKE COMPUTATIONS

The Chief Financial Officer is authorized to use an employee's "base rate" of pay and "scheduled workweek," as defined in the Personnel Manual Index Code H-4, to compute vacations, leaves of absence, pay upon separation of employment, and, for employees represented by Local 145, the amount of time a Member may extend their DROP participation period pursuant to Municipal Code section 24.1402(b)(8). The Chief Financial Officer is further authorized to establish and use appropriate computations to determine vacations, other leaves of absence, pay upon separation of employment and other benefits for part-time employees and employees in the classifications listed in the Personnel Manual Index Code H-4, Addendum A, Group E (fire classes), in accordance with City Council-approved MOUs, Civil Service Rules, Personnel Regulations, and applicable law.

Section 4. OVERTIME COMPENSATION

Section 4.1. Overtime Pay Plan

As stated in Council Policy 300-02, adopted by San Diego Resolution R-217487 (Jan. 12, 1977) and amended by San Diego Resolution R-222521 (Jan. 2, 1979), the City Council has recognized that it is necessary for the efficient and effective administration of the City's government to call upon employees to work in excess of their normal working hours in certain circumstances, with the need for overtime to be determined by the Mayor or designee, or independent department director.

The City Council has established local overtime rules for certain employees, as specified in Council Policy 300-02 and Personnel Manual Index Code H-4. Local overtime is City-authorized working time beyond an employee's normally scheduled hours. This overtime compensation must be paid in accordance with the provisions of Personnel Manual Index Code H-4 and Council-approved MOUs. The local overtime rules distinguish between "regular rate overtime," which is compensation for overtime worked at the employee's "base rate" of pay, and "premium rate overtime," which is compensation at one and one-half times the employee's "base rate" of pay.

The City Council must also ensure compliance with the FLSA. This federal law requires the City to pay those employees covered by the FLSA with overtime pay for hours worked over 40 per workweek, which is defined as any fixed and regularly recurring period of 168 hours or seven consecutive 24-hour periods, at a rate of not less than one and one-half times the regular rate of pay as that term is defined by the FLSA. Certain employees may be exempt from the overtime protections of the FLSA based on their job duties and salary or wage level.

The City uses a “dual calculation method” of determining overtime compensation. When an employee is eligible for overtime compensation, the City calculates the overtime compensation required to be paid under any approved MOU and the City’s local overtime rules and the overtime compensation required to be paid under the FLSA. After comparing the two amounts, the City pays the employee the higher overtime compensation.

If an employee receives compensatory time in lieu of overtime, the following standard compensatory time accounting method applies, unless the employee is represented by a recognized employee organization and the City Council has approved a different compensatory time accounting method for those represented employees. Under the standard compensatory time accounting method, the City will pay the premium portion of the overtime compensation, as calculated in accordance with the FLSA or local overtime rules and any Council-approved MOU, when the overtime is earned. The employee may receive the base hour associated with the time worked in their compensatory time bucket. The employee may use the base hour for leave or may cash it out throughout the calendar year in which it is earned. At the end of the calendar year, the City will cash out any remaining balance in the employee’s compensatory time bucket on the last pay day of the calendar year.

The Civil Service Commission designates classifications that are covered by and exempt from local overtime rules and the FLSA. This designation must be approved by the City Council in accordance with San Diego Charter sections 11.1 and 130 and Council Policy 300-02.

Section 4.2. Use of the Term “Salary”

Charter section 11.1 requires the City Council to adopt an ordinance each year “establishing salaries for all City employees, except the City’s elective officers.” The Charter refers to this ordinance as the “Salary Ordinance.”

Notwithstanding the use of the term “salary” in the Charter and other City rules and regulations, certain, specified employees are covered by federal overtime requirements. Therefore, the use of the term “salary” in the Charter and in this Ordinance, including in the attached tables, is intended to mean “compensation” broadly, and is not intended to infer or imply that each employee receiving a “salary” is paid a fixed amount of compensation each week that does not change, regardless of actual work performed or accrued leave available or used.

In addition, under the City’s local rules, employees who work as “salaried” means they work on a regular basis for 40 or more hours each pay period and for a substantial period of time over a year-long period, and, as such, they are provided with a specified level of flexible benefits, as set forth in Personnel Manual H-5. “Salaried” employees are not hired for temporary, on-call, or seasonal work that may fluctuate given differing workload and staffing needs.

Generally, unless there is an express exception, employees in the Unclassified Service are paid a salary that is a fixed amount of compensation; they are regularly scheduled to work and, in accordance with the FLSA, their compensation is regularly paid and not reduced for variations based on actual work performed or accrued leave available or used. However, there are some positions in the Unclassified Service who are “hourly” employees; their work schedules and work hours may fluctuate each week and they may not work the same number of hours each workweek. These “hourly” employees must record all hours worked each week on approved time sheets.

Generally, employees in the Classified Service, who are regularly scheduled to work one-half time (20 hours per week), three-quarter time (30 hours per week), or full-time (40 hours per week), are characterized as “salaried,” because they are regularly scheduled, their pay is not typically reduced, unless there is specific action by their appointing authority or the City Council, and they receive a specified level of flexible benefits. However, these employees must record all

hours worked each week on approved time sheets, unless they are covered by an MOU which provides for other approved means to record working time. In addition, this characterization as being “salaried,” as applied to Classified Service employees, does not govern the payment of or their right to overtime, which is covered by the FLSA and specific local rules set forth in approved MOUs, Civil Service Rules, Personnel Regulations, and other applicable law, as described more fully below.

Section 4.3. Classified Employees and Compliance with the Local Overtime Rules

Employees in the classifications listed in the Personnel Manual Index Code H-4, Addendum A, Groups A, B, C, and D, and as approved by the City Council by resolution each fiscal year, are eligible for local overtime in accordance with the rules set forth in the Personnel Manual and City Council-approved MOUs.

Employees in the classifications listed in the Personnel Manual Index Code H-4, Addendum A, Group E (fire classes), and as approved by the City Council by resolution each fiscal year, are eligible for local overtime in accordance with the rules set forth in the Personnel Manual and City Council-approved MOUs.

Employees in the classifications listed in Personnel Manual Index Code H-4, Addendum A, Group F, and as approved by the City Council by resolution each fiscal year, who are paid on a one-half time (20 hours per week), three-quarter time (30 hours per week), or full-time (40 hours per week), salaried basis, are not eligible for local overtime.

Employees in the classifications listed in Personnel Manual Index Code H-4, Addendum A, Group F, and as approved by the City Council by resolution each fiscal year, who are paid on an “hourly” basis, are eligible for “regular rate” compensation for all time worked in excess of their scheduled workweek up to 40 hours per week.

As set forth in section 4.1, effective July 1, 2021, the City implemented a “dual calculation method” of determining overtime compensation for those unrepresented and represented employees eligible for overtime.

Section 4.4. Classified Employees and Compliance with the FLSA

Employees in the classifications listed in the Personnel Manual Index Code H-4, Addendum A, Groups A, B, C, and D, are covered by the FLSA and will receive overtime computed in accordance with the FLSA, including all applicable law interpreting the FLSA.

Employees in the classifications listed in Group E (fire classes), whose normal work schedule is 40 hours per week, are eligible for overtime based on a 40-hour workweek, in accordance with the FLSA and all applicable law interpreting the FLSA.

Employees in the classifications listed in Group E (fire classes), whose normal work schedule is more than 40 hours per workweek, are covered by the FLSA partial exemption at 29 U.S.C. section 207(k) and are eligible for overtime, in accordance with the FLSA and all applicable law interpreting the FLSA, after they have worked more than 212 hours in a 28-day work period.

Employees in classifications listed in the Personnel Manual Index Code H-4, Addendum A, Group F, are exempt from the overtime requirements of the FLSA, provided that the employees meet exemption job duty requirements and are paid the minimum salary each week to satisfy the salary basis requirements as defined in 29 C.F.R. § 541.600 (2016), if in effect, or any subsequent federal law or regulation binding on the City.

As set forth in section 4.1, effective July 1, 2021, the City implemented a “dual calculation method” of determining overtime compensation for those unrepresented and represented employees eligible for overtime.

Section 4.5 Unclassified Employees and Compliance with Local Overtime and the FLSA

Unclassified employees, who are salaried, are not eligible for local overtime. These employees are also exempt from the overtime requirements of the FLSA, provided that the employees meet exemption job duty requirements and are paid the minimum salary each week to satisfy the “salary basis” requirements as defined in 29 C.F.R. § 541.600 (2016), if in effect, or any subsequent federal law or regulation binding on the City.

Employees in the Unclassified Service, who are paid on an “hourly” basis, are eligible for “regular rate” compensation for all time worked in excess of their scheduled workweek up to 40 hours per week. Further, they are covered under the FLSA and must be paid overtime for all time worked in excess of 40 hours in their workweek, but they may not receive compensatory time credits in lieu of pay.

As set forth in section 4.1, effective July 1, 2021, the City implemented a “dual calculation method” of determining overtime compensation for those unrepresented and represented employees eligible for overtime.

Provisional employees, including those working in an unclassified position, are considered “hourly.”

Section 4.6. Time Entry for Exempt Employees

Warrant checks issued for salaries paid to FLSA-exempt officers and employees must be for the appropriate amount within the salary or wage range attached to the position in Exhibits A-1 and A-2 (for classified employees and interns) or Exhibits C-1 and C-2 (for unclassified employees), or as set forth in section 1 of this Ordinance for the Mayor, City Council, and City Attorney, and for additional amounts authorized in this Ordinance.

Time entry documentation and time sheet posting for an FLSA-exempt employee may not reflect hours worked in excess of the employee's regular working hours per biweekly pay period, even though the employee may work differing hours as a result of varying duties, responsibilities, and time demands. FLSA-exempt employees, except as otherwise specifically authorized, do not receive pay or credit for hours worked in excess of 40 hours in a workweek and 80 hours in a biweekly pay period.

Further, the Chief Financial Officer is expressly authorized to pay FLSA-exempt employees a full-day wage for absences of less than one workday. In accordance with 29 C.F.R. § 541.602, an FLSA-exempt employee is paid on a "salary basis," to meet an overtime exemption requirement, if the employee regularly receives each pay period a predetermined amount of compensation, which is not subject to reduction because of variations in the quality or quantity of the work performed. The City Council intends to ensure consistency with this requirement and to also recognize that FLSA-exempt employees may be called to work outside of their regular working hours, without additional compensation. Therefore, no deduction from an employee's pay, leave credits, or other monetary accounts will be made to recover the cost of a partial-day absence. The City Council determines that this practice does not constitute a gift of public funds because it is in the best interests of the City to ensure that FLSA-exempt employees, who are generally executive, managerial, or professional staff, may work outside of regular working hours, when required, without additional compensation.

The Mayor and independent department directors are responsible for administering the time documentation and time posting process and limits, subject to review by the Personnel Director and Chief Financial Officer.

The provisions in this Ordinance are intended to fully comply with the FLSA overtime exemption requirements as interpreted by the courts. If the FLSA is reinterpreted by the courts or amended in a way that results in this provision conflicting with the FLSA's overtime exemption or other requirements, the Mayor, in conjunction with the Personnel Director and the Chief Financial Officer, is authorized to take whatever actions are legally required to implement further revisions to the City's pay policies.

Section 5. COMPLIANCE WITH CALIFORNIA MINIMUM WAGE LAW

Labor Code section 1182.12(b)(1)(B) states that employers, who employ 26 or more employees, must pay their employees at least \$15.00 per hour on and after January 1, 2022.

Exhibits A-1, A-2, C-1, and C-2 conform to Labor Code section 1182.12. Exhibits A-1 and A-2 reflect that the base rate of pay at E Step for all classifications in the Classified Service is no less than the California minimum wage. Exhibits C-1 and C-2 establish at least one pay rate in all ranges that is at least the California minimum wage. Appointing authorities are to ensure that no City employee is paid less than the California minimum wage in Fiscal Year 2023. The City is also in compliance with federal minimum wage laws.

Section 6. COMPLIANCE WITH LOCAL MINIMUM WAGE UNDER SAN DIEGO ORDINANCE O-20390

On June 7, 2016, City voters approved San Diego Ordinance O-20390 (Aug. 18, 2014), codified at Municipal Code sections 39.0101 through 39.0116, which, in part, established a minimum wage of \$10.50 upon the ordinance's effective date, \$11.50 an hour on January 1, 2017, and increasing with the cost of living on January 1, 2019, and annually thereafter.

This Ordinance, in part, as codified at Municipal Code section 39.0107(b)(3), provides:

Starting January 1, 2019, and each year thereafter, the Minimum
Wage increases by an amount corresponding to the prior year's

increase, if any, in the cost of living. The prior year's increase in the cost of living is measured by the percentage increase, if any, as of August of the immediately preceding year over the level as of August of the previous year of the Consumer Price Index (Urban Wage Earners and Clerical Workers, U.S. City Average for all Items) or its successor index as published by the U.S. Department of Labor or its successor agency, with the amount of the minimum wage increase rounded to the nearest multiple of five cents. The adjusted Minimum Wage will be announced by the City by October 1 of each year, and will become effective as the new Minimum Wage on January 1 of the succeeding year.

San Diego Ordinance O-20390 also provides that, if the federal or state minimum wage increases above the local minimum wage, then the local minimum wage must be raised to match the higher federal or state minimum wage.

Exhibits A-1, A-2, C-1, and C-2 conform to San Diego Ordinance O-20390. Effective January 1, 2022, the local minimum wage is \$15.00 an hour, consistent with state minimum wage. Exhibits A-1 and A-2 reflect that the base rate of pay at E Step for all classifications in the Classified Service is no less than the local minimum wage. Exhibits C-1 and C-2 establish at least one pay rate in all ranges that is at least the local minimum wage. Appointing authorities are to ensure that no City employee is paid less than the local minimum wage in Fiscal Year 2023.

If a cost-of-living increase, identified by October 1, 2022, requires the local minimum wage to be raised higher than the state minimum wage, then the Chief Financial Officer and Personnel Director are authorized to administratively adjust the wages of any employee falling below the local minimum wage, as of January 1, 2023, to insure the employee is earning the

local minimum wage, as legally required. The City Council intends to pay all City employees no less than what is required by state minimum wage and local minimum wage.

Section 7. ELIGIBILITY FOR SPECIAL PAYS

Section 7.1. Shift Differential and Other Shift-Related Pays

The City Council authorizes the Shift Differential pay, as defined in the Personnel Manual at Index Code H-6, and any other shift-related add-on pay, as authorized by a City Council-approved MOU between the City and any recognized employee organization. These shift-related pays are considered extra compensation for eligible employees, who must work for significant periods of time substantially unusual for their employment classifications, such as night shifts, split shifts, split weekend shifts, and other unusual schedules, as defined in the Personnel Manual or approved MOUs.

Section 7.2. Call Back Pay

An eligible employee who has been released from work and has left the work premises will, if called back to duty, be paid for the reasonable estimate of the time required for the employee to travel from and to his or her residence and the work area and for the time the employee actually works, as more fully described in Personnel Manual Index Code H-4 and applicable MOUs between the City and its recognized employee organizations.

Section 7.3. Stand-By Pay

An eligible employee who is required to be within immediate reach by telephone and ready to report to work without delay, other than necessary dressing and travel time, during all hours and days other than the employee's regularly scheduled working hours, will receive stand-by pay of approximately five percent of his or her regular rate of pay, as more fully described in Personnel Manual Index Code H-7.

Section 7.4. Special Assignment Pay

Special assignment pay is also known as add-on pay or specialty pay. It is the intent of the City Council that the special assignment pay program is authorized by the City Council on an annual basis, subject to the MMBA and City Council Policy 300-06 for represented employees. Special assignment pay is not a property right or continuing vested entitlement to extra pay from year to year.

For represented employees, special assignment pay is limited to the amount set forth in the applicable MOU. For unrepresented employees, special assignment pay is limited to the amount set forth in the Personnel Manual. Special assignment pay is in addition to salaries and other amounts established in this Ordinance.

Special assignment pay applies only during the period of the employee's eligibility, which is determined by the Mayor or independent appointing authority, consistent with City Council-approved MOUs and Civil Service Rules, Personnel Regulations, and Administrative Regulations.

Special assignment pay must be appropriately identified and designated on all official payrolls and all other records pertaining to the employee's pay.

The City Council acknowledges that special assignment pays may fall within the definition of "base compensation," at Municipal Code section 24.0103 as "base salary or wages paid (standard hours multiplied by the hourly rate) on a regular bi-weekly basis to an employee for his or her services in any given pay period," for purposes of calculating an employee's pension under the City's defined benefit pension plan. Any new special assignment pays or other pays, approved by the City Council through this Ordinance or an MOU between the City and a recognized employee organization, must be included in the "Earnings Code Document," as set forth in Municipal Code section 24.0103. The "Earnings Code Document" is prepared annually

by Mayoral staff including staff with the Department of Finance, in consultation with the Personnel Director and Retirement Administrator. The City Council requests that the “Earnings Code Document,” once completed, following final approval of this Ordinance, be filed with the Office of the City Clerk, as Document Number 00-21453.

Section 7.5. Bilingual Pay

The City will pay \$.70 per hour as bilingual pay, in addition to base pay, to an eligible employee who is not represented by the SDPOA or Local 145, when the employee meets the established conditions for the pay. For an eligible employee represented by SDPOA or Local 145, the City will pay an extra 3.5% of the employee’s base wages as bilingual pay.

Employees will receive bilingual pay on an ongoing basis when the following conditions are satisfied: (1) the appropriate appointing authority certifies that the employee is serving in a position that requires knowledge and use of American Sign Language or a language other than English in performing his or her duties, (2) the language has been approved for additional pay in the Personnel Manual or applicable MOU, and (3) the employee has satisfactorily demonstrated his or her bilingual ability pursuant to an examination administered by the Personnel Department.

Employees represented by Local 911, MEA, and SDPOA may receive bilingual pay for incidental use of specified languages other than English, during the pay period when the language was used, in accordance with the rules set forth in their approved MOUs.

Other employees may receive bilingual pay for incidental use of a language other than English during the pay period when the language was used, without having to pass the Personnel Department language fluency examination, when the employee’s appointing authority requests or directs the employee to use the language as part of his or her job duties and certifies the use to the Personnel Department.

Section 7.6 Recruitment Incentive and Sanitation Driver Sign-On Bonus Program

The City Council authorizes the cash payments under the Sanitation Driver Recruitment Incentive Program (RIP), which was approved by San Diego Resolution R-313807 (Dec. 9, 2021) and R-313808 (Dec. 9, 2021). All active classified employees in the Environmental Services Department are eligible to receive incentive award pay for referring applicants for the Sanitation Driver Trainee and Sanitation Driver II classifications. The incentive award pay under the RIP must be appropriately identified and designated on all official payroll records and all other records pertaining to an employee's pay.

The City Council also authorizes the cash payments under the Sanitation Driver Sign-on Bonus Program (SBP), which was approved by San Diego Resolution R-313808 (Dec. 9, 2021). All applicants hired into a full-time, permanent vacancy as either a Sanitation Driver Trainee or Sanitation Driver II are eligible to receive the bonus pay. The bonus pay under the SBP must be appropriately identified and designated on all official payroll records and all other records pertaining to an employee's pay.

Section 7.7 Chief Park Ranger Uniform Reimbursement

The City Council authorizes the reimbursement of uniform expenses for the Chief Park Ranger upon hire, as described in the Parks and Recreation Department Director's March 22, 2022, memorandum to the Human Resources Department Director. Initial reimbursement is limited to the cost of one set of regulation uniform items as described in the attachment to the memorandum. Thereafter, the Chief Park Ranger will be entitled to the same uniform allowance as the employees in the classifications of Park Ranger Aide, Park Ranger, and Senior Park Ranger, once a year on the anniversary date of hire.

Section 8. SALARY OR WAGE INCREASES

During the Fiscal Year, the appropriate appointing authorities may grant salary or wage increases to employees, consistent with the Charter, including sections 70 and 130, Personnel Manual Index Code H-8, and this Ordinance. The appropriate appointing authorities may grant salary increases to those unclassified officers and employees, listed in Exhibits C-1 and C-2, within the standard salary rates set forth in those exhibits, based on merit, performance, or changes in duties.

Section 9. APPRENTICE WAGE TABLE

The pay for Apprentices is established pursuant to the "Apprentice Wage Steps" table, attached to this Ordinance as Exhibit D. The Civil Service Commission has established in the Personnel Manual the necessary rules and regulations to govern training programs and the advancement of Apprentices.

Section 10. REWARDS AND RECOGNITION PROGRAM

The City Council authorizes the Employee Rewards and Recognition Program, described in Administrative Regulation 95.91, which includes the criteria, guidelines, and procedures used to establish a consistent citywide employee awards program. The City Council declares that there is a public purpose for the Rewards and Recognition Program, in that it is a means to retain highly-valued employees by recognizing and rewarding them, thus reducing the cost of recruiting new employees, and to encourage continued high-level performance and service, thus benefitting City residents, business owners, and taxpayers.

The Rewards and Recognition Program includes authorization of the Employee of the Quarter and Employee of the Year awards and the Exceptional Merit Cash Payments Program (EMCP), to recognize and reward employees for exceptional performance in their classification of employment. These payments are not part of an employee's Base Compensation under the

Retirement System or for any other purpose. No employee who receives a payment under the EMCP Program or any reward under the Rewards and Recognition Program has a right, vested or otherwise, to receive future exceptional merit payments or other rewards or benefits.

The City Council authorizes the Mayor to implement the Rewards and Recognition Program and to make any future modifications necessary to implement it, in accordance with its established purpose and policy and with negotiated and approved agreements between the City and its recognized employee organizations.

Section 11. AUTOMOBILE ALLOWANCE

The monthly automobile allowance for the Chief Operating Officer for expenses related to the operation and maintenance of their personal automobiles in the performance of their duties is \$800, as previously authorized by San Diego Resolution R-263924, adopted on August 19, 1985.

However, effective December 10, 2020, the Mayor, City Councilmembers, and City Attorney are prohibited from continuing to receive the regularly paid automobile allowance as a form of additional compensation, as stated in Charter section 303(b). These elective officers may be reimbursed for actual miles driven in a personal vehicle while on City business, in accordance with reimbursement policies that comply with federal tax laws and regulations in effect at the time of the request for reimbursement.

If the Mayor, a City Councilmember, the Chief Operating Officer, or the City Attorney elects to use a City-owned or City-leased automobile in the performance of his or her duties, the City will reimburse that official for the actual costs incurred for gasoline, oil, and other normal minor expenses upon submission of paid invoices or other documentation. The City will provide

liability protection to the Mayor, City Councilmembers, Chief Operating Officer, and City Attorney, providing coverage if they are involved in an automobile accident while driving a City automobile on their personal time.

The monthly automobile allowance for the Independent Budget Analyst, Chief Financial Officer, City Auditor, Assistant Chief Operating Officer, Assistant City Attorneys, Deputy Chief Operating Officers, and Public Utilities Director is \$475.

As specified in Exhibit F to this Ordinance, the monthly automobile allowance is \$300 for the City Clerk, Personnel Director, Retirement Administrator, Ethics Commission Executive Director, Commission on Police Practices Executive Director, Department Directors, and managerial employees at the Department Director level or other positions designated as eligible by the Mayor.

The automobile allowance is paid in accordance with applicable federal tax law. Interim appointees are eligible to receive monthly automobile allowances, subject to the discretion of the Mayor and independent department heads. All automobile allowance will be prorated for partial months worked upon hire, termination of City employment, promotion, or demotion.

Section 12. PARKING RATES AND TRANSPORTATION ALTERNATIVES

The City Council authorizes the Mayor to implement discounted parking for City employees, through City-subsidized parking fees in parking garages not under the control of the City or a reduction in the regular monthly rate at City-owned or City-controlled parking garages. The discounted or subsidized parking must be available to both represented and unrepresented City employees, on the same terms and in accordance with City Council-approved agreements between the City and its recognized employee organizations.

Presently, represented City employees who park in the Evan V. Jones Parkade, Civic Centre Plaza, the Central Library, Mission Hills Library, and Horton Plaza receive a reduction in the monthly public parking rate based on their respective, City Council-approved MOU. The City Council authorizes the Mayor to identify and secure additional parking facilities for City employees, as needed, and to offer represented employees the discounted parking rates at any new facilities consistent with their respective City Council-approved MOU. The City Council also authorizes the Mayor to extend discounted parking rates to unrepresented employees consistent with the most favorable discount rate afforded to represented employees.

The City Council authorizes the Mayor to develop and implement transportation alternatives programs, in accordance with approved MOUs or other procedures required by the MMBA or other applicable law.

Section 13. LIFE INSURANCE

The City Council has authorized life insurance benefits for City employees, including executive coverage equal to two times the annual salary to the Mayor, City Councilmembers, Department Directors, and employees above the Director level who elect the coverage, under the terms and conditions of the group policy provided by The Hartford Life and Accident Insurance Company approved by Mayoral action in June 2019. The classifications eligible for executive life insurance coverage are set forth in Exhibit H to this Ordinance.

Section 14. ANNUAL LEAVE

All represented employees, who work full-time or part-time and are paid regularly on a biweekly basis, accrue annual leave consistent with Civil Service Rule X, codified at Municipal Code section 23.1103, and Personnel Manual I-2, unless their accrual is specified differently in a City Council-approved MOU. If there is a conflict between the rules in an approved MOU and those in Rule X and Personnel Manual I-2, the MOU will control.

All unrepresented employees, who work full-time or part-time and are paid regularly on a biweekly basis, accrue annual leave consistent with the provisions set forth in Civil Service Rule X, codified at Municipal Code section 23.1103, and Personnel Manual I-2, except for unrepresented and sworn members of the Fire-Rescue Department.

Elected officers do not accrue annual leave, as explained in section 1 of this Ordinance.

Unrepresented, sworn members of the Fire-Rescue Department accrue annual leave consistent with Civil Service Rule X, codified at Municipal Code section 23.1103. However, they do not cease to accrue annual leave until they reach the following caps: 980 hours of annual leave for those unrepresented, sworn members of the Fire-Rescue Department hired before July 1, 1994 with 15 or more years of service as of September 8, 2018; 840 hours of annual leave for those unrepresented, sworn members of the Fire-Rescue Department hired before July 1, 1994 with less than 15 years of service as September 8, 2018; 552 hours of annual leave for those unrepresented, sworn members of the Fire-Rescue Department hired on or after July 1, 1994 and before July 1, 2016; 395 hours of annual leave for those unrepresented, sworn members of the Fire-Rescue Department hired on or after July 1, 2016 who regularly work 40 hours per week; and 552 hours of annual leave for those unrepresented, sworn members of the Fire-Rescue Department hired on or after July 1, 2016 who regularly work a 56-hour per week schedule.

Section 15. SICK LEAVE

Section 15.1. Sick Leave Reimbursement

Officers and employees currently eligible for sick leave reimbursement, under provisions of the Sick Leave Reimbursement Program (Sick Leave Program) set forth in Administrative

Regulation 95.90 or San Diego Civil Service Rule X, are deemed to have vested rights to sick leave reimbursement and continue to be entitled to this benefit even though the Sick Leave Program has been repealed.

Section 15.2. Paid Sick Leave for Employees under AB 1522

Notwithstanding the repeal of the Sick Leave Program described in Section 15.1 above, the City Council intends to provide to those hourly, limited employees, who have no paid annual leave, paid sick leave in conformance with the Healthy Workplaces, Healthy Families Act of 2014 and related amendments, codified at Labor Code sections 245 through 249 (AB 1522), and as negotiated by the City with its impacted employee organizations under the MMBA.

Under AB 1522, an employee who, on or after July 1, 2015, works in California for the same employer for 30 or more days within a year from the commencement of employment is entitled to paid sick leave at a rate of not less than one hour for every 30 hours worked, subject to specified use and accrual limitations set forth in AB 1522.

The paid sick leave under AB 1522 will be administered pursuant to the conditions negotiated between the City and its impacted employee organizations, and approved by the City Council, or otherwise authorized by the City Council in accordance with the MMBA and City Council Policy 300-06.

This paid sick leave for unrepresented employees will be on the same terms and in accordance with City Council-approved agreements between the City and its recognized employee organizations.

Section 15.3. Earned Sick Leave under Ordinance O-20390

In accordance with the City of San Diego Earned Sick Leave and Minimum Wage Ordinance (Ordinance O-20390), codified at Municipal Code sections 39.0101 through 39.0116, hourly, limited City employees, who have no paid annual leave, will have access to one hour of

paid leave for every 30 hours worked, up to a maximum balance of 80 hours, to be used for the specified purposes and subject to the specified terms and limitations. This paid leave for represented employees will be administered pursuant to negotiated agreements between the City and its impacted employee organizations and approved by the City Council, or otherwise authorized by the City Council in accordance with the MMBA and City Council Policy 300-06.

This paid leave for unrepresented employees will be on the same terms and in accordance with City Council-approved agreements between the City and its recognized employee organizations. Earned sick leave may not be cashed out at any time.

City employees, with no paid annual leave, who receive earned sick leave under Ordinance O-20390, will not receive additional leave under AB 1522, provided that the earned sick leave under Ordinance O-20390 satisfies the requirements of AB 1522.

Section 15.4. COVID-19 Paid Sick Leave

The City Council acknowledges the City will comply with Senate Bill 114, which created new Labor Code section 248.6, mandating employers to provide employees with paid sick leave for various COVID-related absences for the period January 1, 2022 through September 30, 2022.

Section 16. ADMINISTRATIVE LEAVE

Section 16.1. Paid Administrative Leave

The City Council authorizes the Mayor, or the Mayor's designee, and independent appointing authorities, at their sole discretion, to place any City employee on paid administrative leave for a period not to exceed 30 calendar days under the conditions specified in this section. The Mayor, or designee, or independent appointing authority must evaluate known facts and make a factual, written determination that immediate, temporary removal of an employee from the workplace is (1) in the best interests of the City and (2) necessary to maintain the wellbeing,

safety, security, or protection of any City employee or citizen, City property, or City resources, or otherwise required by federal or state law. Paid administrative leave does not apply in circumstances where annual leave or other types of leave more suitably apply.

The Chief Financial Officer, or designee, is authorized to extend the 30-calendar day paid administrative leave period described in this section for any City employee, an additional 30-calendar day period, up to a maximum of four such extensions, when the Chief Financial Officer, in consultation with the City Attorney or designee, and the Human Resources Department Director or the appointing authority of an independent City department, determines and documents in writing that the extension meets the requirements set forth in this section and is in the best interests of the City.

This authorization for paid administrative leave is not intended to modify or supersede the Council's previous authorization of any other leave provision. The authorization of paid administrative leave in this section does not create a right of any employee to any paid administrative leave, nor is it intended to modify or supersede any other provision regarding leave or removal, with or without pay, or disciplinary procedure set forth in the City's Civil Service Rules or Personnel Regulations, including the provisions set forth at Civil Service Rule XI, section 8, codified at Municipal Code section 23.1208, and Personnel Manual L-2.

Section 16.2. Police Administrative Leave

In addition to the provisions set forth in Section 16.1 above, the Police Chief is authorized to place any presently employed sworn police officer, covered by the Public Safety Officers Procedural Bill of Rights, on paid administrative leave for that period of time deemed necessary by the Police Chief to ensure the City's compliance with controlling state law and to

protect the safety and security of Police Department operations. No sworn police officer has a right to this paid administrative leave. The Police Chief has sole discretion to grant this leave when it is in the best interests of the City.

Section 17. MANAGEMENT ADMINISTRATIVE LEAVE AND EXECUTIVE BENEFITS

The City Council authorizes management administrative leave for officers and employees working in designated management positions, to recognize the significant extra working time inherent in such positions. Management administrative leave is limited to 80 hours per fiscal year for each eligible officer or employee. Management administrative leave must be used in the year it is authorized and cannot be carried forward from one fiscal year to the next. Management administrative leave cannot be cashed out at separation of employment.

Managers identified in Exhibit G attached to this Ordinance are eligible for management administrative leave, subject to approval by their appointing authorities and any additional guidelines established by the Mayor or other appointing authority. Specifically, the Mayor must authorize the granting of management administrative leave for eligible employees who report to the Mayor; the City Attorney must authorize the granting of management administrative leave for eligible employees who report to the City Attorney; the Civil Service Commission must authorize the granting of management administrative leave for the Personnel Director; the Retirement System Board of Administration must authorize the granting of management administrative leave for the Retirement Administrator; the Ethics Commission must authorize the granting of management administrative leave for the Ethics Commission Executive Director, and the Commission on Police Practices must authorize the granting of management administrative leave for the Commission on Police Practices Executive Director. The City Auditor, City Clerk,

and Independent Budget Analyst are granted 80 hours of management administrative leave, unless the City Council specifically denies this benefit by subsequent City Council action, related to the establishment of compensation for the employees in these positions.

The City Council authorizes the Mayor and independent department appointing authorities to provide executive management benefits, in the form of moving or relocation compensation, when this additional compensation is necessary to recruit or retain a management level employee, with special skills or expertise, whose employment is in the best interests of the City as determined by the Mayor. The City Council further authorizes the Mayor to establish regulations related to administration of executive management benefits to apply City-wide.

Section 18 PARENTAL LEAVE

The City Council authorizes a paid parental leave benefit for eligible employees of up to 160 hours of paid leave in a 12-month period, following the birth, adoption, or placement of a child. The benefit is reduced to 80 hours of leave for employees who work half-time and 120 hours of leave for employees who work three-quarter time. Employees must receive a flexible benefit allowance from the City to be eligible for the paid parental leave benefit. Further, employees are eligible to receive parental leave if they have been employed by the City for at least one month and have worked at least half-time during that one month.

Parental leave is limited to one eligible event during a rolling 12-month period, as set forth in Administrative Regulation 95.89. Further eligibility criteria and terms of the benefit, for represented employees, are set forth in City Council-approved MOUs, and in Administrative Regulation 95.89. Elected officers are not eligible for this benefit. No standard hours unrepresented employees are not eligible for this allowance.

Section 19. DISCRETIONARY LEAVE

In Fiscal Year 2023, all full-time unrepresented employees will receive 24 hours of discretionary leave, which can be used in the same manner as annual leave, except this discretionary leave may not be cashed out upon separation from City employment and it will be forfeited, if not used by June 30, 2023. Unrepresented employees who work three-quarter time will receive 18 hours of discretionary leave under the same conditions as full-time employees. Half-time unrepresented employees will receive 12 hours of discretionary leave under the same conditions as full-time employees. No standard hours unrepresented employees are not eligible for this allowance.

All full-time unrepresented employees in Fiscal Year 2022 received an additional eight hours of discretionary leave that could be used at any time in Fiscal Years 2022 or 2023. This discretionary leave may not be cashed out upon separation from City service and it will be forfeited if not used by June 30, 2023. Unrepresented employees who work three-quarter time received an additional six hours of discretionary leave in Fiscal Year 2022 under the same conditions as full-time employees. Half-time unrepresented employees received an additional four hours of discretionary leave in Fiscal Year 2022 under the same conditions as full-time employees.

For employees represented by one of the City's recognized employee organizations, discretionary leave is a negotiable benefit. Consequently, represented employees will receive discretionary leave in the amount and on the terms specified in their applicable MOU for Fiscal Year 2023. Elected officers are not eligible for this benefit.

Section 20. BEREAVEMENT LEAVE

The City Council authorizes paid bereavement leave of 40 hours per fiscal year for all full-time unrepresented employees and in an amount set forth in approved MOUs for represented employees. This leave may be used upon the death of an employee's spouse or state-registered domestic partner; parent (biological, step, adoptive, in-law), sibling (biological, step, foster, adopted), child (biological, step, foster, adopted, miscarried, stillborn), grandparent, and grandchild (biological, adopted). Bereavement leave is not authorized for a death that occurred before the employee's date of hire with the City. Bereavement leave must be taken within 12 months of the eligible death, not to exceed 40 hours total for any one eligible death. Unused bereavement leave during a fiscal year does not carry over to the next fiscal year. Proof of death (death certificate, obituary notice, funeral program, etc.) or proof of miscarriage/stillbirth (a note from a healthcare provider) must be provided submitted within 30 calendar days of an employee's return to work. If such proof is not submitted within the specified timeframe, the bereavement leave will revert to available compensated leave, or unpaid leave, at the employee's discretion. Bereavement leave is prorated to each fiscal year for employees who work three-quarter time and half-time. Bereavement leave may not be cashed out upon separation from City employment, and it will be forfeited, if not used by June 30, 2023.

Unrepresented employees are eligible for this benefit under the terms set forth in this Ordinance. The eligibility of represented employees is set forth in the applicable MOU approved by the City Council. Elected officers are not eligible for this benefit. No standard hours unrepresented employees are not eligible for this allowance.

Section 21. LEAVE TO VOTE

California Elections Code section 14000 states that, if a voter does not have sufficient time outside of working hours to vote at a statewide election, the voter may, without loss of pay, take no more than two hours working time that, when added to the voting time available outside of working hours, will enable the voter to vote. The time off for voting must be at the beginning or end of the employee's regular shift, whichever allows the most amount of free time for voting and the least time off from the regular working shift. Employees must give the City at least two working days' notice that time off for voting is needed. The City Council authorizes the Mayor or designee to adopt any necessary regulations to properly implement and administer the provisions set forth in California Elections Code section 14000.

Section 22. LEAVE SHARING PROGRAMS

The City Council authorizes the Mayor or his designee to apply City Council-approved leave sharing plans for represented employees to unrepresented employees under the same terms and conditions. The City Council further authorizes the Mayor or his designee to adopt any necessary regulations to properly implement and administer the leave sharing programs. No standard hours unrepresented employees are not eligible for this allowance.

Section 23. DEDUCTIONS REQUIRED BY LAW

For purposes of determining the amount of any deductions required by law from an elected officer's biweekly pay, the Chief Financial Officer will use the annual salaries established in section 1 of this Ordinance as the base rate of pay, adjusted by any pay reductions requested under section 1. For all other City employees, the Comptroller will determine the amount of deductions required by law using the salaries or wages established in Exhibits A-1 and

A-2 (for classified employees) or Exhibits C-1 and C-2 (for unclassified employees), and, where applicable, additional pay, benefits, and reimbursements authorized or granted by City Council action.

Section 24. VOLUNTARY FURLOUGH

Eligible employees have the option of participating in a voluntary work furlough program with the approval of the employee's appointing authority, consistent with the Mayor's Voluntary Work Furlough Program. Elected officers and hourly employees, who are not benefitted and do not work regular hours, are not eligible for voluntary furlough. The City Council authorizes the Mayor to develop administrative rules for the implementation of voluntary furlough for classified and unclassified employees, including those who are represented and unrepresented, and who work regular, standard hours.

Section 25. ADDITIONAL BENEFIT PROGRAMS

The City Council may, upon the Mayor's recommendation, establish additional benefit programs for represented and unrepresented officers and employees by separate and specific City Council action. For represented employees, these additional benefit programs must be based on ratified and executed MOUs with recognized employee organizations, or otherwise in compliance with the MMBA and City Council Policy 300-06. For unrepresented officers or employees, these programs must be based on other requirements that are established by the City Council in its sole discretion.

