

ORDINANCE NUMBER O- 21459 (NEW SERIES)

DATE OF FINAL PASSAGE MAY 23 2022

AN ORDINANCE AMENDING CHAPTER 3 OF THE
SAN DIEGO MUNICIPAL CODE BY ADDING ARTICLE 6,
DIVISION 1, SECTIONS 36.0101 THROUGH 36.0116; AND
AMENDING CHAPTER 5, ARTICLE 4, DIVISION 1 BY
AMENDING SECTION 54.0105, ALL RELATING TO
SIDEWALK VENDING.

WHEREAS, on September 17, 2018, Governor Brown signed Senate Bill 946 (SB 946) into law, adding sections 51036 through 51039 to the California Government Code, which took effect on January 1, 2019; and

WHEREAS, SB 946 limits the authority of cities and counties to regulate sidewalk vendors except in accordance with the provisions of California Government Code sections 51038 and 51039; and

WHEREAS, more specifically, SB 946 limits local regulations to those expressly provided for in the bill or those that are otherwise directly related to objective health, safety, or welfare concerns; and

WHEREAS, the San Diego Municipal Code (SDMC) currently regulates sidewalk vendors in a manner that is inconsistent with SB 946; and

WHEREAS, SB 946 decriminalizes sidewalk vending on sidewalks and limits local regulations to those expressly provided for in SB 946 or are otherwise directly related to objective health, safety, or welfare concerns; and

WHEREAS, although SB 946 may intrude upon a municipal affair by dictating to charter cities what can or cannot be done on local sidewalks and in local parks, the City of San Diego (City) desires to adopt a sidewalk vending program and amend the SDMC to encourage entrepreneurship and provide economic opportunities for people to support themselves and their families consistent with the intent of SB 946; and

WHEREAS, mobile entrepreneurship provides economic opportunity for people to support themselves and their families, especially during this time of economic recovery due to the COVID-19 pandemic; and

WHEREAS, at the same time, the act of vending on public sidewalks creates the potential for safety hazards, such as inhibiting the ability of individuals with disabilities and other pedestrians to follow a safe path of travel; interfering with the performance of police, firefighter, and emergency medical personnel services; encouraging pedestrians to cross mid-block or stand in roadways to purchase food and merchandise; and creating obstacles and contributing to congestion for pedestrian, vehicle, and bicycle traffic; and

WHEREAS, ensuring the unobstructed flow of pedestrian traffic on public sidewalks and pedestrian paths promotes public safety by minimizing the risk that pedestrians will jostle one another, collide, trip, or fall, and safeguarding the ability of the public to safely be away from dangerous situations, such as vehicular and bicycle traffic that may occur on or near public streets, sidewalks, and pedestrian paths; and

WHEREAS, ensuring the free flow of pedestrian traffic is particularly important to the safety of the elderly, the very young, individuals with disabilities, and others who are less able to navigate through crowds and around obstacles or hazards and who are particularly endangered by having to navigate off and onto curbs when sidewalks or pedestrian paths are blocked; and

WHEREAS, hindrances to the free flow of pedestrian traffic, particularly in the City's congested public places, may interfere with the work of public safety personnel seeking immediate access to emergency situations and with other work vital to the public health and safety, such as cleaning and maintenance of public places and public property; and

WHEREAS, regulations of sidewalk vendors are needed to accommodate the equipment of sidewalk vendors while safeguarding pedestrian movement on public sidewalks; and

WHEREAS, regulations of sidewalk vendors engaged in the sale of food are also needed to protect the public health and safety and in accordance with the requirements of the San Diego County Health Department to ensure compliance with sanitation, food preparation, and food handling laws to protect against food contamination, poor hygienic practices, and food poisoning; and

WHEREAS, regulations of sidewalk vendors are needed to prevent hazardous or unsanitary conditions and to ensure that trash and debris are appropriately removed by sidewalk vendors so that such trash and debris do not become a pollutant by being left, thrown, discarded, or deposited on City streets, sidewalks, pathways, gutters, storm drains, or upon public or private lots; and

WHEREAS, a prohibition on sidewalk vending is necessary for public safety reasons in portions of East Village because of the unusually high concentration of narcotic sales, possession, and under the influence arrests that occur in this location and the problems that have already been experienced with sidewalk vendors peddling cigarettes, alcohol, and acting as facilitators for illegal narcotic sales; and

WHEREAS, restrictions on sidewalk vending in public parks and beaches are also necessary to ensure the public's use and enjoyment of natural resources and recreational opportunities, and to prevent an undue concentration of commercial activity that would unreasonably interfere with the scenic and natural character of these parks and beaches; and

WHEREAS, restrictions on sidewalk vending in residential areas are necessary to ensure that such areas are protected from excessive noise and traffic impacts, while allowing economic opportunities for sidewalk vendors; and

WHEREAS, the regulations and requirements set forth in this Ordinance are directly related to the City's objective in protecting the health, safety, and welfare of its residents, businesses, and visitors; and

WHEREAS, the City Council finds that regulation of sidewalk vending benefits the City as a whole as it leads to equitable commerce; and

WHEREAS, in accordance with SB 946, enforcement of violations under this Ordinance will be conducted through the issuance of administrative fines with escalating fines for repeated violations and permit revocation, as opposed to criminal remedies; and

WHEREAS, this Ordinance is adopted pursuant to San Diego Charter section 2, which authorizes the City "to make and enforce all laws and regulations in respect to municipal affairs, subject only to the restrictions and limitations provided in this Charter;" NOW, THEREFORE,

BE IT ORDAINED, by the Council of the City of San Diego, as follows:
