

RESOLUTION NUMBER R- 314320DATE OF FINAL PASSAGE SEP 21 2022

A RESOLUTION OF THE COUNCIL OF THE CITY OF SAN DIEGO DETERMINING THAT APPROVAL OF THE FIVE-YEAR AGREEMENT WITH ADS CORPORATION FOR WASTEWATER FLOW MONITORING EQUIPMENT, SOFTWARE, AND SERVICES (RFP 10089830-22-J) IS CATEGORICALLY EXEMPT FROM THE CALIFORNIA ENVIRONMENTAL QUALITY ACT PURSUANT TO CEQA GUIDELINES SECTIONS 15301 (EXISTING FACILITIES) AND 15306 (INFORMATION COLLECTION).

WHEREAS, this action requests authorization and approval of the City Council of the City of San Diego (City Council) to execute a five-year Agreement with ADS Corporation to provide accurate, reliable, defensible, and timely information collection data for sewer revenue billing, performing sewer capacity modeling assessments and to install sewage spill detection alarms in existing infrastructure (Project); and

WHEREAS, the California Environmental Quality Act (CEQA) (Public Resources Code section 21000-21189.70.10), section 21084, states that the CEQA Guidelines (California Code of Regulations, Title 14, Chapter 3, section 15000 to 15387) shall list those classes of projects which have been determined not to have a significant effect on the environment and which shall be exempt from CEQA; and

WHEREAS, under that authority, CEQA Guidelines sections 15300-15333 list the categorical exemptions promulgated by the California Office of Planning and Research and adopted by the Secretary of the California Natural Resources Agency for those classes of projects which have been determined not to have a significant effect on the environment; and

WHEREAS, the City's Planning Department has established that the Project is categorically exempt from CEQA under CEQA Guidelines section 15301 (Existing Facilities), and categorically exempt from CEQA under CEQA Guidelines section 15306 (Information Collection), and that no exceptions to the exemptions, as set forth in CEQA Guidelines section 15300.2, apply to the Project; and

WHEREAS, the City Council held a duly noticed public meeting, and has considered the potential environmental effects of the Project, and the written and verbal testimony and evidence presented at or before the public hearing, regarding the subject matter of this Resolution; and

WHEREAS, the Council of the City of San Diego, using its independent judgment, has determined that the Project will not have a significant effect on the environment under CEQA Guidelines section 15301 (Existing Facilities), or under CEQA Guidelines section 15306 (Information Collection), because the Project consists of obtaining accurate, reliable, defensible, and timely information collection data from existing infrastructure for sewer revenue billing, performing sewer capacity modeling assessments and installing sewage spill detection alarms in existing infrastructure, and the Project location adds no new facilities and is not environmentally sensitive; NOW, THEREFORE,

BE IT RESOLVED, by the Council of the City of San Diego, as follows:

1. That the Project is categorically exempt from CEQA, under CEQA Guidelines sections 15301 (Existing Facilities) and 15306 (Information Collection).
2. That the Council of the City of San Diego has determined that an exception to the exemptions as set forth in CEQA Guidelines section 15300.2 would not apply.