Section 26. ACKNOWLEDGEMENT OF DUTY TO COMPLY WITH THE MMBA AND INCORPORATE INTO ORDINANCE TERMS AND CONDITIONS OF EMPLOYMENT FROM APPROVED MOUS

The City Council acknowledges its duty under San Diego Charter section 11.1 to annually adopt the Salary Ordinance, establishing salaries and wages for City employees, not later than May 30 of each year, after considering all relevant evidence, including the needs of the

residents of the City of San Diego for municipal services, the ability of the residents to pay for those services, local economic conditions and other relevant factors as the City Council deems appropriate. Charter section 290(c) states that the Salary Ordinance passed by the City Council is a controlling document for preparation of the Annual Appropriation Ordinance for the ensuing fiscal year.

The City Council also acknowledges that San Diego Charter section 11.1 requires that the City Council comply with any collective bargaining laws binding on the City as a public agency employer in considering adoption of the Salary Ordinance. The MMBA is the state collective bargaining law binding on the City.

As required by Charter section 290(a), the City Council must introduce the Salary Ordinance no later than April 15 of each year. The Salary Ordinance is proposed by the Mayor in a form consistent with all existing MOUs with any of the City's recognized employee organizations or otherwise in conformance with procedures governed by the MMBA or any other legal requirements governing labor relations that are binding upon the City.

Charter section 70 limits the authority of the City Council to revise the compensation schedules during a fiscal year. However, Charter section 70 also mandates that increases and decreases of salary or wages of City officers and employees must be consistent with the salary or wage schedules established by the annual Salary Ordinance and in accordance with the MMBA or legal requirements governing labor relations that are binding upon the City.

In adopting the Salary Ordinance, the City Council also acknowledges its duty set forth in Charter section 130 to ensure that the compensation tables establish uniform compensation for like service.

The City Council acknowledges that any change to a mandatory subject of bargaining covered by this Ordinance requires agreement with the impacted employee organization or completion of any applicable impasse procedures. Where applicable, actions that the City Council takes pursuant to the MMBA will control the interpretation, application, and enforcement of this Ordinance.

The City Council reserves its authority to modify any terms and conditions of employment for the City employees established here, in accordance with the MMBA and compliance with the Charter, including section 70, and City Council Policy 300-06.

The City Council authorizes the Mayor to take any necessary steps to implement and administer MOUs that have been or will be approved by the City Council. However, if the City Council finds and determines that adjustments to the salary or wage tables set forth in this Ordinance are necessary during Fiscal Year 2023, those adjustments will be made by this City Council, in accordance with the Charter and the MMBA.

Section 27. COMPLIANCE WITH APPLICABLE LAW

The City Council intends this Ordinance to comply with all federal, state, and local laws and regulations applicable to the City as a public agency employer. The Ordinance must be implemented in accordance with applicable laws and regulations, including the MMBA. The Mayor, the Personnel Director, the Comptroller, the Risk Management Director, and other City officers are responsible for implementing employee compensation, including pay and benefits, in accordance with applicable laws and with the officers' Charter-mandated duties.

Section 28. EXEMPTION OF POSITIONS FROM THE CLASSIFIED SERVICE

The City Council may exempt additional positions from the Classified Service during Fiscal Year 2023 in accordance with Charter section 117(a)(17).

Section 29. CERTIFICATION OF PAYROLLS AND CREATION OF PAY CODES

In accordance with Charter section 126, the City Treasurer must not pay and the Chief Financial Officer must not issue a warrant for the payment of any salary or compensation to any person holding, or claiming to hold, a position in the classified or unclassified service unless the payroll or account of such salary or wage bears the certificate of the Personnel Director, stating that the person named in the payroll or account has been elected, appointed, or employed by the City and is performing service in accordance with the provisions of the Charter and the rules established thereunder; that the person's name appears upon the service register for the time for which the salary or wage is claimed; and that the salary or wage is at the rate indicated on the register, and in accordance with this Ordinance.

The Chief Financial Officer, in consultation with the Personnel Director, is authorized to create pay codes to properly record the employment status and compensation of City officers and employees, including pay codes to document retroactive payment of compensation when ordered by a court of competent jurisdiction or an administrative agency legally authorized to award retroactive compensation in accordance with the Charter and ordinances adopted thereunder or controlling state law. The pay codes must be set forth in the annual "Earnings Code Document," referenced in Section 7.4 above.

Section 30. The City Council does not intend to ratify the implementation or funding of any illegal employment or retirement benefit by adopting this Ordinance.

Section 31. Exhibits A-1, A-2, B, C-1, C-2, D, E, F, G, and H are incorporated into this Ordinance.

Section 32. That a full reading of this Ordinance is dispensed with before its passage, a written or printed copy having been available to the City Council and the public before the day of its passage.

Section 33. This Ordinance will take effect and be in force on the thirtieth day from and after its final passage, with the provisions relating to Fiscal Year 2023 pay to be effective on July 1, 2022, or thereafter, as specified in this Ordinance.

DATE OF FINAL PASSAGE _____

AN ORDINANCE OF THE COUNCIL OF THE CITY OF
SAN DIEGO ESTABLISHING A SCHEDULE OF
COMPENSATION, INCLUDING CHANGES TO
CLASSIFICATIONS, FOR OFFICERS AND EMPLOYEES OF
THE CITY OF SAN DIEGO FOR FISCAL YEAR 20223.

BE IT ORDAINED, by the Council of the City of San Diego, as follows:

Section 1. SALARIES ESTABLISHED FOR ELECTED AND APPOINTED OFFICERS

On November 6, 2018, City voters approved Measure L, which amended the Charter to remove the requirement that City Councilmembers set their salaries and those of the Mayor and the City Attorney, requiring instead that the Chief Financial Officer determine the salaries of the Councilmembers, Mayor, and City Attorney based on a specified formula, beginning December 10, 2020.

Charter section 12.1 provides that effective December 10, 2020, the salary paid to the City Councilmembers will be 60-percent% of the salary prescribed by law and as adjusted by law for judges of the Superior Court for the State of California. Charter section 12.1 further provides that effective December 10, 2022, the salary paid to the City Councilmembers will be 75% of the salary prescribed by law and as adjusted by law for judges of the Superior Court for the State of California.

Charter section 24.1 provides that effective December 10, 2020, the salary paid to the Mayor will be equal to the salary prescribed by law and as adjusted by law for judges of the Superior Court for the State of California.

Charter section 40 provides, in pertinent part, that effective December 10, 2020, the salary paid to the City Attorney will be equal to the salary prescribed by law and as adjusted by law for judges of the Superior Court for the State of California, provided that the salary of the City Attorney may not be decreased during a term of office.

Charter section 11.1 requires the Chief Financial Officer to determine the salary prescribed by law and as adjusted by law for judges of Superior Court of the State of California, and to set and adjust the salaries of the City Councilmembers, Mayor, and City Attorney.

Charter sections 125 and 126, read together, require the Personnel Director to maintain and certify payroll records, known as the "service register," of all employees, including elected officers. The Personnel Director must certify that the persons named in the Service Register "have been elected, appointed or employed and are performing service in accordance with the provisions of th[e] Charter and the rules established thereunder, that their names appear upon the service register for the time for which such salary or compensation is claimed and that the salary or compensation is at the rate indicated on such register." Under Charter section 125, the City Clerk must also maintain and provide information about the City's elected officers.

To satisfy these Charter-mandated duties, the City Council requests that the Chief Financial Officer, upon determining and adjusting the salaries of the City Councilmembers, Mayor, and City Attorney as required by law, provide the salary information by memorandum to the Personnel Director and the City Clerk and also make the memorandum available to the public. The City Council also requests that a copy of this memorandum be submitted for the

public's information and benefit, when the Mayor presents the proposed sSalary eOrdinance to the City Council for consideration each April.

Following the Chief Financial Officer's determination and adjustment of salaries for elected officers, any elected officer may voluntarily choose to receive a reduction in the salary prescribed by law, so long as any applicable minimum wage requirements are met, by submitting a Personnel Change Request (CS-1522) to the Personnel Director.

No elected officer accrues annual leave, ~~which is considered paid compensation, because annual leave is not part of the formula specified in Measure L, and approved by City voters in 2018, as referenced above.~~ The salaries of appointed officers in the Unclassified Service, including the City Clerk, Independent Budget Analyst, City Auditor, and other employees described in San Diego Charter section 117(a), may be modified during the Fiscal Year, following a performance review, as long as the modified salary is consistent with Exhibits C-1 and C-2 of this Ordinance and the appointing authority complies with the Ralph M. Brown Act, if applicable.

Section 2. SALARY /WAGE SCHEDULES ESTABLISHED

Section 2.1. Unclassified Service

The City Council adopts the "Unclassified Service Classifications and Standard Salary/Wage Rates," as the salary/wage schedule for all City officers and employees in the Unclassified Service. Exhibits C-1 and C-2, ~~as modified by Council introduction on June 8 29, 2021,~~ establish the Classification and Standard Salary/Wage Rates for Fiscal Year 2022~~3~~3. Exhibit C-1 is in effect from July 1, 2024~~2~~2 through December 31, 2024~~2~~2. Exhibit C-2 is in effect from January 1, 2022~~3~~3, through June 30, 2022, ~~and reflects the increase to 2023. These exhibits reflect California's minimum wage to rate of \$15.00 an hour, in effective since January 1, 2022, and the~~

~~additional compensation for employees in the classification of Deputy City Attorney as negotiated by the City with the Deputy City Attorneys Association.~~

For comparison purposes, Exhibits C-1 and C-2 set forth monthly, bi-weekly, and hourly salary/wage rates for all employees in the Unclassified Service.

The City Council adopts an "Executive" category within the Unclassified Service with classifications of Executive I through Executive V, for all officers and employees serving in the positions listed under "Executive" in Exhibits C-1 and C-2. The City Council adopts a "Managerial" category within the Unclassified Service with classifications of Managerial A, B, and C, for all officers and employees serving in the positions listed under "Managerial" in Exhibits C-1 and C-2. The City Council adopts a "Miscellaneous Executive and Managerial" category within the Unclassified Service with classifications A through E, and a "Professional Legal" category within the Unclassified Service, as set forth in Exhibits C-1 and C-2.

The City Council also adopts the wage rates for Interns. The salary and wage rates and ranges listed in Exhibits C-1 and C-2 may be changed only by City Council action.

~~The City Council authorizes moving the Medical Review Officer (Classification 2274) from Miscellaneous F to Managerial C in Exhibits C-1 and C-2; moving the Assistant Retirement Administrator (Classification 2119) from Miscellaneous A to Executive V in Exhibits C-1 and C-2; moving the Retirement General Counsel (Classification 2195) from Professional Legal to Executive V in Exhibits C-1 and C-2; moving the Assistant Investment Officer (Classification 2256) from Managerial B to Managerial C; and moving the Investment Officer (Classification 2241) from Miscellaneous A to Executive V. The Chief Executive Officer for the San Diego City Employees' Retirement System requested these changes, which result in a higher base rate of pay for these positions.~~

~~The City Council further authorizes an additional 5% increase to the salary/wage rate for the Executive IV category to accommodate salary increases for certain classifications within that category.~~

All employees in the Unclassified Service, who are unrepresented, will receive a general salary/wage increase of 5%, effective July 1, 2022, with the exception of unrepresented Deputy City Attorneys, who will receive a 4% general salary increase effective July 1, 2022, and a 2% general salary increase effective January 1, 2023, to be consistent with the increases for the Deputy City Attorneys represented by the DCAA. The standard salary/wage rates set forth in Exhibits C-1 and C-2 have been adjusted to allow for this general salary/wage increase.

The City Council authorizes moving the following classifications from Executive III (Salary Rate 2030) to Executive IV (Salary Rate 2041) in Exhibits C-1 and C-2: City Librarian (Classification Number 2140), Real Estate Assets Director (Classification Number 2177), Risk Management Director (Classification Number 2157), Treasurer (Classification Number 2190), and Assistant Fire Chief (Classification Number 2154). These modifications will result in higher base rates of pay to ensure consistent compensation for the Directors of Mayoral Departments, as discussed and requested in the memorandum dated April 5, 2022 (revised), from the Chief Financial Officer.

The City Council also authorizes moving the Financial Operations Manager (Classification Number 2217) and Assistant City Clerk (Classification Number 2108) from Miscellaneous B (Salary Rate 2045) to Managerial C (Salary Rate 2077) in Exhibits C-1 and C-2, resulting in higher base rates of pay as discussed and requested in the memorandum dated April 5, 2022 (revised), from the Chief Financial Officer.

The City Council authorizes moving the Personnel Director (Classification Number 2171) from Miscellaneous A (Salary Rate 2055) to Executive IV (Salary Rate 2041), the Deputy Personnel Director (Classification Number 2230) from Miscellaneous B (Salary Rate 2045) to Managerial C (Salary Rate 2077), and the Equal Employment Investigations Manager (Classification Number 2158) from Miscellaneous D (Salary Rate 2025) to Managerial C (Salary Rate 2077) in Exhibits C-1 and C-2, resulting in higher base rates of pay as discussed and requested in the memorandum dated February 7, 2022, from the Civil Service Commission President.

