WHEREAS, in response to the COVID-19 pandemic, Governor Newsom, the Centers for Disease Control and Prevention (CDC), the County of San Diego Public Health Official (Public Health Official), and the Mayor, have issued directives and guidance to state and local residents that include limiting activities outside the home, housing the unsheltered population, requiring masks to be worn while indoors in public places, practicing safe-distancing measures, isolating if diagnosed with, or likely to have COVID-19, and administering vaccinations; and

WHEREAS, California Government Code section 8630 authorizes local governing bodies to proclaim local emergencies when such events occur as are defined by California Government Code section 8558(c), provided further by section 8630 that the local governing body must review the state of emergency at least every sixty (60) days until the emergency is declared to be terminated and shall proclaim the termination of the local emergency at the earliest possible date that conditions warrant; and

WHEREAS, since declaring a local emergency in the City of San Diego, City Council has regularly continued the declaration as required by State law, last extending the local emergency on July 19, 2022, by Resolution No. R-314235; and

WHEREAS, on August 4, 2022, County of San Diego's Health and Human Services Agency (HHSA) announced that COVID-19 activity remains high in the San Diego region; and

WHEREAS, on August 17, 2022, the U.S. Department of Health and Human Services stated it plans to extend the COVID-19 public health emergency for another 90 days in mid-October; and

WHEREAS, an extension would ensure expanded Medicaid coverage, telehealth services, boosted payments to hospitals, and other pandemic measures remain in place; and