The City Council further authorizes a 25% increase to the salary rate categories for the Executive V category in Exhibits C-1 and C-2 to allow for a competitive recruitment process for the Chief Operating Officer, and a 15% increase to the salary rate categories for the Executive IV, Executive III, Executive II, Executive I, Managerial A, Managerial B, Managerial C, Professional Legal, Miscellaneous A, Miscellaneous B, Miscellaneous C, Miscellaneous D, and Miscellaneous E categories to provide departments with more salary flexibility when hiring new employees, retaining current employees, and addressing salary compaction and compression issues as discussed and requested in the memorandum dated April 5, 2022 (revised), from the Chief Financial Officer.

Section 2.2. Classified Service

For all positions in the Classified Service, the City Council adopts the “Classified Service Classes and Standard Rates,” attached to this Ordinance as Exhibit B. The Standard Rate Number in Exhibit B is also referred to as the Classification Number. Exhibit B sets forth all approved classifications in the Classified Service, including those classifications recommended by the Civil Service Commission for approval by the City Council, which are now approved by this

Ordinance. Exhibit B also reflects classifications deleted from the Classified Service and classifications determined to be "terminal," meaning no new employees will be hired into them.

The City Council adopts the salary/wage table, attached to this Ordinance as Exhibit A-1, for July 1, 2021~~2~~, through December 31, 2021, as modified by Council introduction on August 3, 2021~~2~~, and Exhibit A-2, for January 1, 2022~~3~~, through June 30, 2022, as modified by Council introduction on August 3, 2021~~3~~, for all employees in the Classified Service. ~~Exhibit A-2 reflects the increase to~~ These exhibits reflect the California's minimum wage ~~to~~ rate of \$15.00 an hour, effective January 1, 2022.

For comparison purposes, Exhibits A-1 and A-2 set forth hourly and biweekly salary/wage rates for employees in the Classified Service.

Classified employees in fire suppression positions, who work a 28-day work period, are subject to the partial exemption under the FLSA, as set forth in Section 4.3 of this Ordinance. The wage rate for fire suppression employees, who work a 28-day work period and are subject to the partial exemption under the FLSA, is established by dividing the 40-hour workweek rate for the fire classifications by 1.4. This suppression rate is expressly reflected in Exhibits A-1 and A-2. The Comptroller, working with the Personnel Director, is authorized to make any additional adjustments to wage rates for fire suppression employees who work a 28-day work period, as agreed upon by the City and Local 145 or required under the FLSA.

The pay steps for all Classified Service classifications, as set forth in Exhibits A-1 and A-2, are calculated and established at approximately five percent increments. However, the Accountant IV class has a minimum and a maximum wage rate, but no intermediate steps. Employees in the Accountant IV class may be paid any amount within the minimum and maximum wage rates, at the appointing authority's discretion.

All employees in the Classified Service, who are unrepresented, will receive a general salary/wage increase of 5%, effective July 1, 2022. The standard salary/wage rates set forth in Exhibits A-1 and A-2 have been adjusted to document this general salary/wage increase.

Section 2.3. Special Salary or Wage Adjustments

Charter section 130 requires the City's Civil Service Commission to prepare and furnish to the City Council, prior to adoption of this Ordinance, a report identifying classifications of employees in the Classified Service, which merit special salary consideration because of recruitment and retention problems, changes in duties or responsibilities, or other special factors the Civil Service Commission deems appropriate. The recommendations of the Civil Service Commission are advisory and must be approved by the City Council to take effect. The City Council acknowledges that it has received and considered the Civil Service Commission's report, as required by Charter section 130.

Any special salary or wage adjustments previously approved by the City Council, by approval of MOUs between the City and its recognized employee organizations, are incorporated into this Ordinance.

Section 2.4. Represented Employees

Every employee working in a classification that is represented by a recognized employee organization will receive salaries or wages consistent with the applicable MOU and set forth in the salary and wage tables at Exhibits A-1, ~~or A-2, as modified by Council introduction on August 3, 2021,~~ and C-1, or C-2, ~~as modified by Council introduction on August 3, 2021,~~ or as otherwise authorized in accordance with the MMBA.

As set forth more fully in sSection 7 of this Ordinance, the City Council authorizes the Chief Financial Officer to pay all special pays, including certification pays and other special assignment pays, incorporated into MOUs between the City and its recognized employee organizations and approved by separate City Council action.

Section 2.5. Pay Reductions

Effective July 1, 2006, and continuing in Fiscal Year 20223, subject to compliance with the MMBA and City Council Policy 300-06, employees in the SDPOA and DCAA bargaining units who are participating in the Deferred Retirement Option Plan (DROP) must take a 3.2% reduction in Base Compensation, as that term is defined in Municipal Code section 24.0103.

Section 2.6. Ratification of Side Letter Agreements

The City Council ratifies a Side Letter Agreement between the City's management team and MEA, dated July 7, 2021, related to certain compensation changes for MEA-represented employees, and the City Council approves the changes, by this Ordinance. Specifically, effective July 1, 2022, the Power Plant Superintendent classification will receive a 20% special salary adjustment. The Side Letter Agreement was necessary to establish an appropriate supervisory differential between the Senior Power Plant Supervisor classification and the Power Plant Superintendent classification due to the 20% of base pay increase received by the Senior Power Plant Supervisor classification effective July 1, 2019. The changes in compensation are reflected in Exhibits A-1 and A-2.

The City Council ratifies a Side Letter Agreement between the City's management team and MEA, dated September 9, 2021, related to certain compensation changes for MEA-represented employees, and the City Council approves the changes, by this Ordinance. Specifically, MEA agreed that the 10% special salary adjustments that went into effect on

January 1, 2022, for the Assistant Procurement Contracting Officer and Procurement Contracting Trainee classifications will be rescinded, effective July 1, 2022. MEA also agreed to the rescission of the 10% special salary adjustments that were going to take effect on January 1, 2023, for the Procurement Contracting Trainee, Assistant Procurement Contracting Officer, Associate Procurement Contracting Officer, Senior Procurement Contracting Officer, and Supervising Procurement Contracting Officer classifications. The Side Letter Agreement was necessary to establish comparable pay between Procurement Contracting Officers and Contracting Specialists for performing similar work.

Section 3. AUTHORIZATION TO USE DEFINED TERMS AND MAKE COMPUTATIONS

The Chief Financial Officer is authorized to use an employee's "base rate" of pay and "scheduled workweek," as defined in the Personnel Manual Index Code H-4, to compute vacations, leaves of absence, pay upon separation of employment, and, for employees represented by Local 145, the amount of time a Member may extend ~~his or her~~ their DROP participation period pursuant to Municipal Code section 24.1402(b)(8). The Chief Financial Officer is further authorized to establish and use appropriate computations to determine vacations, other leaves of absence, pay upon separation of employment and other benefits for part-time employees and employees in the classifications listed in the Personnel Manual Index Code H-4, Addendum A, Group E (fire classes), in accordance with City Council-approved MOUs, Civil Service Rules, Personnel Regulations, and applicable law.

Section 4. OVERTIME COMPENSATION

Section 4.1. Overtime Pay Plan

As stated in Council Policy 300-02, adopted by San Diego Resolution R-217487 (Jan. 12, 1977) and amended by San Diego Resolution R-222521 (Jan. 2, 1979), the City Council has

recognized that it is necessary for the efficient and effective administration of the City's government to call upon employees to work in excess of their normal working hours in certain circumstances, with the need for overtime to be determined by the Mayor or designee, or independent department director.

The City Council has established local overtime rules for certain employees, as specified in Council Policy 300-02 and Personnel Manual Index Code H-4. Local overtime is City-authorized working time beyond an employee's normally scheduled hours. This overtime compensation must be paid in accordance with the provisions of Personnel Manual Index Code H-4 and Council-approved MOUs. The local overtime rules distinguish between "regular rate overtime," which is compensation for overtime worked at the employee's "base rate" of pay, and "premium rate overtime," which is compensation at one and one-half times the employee's "base rate" of pay.

The City Council must also ensure compliance with the FLSA. This federal law requires the City to pay those employees covered by the FLSA with overtime pay for hours worked over 40 per workweek, which is defined as any fixed and regularly recurring period of 168 hours or seven consecutive 24-hour periods, at a rate of not less than one and one-half times the regular rate of pay as that term is defined by the FLSA. Certain employees may be exempt from the overtime protections of the FLSA based on their job duties and salary or wage level.

~~Effective July 10, 2021, the City will implement~~ uses a "dual calculation method" of determining overtime compensation ~~for those unrepresented employees. When an employee is eligible for overtime and those represented employees who are eligible for overtime and working under an approved MOU.~~

~~Under this “dual calculation method,” compensation, the City will calculate the overtime compensation due 1) required to be paid under any approved MOU and the City’s local overtime rules without application of the Regular Rate multiplier for Flexible Benefit Plan credits, and 2) under the established United States Department of Labor FLSA rules, and then pay employees and the overtime compensation required to be paid under the FLSA. After comparing the two amounts, the City pays the employee the higher overtime compensation, after comparing the two amounts. When employees receive,~~

If an employee receives compensatory time in lieu of overtime, the following standard compensatory time accounting method applies, unless the employee is represented by a recognized employee organization and the City Council has approved a different compensatory time accounting method for those represented employees. Under the standard compensatory time accounting method, the City will pay the premium portion of the overtime premium, as determined by compensation, as calculated in accordance with the FLSA or local overtime rules will be paid to them when and any Council-approved MOU, when the overtime is earned. The employee may receive the base hour will then accrue to employees’ associated with the time worked in their compensatory time buckets. The employee may use the base hour will be available to use for leave, or to be cashed may cash it out throughout the calendar year in which it was is earned. Any At the end of the calendar year, the City will cash out any remaining balance in the employee’s compensatory time bucket as of the first pay period in December, will be cashed out on the last pay day of the calendar year. This “dual calculation method” will not apply to any represented employees working under an expired MOU.

The Civil Service Commission designates classifications that are covered by and exempt from local overtime rules and the FLSA. This designation must be approved by the City Council in accordance with San Diego Charter sections 11.1 and 130 and Council Policy 300-02.

Section 4.2. Use of the Term “Salary”

Charter section 11.1 requires the City Council to adopt an ordinance each year “establishing salaries for all City employees, except the City’s elective officers.” The Charter refers to this ordinance as the “Salary Ordinance.”

Notwithstanding the use of the term “salary” in the Charter and other City rules and regulations, certain, specified employees are covered by federal overtime requirements. Therefore, the use of the term “salary” in the Charter and in this Ordinance, including in the attached tables, is intended to mean “compensation” broadly, and is not intended to infer or imply that each employee receiving a “salary” is paid a fixed amount of compensation each week that does not change, regardless of actual work performed or accrued leave available or used.

In addition, under the City’s local rules, employees who work as “salaried” means they work on a regular basis for 40 or more hours each pay period and for a substantial period of time over a year-long period, and, as such, they are provided with a specified level of flexible benefits, as set forth in Personnel Manual H-5. “Salaried” employees are not hired for temporary, on-call, or seasonal work that may fluctuate given differing workload and staffing needs.

Generally, unless there is an express exception, employees in the Unclassified Service are paid on a “salaried” basis a salary that is a fixed amount of compensation; they are regularly scheduled to work and, in accordance with the FLSA, their compensation is regularly paid and not reduced for variations based on actual work performed or accrued leave available or used. However, there are some positions in the Unclassified Service who are “hourly” employees; their

work schedules and work hours may fluctuate each week and they may not work the same number of hours each workweek. These “hourly” employees must record all hours worked each week on approved time sheets.

Generally, employees in the Classified Service, who are regularly scheduled to work one-half time (20 hours ~~a~~per week), three-quarter time (30 hours ~~a~~per week), or full-time (40 hours ~~each~~per week), are characterized as “salaried,” because they are regularly scheduled, their pay is not typically reduced, unless there is specific action by their appointing authority or the City Council, and they receive a specified level of flexible benefits. However, these employees must record all hours worked each week on approved time sheets, unless they are covered by an MOU which provides for other approved means to record working time. In addition, this characterization as being “salaried,” as applied to Classified Service employees, does not govern the payment of or their right to overtime, which is covered by the FLSA and specific local rules set forth in approved MOUs, Civil Service Rules, Personnel Regulations, and other applicable law, as described more fully below.

Section 4.3. Classified Employees and Compliance with the Local Overtime Rules

Employees in the classifications listed in the Personnel Manual Index Code H-4, Addendum A, Groups A, B, C, and D, and as approved by the City Council by resolution each fiscal year, are eligible for local overtime in accordance with the rules set forth in the Personnel Manual and City Council-approved MOUs.

Employees in the classifications listed in the Personnel Manual Index Code H-4, Addendum A, Group E (fire classes), and as approved by the City Council by resolution each fiscal year, are eligible for local overtime in accordance with the rules set forth in the Personnel Manual and City Council-approved MOUs.

Employees in the classifications listed in Personnel Manual Index Code H-4, Addendum A, Group F, and as approved by the City Council by resolution each fiscal year, who are paid on a one-half time (20 hours ~~a-per~~ week), three-quarter time (30 hours ~~a-per~~ week), or full-time (40 hours ~~a-per~~ week), “salaried basis,” are not eligible for local overtime.

Employees in the classifications listed in Personnel Manual Index Code H-4, Addendum A, Group F, and as approved by the City Council by resolution each fiscal year, who are paid on an “hourly” basis, are eligible for “regular rate” compensation for all time worked in excess of their scheduled workweek up to 40 hours per week.

As set forth ~~in is~~ section 4.1, effective July 1, 2021, the City ~~will~~ implemented a “dual calculation method” of determining overtime compensation for those unrepresented employees ~~eligible for overtime and those~~ and represented employees ~~who are~~ eligible for overtime ~~and working under an approved MOU.~~

Section 4.4. Classified Employees and Compliance with the FLSA

Employees in the classifications listed in the Personnel Manual Index Code H-4, Addendum A, Groups A, B, C, and ~~C-D~~, are covered by the FLSA and will receive overtime computed in accordance with the FLSA, including all applicable law interpreting the FLSA.

~~Effective July 10, 2021, employees in the classifications listed in Group D (police classes), whose normal work schedule is more than 40 hours per workweek, are covered by the FLSA partial exemption at 29 U.S.C. section 207(k) and are eligible for overtime, in accordance with the FLSA and all applicable law interpreting the FLSA, after they have worked more than 171 hours in a 28-day work period.~~

Employees in the classifications listed in Group E (fire classes), whose normal work schedule is 40 hours per week, are eligible for overtime based on a 40-hour workweek, in accordance with the FLSA and all applicable law interpreting the FLSA.

Employees in the classifications listed in Group E (fire classes), whose normal work schedule is more than 40 hours per workweek, are covered by the FLSA partial exemption at 29 U.S.C. section 207(k) and are eligible for overtime, in accordance with the FLSA and all applicable law interpreting the FLSA, after they have worked more than 212 hours in a 28-day work period.

Employees in classifications listed in the Personnel Manual Index Code H-4, Addendum A, Group F, are exempt from the overtime requirements of the FLSA, provided that the employees meet exemption job duty requirements and are paid the minimum salary each week to satisfy the “salary basis” requirements as defined in 29 C.F.R. § 541.600 (2016), if in effect, or any subsequent federal law or regulation binding on the City.

As set forth in ~~is~~ section 4.1, effective July 14~~01~~, 2021, the City ~~will implemented~~ a “dual calculation method” of determining overtime compensation for those unrepresented employees ~~eligible for overtime and those and~~ represented employees ~~who are~~ eligible for overtime and working under an approved MOU.

Section 4.5 Unclassified Employees and Compliance with Local Overtime and the FLSA

Unclassified employees, who are “salaried,” are not eligible for local overtime. These employees are also exempt from the overtime requirements of the FLSA, provided that the employees meet exemption job duty requirements and are paid the minimum salary each week to satisfy the “salary basis” requirements as defined in 29 C.F.R. § 541.600 (2016), if in effect, or any subsequent federal law or regulation binding on the City.

~~Except as provided in section 4.6 below, e~~Employees in the Unclassified Service, who are paid on an “hourly” basis, are eligible for “regular rate” compensation for all time worked in excess of their scheduled workweek up to 40 hours per week. Further, they are covered under the FLSA and must be paid overtime for all time worked in excess of 40 hours in their workweek, ~~except a provisional employee serving in the position of Chief Operating Officer as specified in section 4.6 below,~~ but they may not receive compensatory time credits in lieu of pay.

As set forth ~~in~~ is section 4.1, effective July 1, 2021, the City ~~will implemented~~ a “dual calculation method” of determining overtime compensation for those unrepresented ~~employees eligible for overtime and these~~ and represented employees ~~who are eligible for overtime and working under an approved MOU.~~

Provisional employees, including those working in an unclassified position, are considered “hourly;” ~~except a provisional employee serving in the position of Chief Operating Officer, as specified in section 4.6 below.”~~

Section 4.6. Exemption of Provisional Appointment of Chief Operating Officer from Local Overtime and the FLSA

~~In accordance with Charter section 265(b)(7) and other applicable law, the Mayor appoints the City Manager, subject to confirmation of the appointment by the City Council. The City Manager is also referred to as the City’s Chief Operating Officer.~~

~~By San Diego Resolution R-313414 (Feb. 1, 2021), the City Council confirmed the appointment of an interim Chief Operating Officer, who is a retired City employee and who will serve on a full-time basis for a limited appointment. The appointment and confirmation were made in accordance with the provisions of Municipal Code section 24.1001, which governs the~~

~~appointment of retired City employees on a provisional basis for a limited period of time, when the retired employee is serving in a position that requires special skills or knowledge, as determined by the appropriate appointing authority, who, in this case, is the Mayor.~~

~~In accordance with San Diego Ordinance O-2021-102, the provisional appointee serving in the position of interim Chief Operating Officer is not subject to the 720-hour limit set forth in Municipal Code section 24.1001, and it is expected that the provisional appointee will work full-time during the period of the appointment. The Mayor established the compensation for this provisional employee at \$140.00 per hour, which is \$5,600.00 for a 40-hour work week.~~

~~By Charter, the Chief Operating Officer, acting under the supervision and control of the Mayor, is responsible for managing the administrative affairs of the City. Among other duties, the Chief Operating Officer, under the supervision and control of the Mayor, oversees the implementation of all policies of the City, directs the City's work force serving in Mayoral departments, and issues and enforces administrative regulations that give controlling direction to the administrative service of the City. The Chief Operating Officer serves in the City's Unclassified Service, in accordance with Charter section 117(a)(5).~~

~~The City Council finds and determines that the duties of the Chief Operating Officer meet the test to exempt the position from the overtime pay requirements of the FLSA, as an executive employee, as set forth in 29 U.S.C. section 213(a)(1), and defined by the FLSA Regulations, at 29 C.F.R. section 541.100. The Chief Operating Officer's primary duties include managing the administrative affairs of the City, customarily and regularly directing the work of at least two or more other full-time employees or their equivalent, and hiring, firing, advancing, promoting, and otherwise changing the status of subordinate employees.~~

~~Further, the City Council finds and determines that the interim Chief Operating Officer is exempt from the overtime pay requirements of the FLSA, in that the Mayor has established the compensation for the appointee at \$140 an hour, which is \$5,600.00 per workweek, and \$11,200.00 bi-weekly, as set forth in Exhibits C-1 and C-2 of this Ordinance. This compensation meets the salary basis requirement for exemption of the position from the overtime pay requirements of the FLSA, as described at 29 U.S.C. section 213(a)(1), and the FLSA Regulations, at 29 C.F.R. section 541.602, so long as the weekly pay for the Chief Operating Officer is not reduced for variations in the quality or quantity of work performed. Therefore, consistent with section 4.7 of this Ordinance, the City Council authorizes the Chief Financial Officer to pay the interim Chief Operating Officer his full weekly compensation of \$5,600.00 per workweek in which he performs any work without regard for the number of days or hours worked. However, the Chief Financial Officer is not authorized to pay the interim Chief Operating Officer for any work week in which the interim Chief Operating Officer performs no work. There is no limit on the number of hours the interim Chief Operating Officer may work in a workweek. In accordance with Municipal Code section 24.1001, retired employees who assume provisional appointments are not eligible for compensated annual leave.~~

~~In addition to being exempt from the overtime rules of the FLSA, the City Council exempts the interim Chief Operating Officer from the City's local overtime rules.~~

Section 4.7. Time Entry for Exempt Employees

~~Warrant checks issued for salaries paid to FLSA-exempt officers and employees must be for the appropriate amount within the salary or wage range attached to the position in Exhibits A-1 and A-2 (for classified employees and interns), as modified by Council introduction on June 8, 2021, or Exhibits C-1 and C-2 (for unclassified employees), as modified by Council introduction~~

~~on June 8, 2021,~~ or as set forth in section 1 of this Ordinance for the Mayor, City Council, and City Attorney, and for additional amounts authorized in this Ordinance.

Time entry documentation and time sheet posting for an FLSA-exempt employee may not reflect hours worked in excess of the employee's regular working hours per biweekly pay period, even though the employee may work differing hours as a result of varying duties, responsibilities, and time demands. FLSA-exempt employees, except as otherwise specifically authorized, do not receive pay or credit for hours worked in excess of 40 hours in a workweek and 80 hours in a biweekly pay period.

Further, the Chief Financial Officer is expressly authorized to pay FLSA-exempt employees a full-day wage for absences of less than one workday. In accordance with 29 C.F.R. ~~section §~~ 541.602, an FLSA-exempt employee is paid on a "salary basis," to meet an overtime exemption requirement, if the employee regularly receives each pay period a predetermined amount of compensation, which is not subject to reduction because of variations in the quality or quantity of the work performed. The City Council intends to ensure consistency with this requirement and to also recognize that FLSA-exempt employees may be called to work outside of their regular working hours, without additional compensation. Therefore, no deduction from an employee's pay, leave credits, or other monetary accounts will be made to recover the cost of a partial-day absence. The City Council determines that this practice does not constitute a gift of public funds because it is in the best interests of the City to ensure that FLSA-exempt employees, who are generally executive, managerial, or professional staff, may work outside of regular working hours, when required, without additional compensation.

The Mayor and independent department directors are responsible for administering the time documentation and time posting process and limits, subject to review by the Personnel Director and Chief Financial Officer.

The provisions in this Ordinance are intended to fully comply with the FLSA overtime exemption requirements as interpreted by the courts. If the FLSA is reinterpreted by the courts or amended in a way that results in this provision conflicting with the FLSA's overtime exemption or other requirements, the Mayor, in conjunction with the Personnel Director and the Chief Financial Officer, is authorized to take whatever actions are legally required to implement further revisions to the City's pay policies.

Section 5. COMPLIANCE WITH CALIFORNIA MINIMUM WAGE LAW

Labor Code section 1182.12(b)(1)(B) states that employers, who employ 26 or more employees, must pay their employees at least \$14.00 per hour on and after January 1, 2021, and \$15.00 per hour on ~~or~~ and after January 1, 2022.

Exhibits A-1, A-2, C-1, and C-2, ~~as modified by Council introduction on June 8, 2021,~~ conform to Labor Code section 1182.12.

Exhibits A-1 and A-2 reflect that the base rate of pay at E Step for all classifications in the Classified Service is no less than the California minimum wage. Exhibits C-1 and C-2 establish at least one pay rate in all ranges that is at least the California minimum wage. Appointing authorities are to ensure that no City employee is paid less than the California minimum wage in Fiscal Year 2022~~3~~3. The City is also in compliance with federal minimum wage laws.

**Section 6. COMPLIANCE WITH LOCAL MINIMUM WAGE UNDER
SAN DIEGO ORDINANCE O-20390**

On June 7, 2016, City voters approved San Diego Ordinance O-20390 (Aug. 18, 2014), codified at Municipal Code sections 39.0101 through 39.0116, which, in part, established a minimum wage of \$10.50 upon the ordinance's effective date, \$11.50 an hour on January 1, 2017, and increasing with the cost of living on January 1, 2019, and annually thereafter.

This Ordinance, in part, as codified at Municipal Code section 39.0107(b)(3), provides:

Starting January 1, 2019, and each year thereafter, the Minimum Wage increases by an amount corresponding to the prior year's increase, if any, in the cost of living. The prior year's increase in the cost of living is measured by the percentage increase, if any, as of August of the immediately preceding year over the level as of August of the previous year of the Consumer Price Index (Urban Wage Earners and Clerical Workers, U.S. City Average for all Items) or its successor index as published by the U.S. Department of Labor or its successor agency, with the amount of the minimum wage increase rounded to the nearest multiple of five cents. The adjusted Minimum Wage will be announced by the City by October 1 of each year, and will become effective as the new Minimum Wage on January 1 of the succeeding year.

San Diego Ordinance O-20390 also provides that, if the federal or state minimum wage increases above the local minimum wage, then the local minimum wage must be raised to match the higher federal or state minimum wage.

Exhibits A-1, A-2, C-1, and C-2, ~~as modified by Council introduction on June 8, 2021,~~ conform to San Diego Ordinance O-20390. Effective January 1, 2022, the local minimum wage is \$15.00 an hour, consistent with state minimum wage. Exhibits A-1 and A-2 reflect that the base rate of pay at E Step for all classifications in the Classified Service is no less than the local minimum wage. Exhibits C-1 and C-2 establish at least one pay rate in all ranges that is at least the local minimum wage. Appointing authorities are to ensure that no City employee is paid less than the local minimum wage in Fiscal Year 20223.

If a cost-of-living increase, identified by October 1, 2022, requires the local minimum wage to be raised higher than the state minimum wage, then the Chief Financial Officer and Personnel Director are authorized to administratively adjust the wages of any employee falling below the local minimum wage, as of January 1, 2023, to insure the employee is earning the local minimum wage, as legally required. The City Council intends to pay all City employees no less than what is required by state minimum wage and local minimum wage.

Section 7. ELIGIBILITY FOR SPECIAL PAYS

Section 7.1. Shift Differential and Other Shift-Related Pays

The City Council authorizes the Shift Differential pay, as defined in the Personnel Manual at Index Code H-6, and any other shift-related add-on pay, as authorized by a City Council-approved MOU between the City and any recognized employee organization. These shift-related pays are considered extra compensation for eligible employees, who must work for significant periods of time substantially unusual for their employment classifications, such as night shifts, split shifts, split weekend shifts, and other unusual schedules, as defined in the Personnel Manual or approved MOUs.

Section 7.2. Call Back Pay

An eligible employee who has been released from work and has left the work premises will, if called back to duty, be paid for the reasonable estimate of the time required for the employee to travel from and to his or her residence and the work area and for the time the employee actually works, as more fully described in Personnel Manual Index Code H-4 and applicable MOUs between the City and its recognized employee organizations.

Section 7.3. Stand-By Pay

An eligible employee who is required to be within immediate reach by telephone and ready to report to work without delay, other than necessary dressing and travel time, during all hours and days other than the employee's regularly scheduled working hours, will receive stand-by pay of approximately five percent of his or her regular rate of pay, as more fully described in Personnel Manual Index Code H-7.

Section 7.4. Special Assignment Pay

Special assignment pay is also known as add-on pay or specialty pay. It is the intent of the City Council that the special assignment pay program is authorized by the City Council on an annual basis, subject to the MMBA and City Council Policy 300-06 for represented employees. Special assignment pay is not a property right or continuing vested entitlement to extra pay from year to year.

For represented employees, special assignment pay is limited to the amount set forth in the applicable MOU. For unrepresented employees, special assignment pay is limited to the amount set forth in the Personnel Manual. Special assignment pay is in addition to salaries and other amounts established in this Ordinance.

Special assignment pay applies only during the period of the employee's eligibility, which is determined by the Mayor or independent appointing authority, consistent with City Council-approved MOUs and Civil Service Rules, Personnel Regulations, and Administrative Regulations.

Special assignment pay must be appropriately identified and designated on all official payrolls and all other records pertaining to the employee's pay.

The City Council acknowledges that special assignment pays may fall within the definition of "base compensation," at ~~San Diego~~ Municipal Code section 24.0103 as "base salary or wages paid (standard hours multiplied by the hourly rate) on a regular bi-weekly basis to an employee for his or her services in any given pay period," for purposes of calculating an employee's pension under the City's defined benefit pension plan. Any new special assignment pays or other pays, approved by the City Council through this Ordinance or an MOU between the City and a recognized employee organization, must be included in the "Earnings Code Document," as set forth in ~~San Diego~~ Municipal Code section 24.0103. The "Earnings Code Document" is prepared annually by Mayoral staff including staff with the Department of Finance, in consultation with the Personnel Director and Retirement Administrator. The City Council requests that the "Earnings Code Document," once completed, following final approval of this Ordinance, be filed with the Office of the City Clerk, as Document Number

Section 7.5. Bilingual Pay

The City will pay \$.70 per hour as bilingual pay, in addition to base pay, to an eligible employee who is not represented by the SDPOA or Local 145, when the employee meets the established conditions for the pay. For an eligible employee represented by SDPOA or Local 145, the City will pay an extra 3.5% of the employee's base wages as bilingual pay.

Employees will receive bilingual pay on an ongoing basis when the following conditions are satisfied: (1) the appropriate appointing authority certifies that the employee is serving in a position that requires knowledge and use of American Sign Language or a language other than English in performing his or her duties, (2) the language has been approved for additional pay in the Personnel Manual or applicable MOU, and (3) the employee has satisfactorily demonstrated his or her bilingual ability pursuant to an examination administered by the Personnel Department.

Employees represented by Local 911, MEA, and SDPOA may receive bilingual pay for incidental use of specified languages other than English, during the pay period when the language was used, in accordance with the rules set forth in their approved MOUs.

Other employees may receive bilingual pay for incidental use of a language other than English during the pay period when the language was used, without having to pass the Personnel Department language fluency examination, when the employee's appointing authority requests or directs the employee to use the language as part of his or her job duties and certifies the use to the Personnel Department.

Section 7.6 Police Management Incentive Pay Recruitment Incentive and Sanitation Driver Sign-On Bonus Program

~~In recognition of on-call and other operational responsibilities for sworn Police Department Management positions (Police Lieutenant and higher, including Chiefs), these employees will receive an annual \$3,000 cash incentive pay.~~

The City Council authorizes the cash payments under the Sanitation Driver Recruitment Incentive Program (RIP), which was approved by San Diego Resolution R-313807 (Dec. 9, 2021) and R-313808 (Dec. 9, 2021). All active classified employees in the Environmental Services Department are eligible to receive incentive award pay for referring applicants for the Sanitation Driver Trainee and Sanitation Driver II classifications. The incentive award pay under the RIP must be appropriately identified and designated on all official payroll records and all other records pertaining to an employee's pay.

The City Council also authorizes the cash payments under the Sanitation Driver Sign-on Bonus Program (SBP), which was approved by San Diego Resolution R-313808 (Dec. 9, 2021). All applicants hired into a full-time, permanent vacancy as either a Sanitation Driver Trainee or Sanitation Driver II are eligible to receive the bonus pay. The bonus pay under the SBP must be appropriately identified and designated on all official payroll records and all other records pertaining to an employee's pay.

Section 7.7 Chief Park Ranger Uniform Reimbursement

The City Council authorizes the reimbursement of uniform expenses for the Chief Park Ranger upon hire, as described in the Parks and Recreation Department Director's March 22, 2022, memorandum to the Human Resources Department Director. Initial reimbursement is limited to the cost of one set of regulation uniform items as described in the attachment to the memorandum. Thereafter, the Chief Park Ranger will be entitled to the same uniform allowance as the employees in the classifications of Park Ranger Aide, Park Ranger, and Senior Park Ranger, once a year on the anniversary date of hire.

Section 8. SALARY OR WAGE INCREASES

During the Fiscal Year, the appropriate appointing authorities may grant salary or wage increases to employees, consistent with the Charter, including sections 70 and 130, Personnel Manual Index Code H-8, and this Ordinance. The appropriate appointing authorities may grant salary increases to those unclassified officers and employees, listed in Exhibits C-1 and C-2, as ~~modified by Council introduction on June 8, 2021,~~ within the standard salary rates set forth in those exhibits, based on merit, performance, or changes in duties.

Section 9. APPRENTICE WAGE TABLE

The pay for Apprentices is established pursuant to the “Apprentice Wage Steps” table, attached to this Ordinance as Exhibit D. The Civil Service Commission has established in the Personnel Manual the necessary rules and regulations to govern training programs and the advancement of Apprentices.

Section 10. REWARDS AND RECOGNITION PROGRAM

The City Council authorizes the Employee Rewards and Recognition Program, described in Administrative Regulation 95.91, which includes the criteria, guidelines, and procedures used to establish a consistent citywide employee awards program. The City Council declares that there is a public purpose for the Rewards and Recognition Program, in that it is a means to retain highly-valued employees by recognizing and rewarding them, thus reducing the cost of recruiting new employees, and to encourage continued high-level performance and service, thus benefitting City residents, business owners, and taxpayers.

The Rewards and Recognition Program includes authorization of the Employee of the Quarter and Employee of the Year awards and the Exceptional Merit Cash Payments Program (EMCP), to recognize and reward employees for exceptional performance in their classification

of employment. These payments are not part of an employee's Base Compensation under the Retirement System or for any other purpose. No employee who receives a payment under the EMCP Program or any reward under the Rewards and Recognition Program has a right, vested or otherwise, to receive future exceptional merit payments or other rewards or benefits.

The City Council authorizes the Mayor to implement the Rewards and Recognition Program and to make any future modifications necessary to implement it, in accordance with its established purpose and policy and with negotiated and approved agreements between the City and its recognized employee organizations.

Section 11. AUTOMOBILE ALLOWANCE

The monthly automobile allowance for the Chief Operating Officer for expenses related to the operation and maintenance of their personal automobiles in the performance of their duties, is \$800, as previously authorized by San Diego Resolution R-263924, adopted on August 19, 1985.

However, effective December 10, 2020, the Mayor, City Councilmembers, and City Attorney are prohibited from continuing to receive the regularly paid automobile allowance as a form of additional compensation, as stated in Charter section 303(b). These elective officers may be reimbursed for actual miles driven in a personal vehicle while on City business, in accordance with reimbursement policies that comply with federal tax laws and regulations in effect at the time of the request for reimbursement.

If the Mayor, a City Councilmember, the Chief Operating Officer, or the City Attorney elects to use a City-owned or City-leased automobile in the performance of his or her duties, the City will reimburse that official for the actual costs incurred for gasoline, oil, and other normal minor expenses upon submission of paid invoices or other documentation. The City will provide

liability protection to the Mayor, City Councilmembers, Chief Operating Officer, and City Attorney, providing coverage if they are involved in an automobile accident while driving a City automobile on their personal time.

The monthly automobile allowance for the Independent Budget Analyst, Chief Financial Officer, City Auditor, Assistant Chief Operating Officer, Assistant City Attorneys, Deputy Chief Operating Officers, and Public Utilities Director is \$475.

As specified in Exhibit F to this Ordinance, the monthly automobile allowance is \$300 for the City Clerk, Personnel Director, Retirement Administrator, Ethics Commission Executive Director, Commission on Police Practices Executive Director, Department Directors, and managerial employees at the Department Director level or other positions designated as eligible by the Mayor.

The automobile allowance is paid in accordance with applicable federal tax law. Interim appointees are eligible to receive monthly automobile allowances, subject to the discretion of the Mayor and independent department heads. All automobile allowance will be prorated for partial months worked upon hire, termination of City employment, promotion, or demotion.

Section 12. PARKING RATES AND TRANSPORTATION ALTERNATIVES

The City Council authorizes the Mayor to implement discounted parking for City employees, through City-subsidized parking fees in parking garages not under the control of the City or a reduction in the regular monthly rate at City-owned or City-controlled parking garages. The discounted or subsidized parking must be available to both represented and unrepresented City employees, on the same terms and in accordance with City Council-approved agreements between the City and its recognized employee organizations.

Presently, represented City employees who park in the Evan V. Jones Parkade, Civic Centre Plaza, the Central Library, Mission Hills Library, and Horton Plaza receive a reduction in the monthly public parking rate based on their respective, City Council-approved MOU. The City Council authorizes the Mayor to identify and secure additional parking facilities for City employees, as needed, and to offer represented employees the discounted parking rates at any new facilities consistent with their respective City Council-approved MOU. The City Council also authorizes the Mayor to extend discounted parking rates to unrepresented employees consistent with the most favorable discount rate afforded to represented employees.

The City Council authorizes the Mayor to develop and implement transportation alternatives programs, in accordance with approved MOUs or other procedures required by the MMBA or other applicable law.

Section 13. LIFE INSURANCE

The City Council has authorized life insurance benefits for City employees, including executive coverage equal to two times the annual salary to the Mayor, City Councilmembers, Department Directors, and employees above the Director level who elect the coverage, under the terms and conditions of the group policy provided by The Hartford Life and Accident Insurance Company, approved by Mayoral action in June of 2019. Officers and employees currently eligible for sick leave reimbursement, under provisions of the Sick Leave Reimbursement Program (Sick Leave Program) set forth in Administrative Regulation 95.90 or San Diego Civil Service Rule X, are deemed to have vested rights to sick leave reimbursement and continue to be entitled to this benefit even though the Sick Leave Program has been repealed.

Section 15.2. Paid Sick Leave for Employees under AB 1522

Notwithstanding the repeal of the Sick Leave Program described in Section 15.1 above, the City Council intends to provide to those hourly, limited employees, who have no paid annual leave, paid sick leave in conformance with the Healthy Workplaces, Healthy Families Act of 2014 and related amendments, codified at Labor Code sections 245 through 249 (AB 1522), and as negotiated by the City with its impacted employee organizations under the MMBA.

Under AB 1522, an employee who, on or after July 1, 2015, works in California for the same employer for 30 or more days within a year from the commencement of employment is entitled to paid sick leave at a rate of not less than one hour for every 30 hours worked, subject to specified use and accrual limitations set forth in AB 1522.

The paid sick leave under AB 1522 will be administered pursuant to the conditions negotiated between the City and its impacted employee organizations, and approved by the City Council, or otherwise authorized by the City Council in accordance with the MMBA and City Council Policy 300-06.

This paid sick leave for unrepresented employees will be on the same terms and in accordance with City Council-approved agreements between the City and its recognized employee organizations.

Section 15.3. Earned Sick Leave under Ordinance O-20390

In accordance with the City of San Diego Earned Sick Leave and Minimum Wage Ordinance (Ordinance O-20390), codified at Municipal Code sections 39.0101 through 39.0116, hourly, limited City employees, who have no paid annual leave, will have access to one hour of paid leave for every 30 hours worked, up to a maximum balance of 80 hours, to be used for the specified purposes and subject to the specified terms and limitations. This paid leave for represented employees will be administered pursuant to negotiated agreements between the City and its impacted employee organizations and approved by the City Council, or otherwise authorized by the City Council in accordance with the MMBA and City Council Policy 300-06.

This paid leave for unrepresented employees will be on the same terms and in accordance with City Council-approved agreements between the City and its recognized employee organizations. Earned sick leave may not be cashed out at any time.

City employees, with no paid annual leave, who receive earned sick leave under Ordinance O-20390, will not receive additional leave under AB 1522, provided that the earned sick leave under Ordinance O-20390 satisfies the requirements of AB 1522.

Section 15.4. COVID-19 Supplemental Paid Sick Leave

The City Council acknowledges the City will comply with Senate Bill 95114, which created new Labor Code section 248.26, mandating employers to provide employees with supplemental-paid sick leave for various COVID-related absences for the period January 1,

~~2021 through September 30, 2021. The City will pay the required COVID-19 sick leave at an employee's regular rate of pay and will not apply the \$511 per day and \$5,110 aggregate limits set forth in Senate Bill 952022.~~

Section 16. ADMINISTRATIVE LEAVE

Section 16.1. Paid Administrative Leave

The City Council authorizes the Mayor, or the Mayor's designee, and independent appointing authorities, at their sole discretion, to place any City employee on paid administrative leave for a period not to exceed 30 calendar days under the conditions specified in this section. The Mayor, or designee, or independent appointing authority must evaluate known facts and make a factual, written determination that immediate, temporary removal of an employee from the workplace is (1) in the best interests of the City and (2) necessary to maintain the wellbeing, safety, security, or protection of any City employee or citizen, City property, or City resources, or otherwise required by federal or state law. Paid administrative leave does not apply in circumstances where annual leave or other types of leave more suitably apply.

The Chief Financial Officer, or designee, is authorized to extend the 30-calendar day paid administrative leave period described in this section for any City employee, an additional 30-calendar day period, up to a maximum of four such extensions, when the Chief Financial Officer, in consultation with the City Attorney or designee, and the Human Resources Department Director or the appointing authority of an independent City department, determines and documents in writing that the extension meets the requirements set forth in this section and is in the best interests of the City.

This authorization for paid administrative leave is not intended to modify or supersede the Council's previous authorization of any other leave provision. The authorization of paid administrative leave in this section does not create a right of any employee to any paid administrative leave, nor is it intended to modify or supersede any other provision regarding leave or removal, with or without pay, or disciplinary procedure set forth in the City's Civil Service Rules or Personnel Regulations, including the provisions set forth at Civil Service Rule XI, section 8, codified at ~~San Diego~~ Municipal Code section 23.1208, and Personnel Manual L-2.

Section 16.2. Police Administrative Leave

In addition to the provisions set forth in Section 16.1 above, the Police Chief is authorized to place any presently employed sworn police officer, covered by the Public Safety Officers Procedural Bill of Rights, on paid administrative leave for that period of time deemed necessary by the Police Chief to ensure the City's compliance with controlling state law and to protect the safety and security of Police Department operations. No sworn police officer has a right to this paid administrative leave. The Police Chief has sole discretion to grant this leave when it is in the best interests of the City.

Section 17. MANAGEMENT ADMINISTRATIVE LEAVE AND EXECUTIVE BENEFITS

The City Council authorizes Mmanagement Aadministrative Lleave for officers and employees working in designated management positions, to recognize the significant extra working time inherent in such positions. Management Aadministrative Lleave is limited to 80 hours per fiscal year for each eligible officer or employee. Management Aadministrative Lleave must be used in the year it is authorized and cannot be carried forward from one fiscal year to the next. Management Aadministrative Lleave cannot be cashed out at separation of employment.

The City Council authorizes the Mayor and independent department appointing authorities to provide executive management benefits, in the form of moving or relocation compensation, when this additional compensation is necessary to recruit or retain a management level employee, with special skills or expertise, whose employment is in the best interests of the City as determined by the Mayor. The City Council further authorizes the Mayor to establish regulations related to administration of executive management benefits to apply City-wide.

Section 18. PARENTAL LEAVE

The City Council authorizes a paid parental leave benefit for eligible employees of up to 160 hours of paid leave in a 12-month period, following the birth, adoption, or placement of a child. The benefit is reduced to 80 hours of leave for employees who work half-time and 120 hours of leave for employees who work three-quarter time. Employees must receive a flexible benefit allowance from the City to be eligible for the paid parental leave benefit. Further, employees are eligible to receive Parental Leave if they have been employed by the City for at least one month and have worked at least half-time during that one month.

Parental leave is limited to one eligible event during a rolling 12-month period, as set forth in Administrative Regulation 95.89. Further eligibility criteria and terms of the benefit, for represented employees, are set forth in City Council-approved MOUs, and in Administrative Regulation 95.89. Elected officers are not eligible for this benefit. No standard hours unrepresented employees are not eligible for this allowance.

Section 19. DISCRETIONARY LEAVE

In Fiscal Year 20223, all full-time unrepresented employees will receive 24 hours of discretionary leave, which can be used in the same manner as annual leave, except this discretionary leave may not be cashed out upon separation from City employment and it will be forfeited, if not used by June 30, 20223. Unrepresented employees who work three-quarter time will receive 18 hours of discretionary leave under the same conditions as full-time employees. Half-time unrepresented employees will receive 12 hours of discretionary leave under the same conditions as full-time employees.

Elected officers are not eligible for this benefit.

Section 20. BEREAVEMENT LEAVE

The City Council authorizes ~~P~~paid Bereavement ~~L~~leave of 40 hours per fiscal year for all full-time unrepresented employees and in an amount set forth in approved MOUs for represented employees. This leave may be used upon the death of an employee's spouse or state-registered

domestic partner; parent (biological, step, adoptive, in-law), sibling (biological, step, foster, adopted), child (biological, step, foster, adopted, miscarried, stillborn), grandparent, and grandchild (biological, adopted). Bereavement Leave is not authorized for a death that occurred before the employee's date of hire with the City. Bereavement Leave must be taken within 12 months of the eligible death, not to exceed 40 hours total for any one eligible death. Unused Bereavement Leave during a fiscal year does not carry over to the next fiscal year. Proof of death (death certificate, obituary notice, funeral program, etc.) or proof of miscarriage/stillbirth (a note from a healthcare provider) must be provided submitted within 30 calendar days of an employee's return to work. If such proof is not submitted within the specified timeframe, the Bereavement Leave will revert to available compensated leave, or unpaid leave, at the employee's discretion. Bereavement Leave is prorated to each fiscal year for employees who work three-quarter time and half-time. Bereavement Leave may not be cashed out upon separation from City employment, and it will be forfeited, if not used by June 30, 2023.

Unrepresented employees are eligible for this benefit under the terms set forth in this Ordinance. The eligibility of represented employees is set forth in the applicable MOU approved by the City Council. Elected officers are not eligible for this benefit. No standard hours unrepresented employees are not eligible for this allowance.

Section 21. LEAVE TO VOTE

California Elections Code section 14000 states that, if a voter does not have sufficient time outside of working hours to vote at a statewide election, the voter may, without loss of pay, take no more than two hours working time that, when added to the voting time available outside of working hours, will enable the voter to vote. The time off for voting must be at the beginning or end of the employee's regular shift, whichever allows the most amount of free time for voting

and the least time off from the regular working shift. Employees must give the City at least two working days' notice that time off for voting is needed. The City Council authorizes the Mayor or designee to adopt any necessary regulations to properly implement and administer the provisions set forth in California Elections Code section 14000.

Section 22. LEAVE SHARING PROGRAMS

The City Council authorizes the Mayor or his designee to apply City Council approved leave sharing plans for represented employees to unrepresented employees under the same terms and conditions. The City Council further authorizes the Mayor or his designee to adopt any necessary regulations to properly implement and administer the leave sharing programs. No standard hours unrepresented employees are not eligible for this allowance.

Section 23. DEDUCTIONS REQUIRED BY LAW

For purposes of determining the amount of any deductions required by law from an elected officer's biweekly pay, the Chief Financial Officer will use the annual salaries established in section 1 of this Ordinance as the base rate of pay, adjusted by any pay reductions requested under section 1. For all other City employees, the Comptroller will determine the amount of deductions required by law using the salaries or wages established in Exhibits A-1 and A-2 (for classified employees) or Exhibits C-1 and C-2 (for unclassified employees), and, where applicable, additional pay, benefits, and reimbursements authorized or granted by City Council action.

Section 24. VOLUNTARY FURLOUGH

Eligible employees have the option of participating in a voluntary work furlough program with the approval of the employee's appointing authority, consistent with the Mayor's Voluntary Work Furlough Program. Elected officers and hourly employees, who are not benefitted and do

not work regular hours, are not eligible for voluntary furlough. The City Council authorizes the Mayor to develop administrative rules for the implementation of voluntary furlough for classified and unclassified employees, including those who are represented and unrepresented, and who work regular, standard hours.

Section 25. ADDITIONAL BENEFIT PROGRAMS

The City Council may, upon the Mayor's recommendation, establish additional benefit programs for represented and unrepresented officers and employees by separate and specific City Council action. For represented employees, these additional benefit programs must be based on ratified and executed MOUs with recognized employee organizations, or otherwise in compliance with the MMBA and City Council Policy 300-06. For unrepresented officers or employees, these programs must be based on other requirements that are established by the City Council in its sole discretion.

Section 26. ACKNOWLEDGEMENT OF DUTY TO COMPLY WITH THE MMBA AND INCORPORATE INTO ORDINANCE TERMS AND CONDITIONS OF EMPLOYMENT FROM APPROVED MOUS

The City Council acknowledges its duty under San Diego Charter section 11.1 to annually adopt the Salary Ordinance, establishing salaries and wages for City employees, not later than May 30 of each year, after considering all relevant evidence, including the needs of the residents of the City of San Diego for municipal services, the ability of the residents to pay for those services, local economic conditions and other relevant factors as the City Council deems appropriate. Charter section 290(c) states that the Salary Ordinance passed by the City Council is a controlling document for preparation of the Annual Appropriation Ordinance for the ensuing fiscal year.

The City Council also acknowledges that San Diego Charter section 11.1 requires that the City Council comply with any collective bargaining laws binding on the City as a public agency employer in considering adoption of the Salary Ordinance. The MMBA is the state collective bargaining law binding on the City.

As required by Charter section 290(a), the City Council must introduce the Salary Ordinance no later than April 15 of each year. The Salary Ordinance is proposed by the Mayor in a form consistent with all existing MOUs with any of the City's recognized employee organizations or otherwise in conformance with procedures governed by the MMBA or any other legal requirements governing labor relations that are binding upon the City.

Charter section 70 limits the authority of the City Council to revise the compensation schedules during a fiscal year. However, Charter section 70 also mandates that increases and decreases of salary or wages of City officers and employees must be consistent with the salary or wage schedules established by the annual Salary Ordinance and in accordance with the MMBA or legal requirements governing labor relations that are binding upon the City.

In adopting the Salary Ordinance, the City Council also acknowledges its duty set forth in Charter section 130 to ensure that the compensation tables establish uniform compensation for like service.

The City Council acknowledges that any change to a mandatory subject of bargaining covered by this Ordinance requires agreement with the impacted employee organization or completion of any applicable impasse procedures. Where applicable, actions that the City Council takes pursuant to the MMBA will control the interpretation, application, and enforcement of this Ordinance.

The City Council reserves its authority to modify any terms and conditions of employment for the City employees established here, in accordance with the MMBA and compliance with the Charter, including section 70, and City Council Policy 300-06.

The City Council authorizes the Mayor to take any necessary steps to implement and administer MOUs that have been or will be approved by the City Council. However, if the City Council finds and determines that adjustments to the salary or wage tables set forth in this Ordinance are necessary during Fiscal Year 20223, those adjustments will be made by this City Council, in accordance with the Charter and the MMBA.

Section 27. COMPLIANCE WITH APPLICABLE LAW

The City Council intends this Ordinance to comply with all federal, state, and local laws and regulations applicable to the City as a public agency employer. The Ordinance must be implemented in accordance with applicable laws and regulations, including the MMBA. The Mayor, the Personnel Director, the Comptroller, the Risk Management Director, and other City officers are responsible for implementing employee compensation, including pay and benefits, in accordance with applicable laws and with the officers' Charter-mandated duties.

Section 28. EXEMPTION OF POSITIONS FROM THE CLASSIFIED SERVICE

The City Council may exempt additional positions from the Classified Service during Fiscal Year 20223 in accordance with Charter section 117(a)(17).

Section 29. CERTIFICATION OF PAYROLLS AND CREATION OF PAY CODES

In accordance with Charter section 126, the City Treasurer must not pay and the Chief Financial Officer must not issue a warrant for the payment of any salary or compensation to any person holding, or claiming to hold, a position in the classified or unclassified service unless the

payroll or account of such salary or wage bears the certificate of the Personnel Director, stating that the person named in the payroll or account has been elected, appointed, or employed by the City and is performing service in accordance with the provisions of the Charter and the rules established thereunder; that the person's name appears upon the service register for the time for which the salary or wage is claimed; and that the salary or wage is at the rate indicated on the register, and in accordance with this Ordinance.

The Chief Financial Officer, in consultation with the Personnel Director, is authorized to create pay codes to properly record the employment status and compensation of City officers and employees, including pay codes to document retroactive payment of compensation when ordered by a court of competent jurisdiction or an administrative agency legally authorized to award retroactive compensation in accordance with the Charter and ordinances adopted thereunder or controlling state law. The pay codes must be set forth in the annual "Earnings Code Document," referenced in Section 7.4 above.

Section 30. The City Council does not intend to ratify the implementation or funding of any illegal employment or retirement benefit by adopting this Ordinance.
