THE RALPH M. BROWN ACT.

WHEREAS, a novel coronavirus, COVID-19, causes infectious disease and was first detected in other countries in December 2019; and

WHEREAS, COVID-19 symptoms include fever, cough, and shortness of breath, and those who have been afflicted have experienced anything from mild illness to death; and

WHEREAS, the Centers for Disease Control and Prevention (CDC) considers COVID-19 to be a very serious public health threat, and the World Health Organization (WHO) declared the COVID-19 outbreak to be a global pandemic; and

WHEREAS, on February 19, 2020, the County Board of Supervisors ratified a declaration of local health emergency related to COVID-19 that remains in effect today; and

WHEREAS, on March 4, 2020, Governor Gavin Newsom proclaimed a state of emergency in California as a result of the threat of COVID-19 that remains in effect today; and

WHEREAS, on March 12, 2020, the Mayor of the City of San Diego proclaimed the existence of a local emergency related to the COVID-19 threat, which was ratified by the City Council on March 17, 2020, and remains in effect today; and

WHEREAS, since March 2020, the California Governor, the County of San Diego Public Health Official, and the Mayor of San Diego have all issued directives and guidance that impact residents of San Diego; and

WHEREAS, the Governor's Executive Orders N-25-20 and N-29-20, issued on March 12, 2020 and March 17, 2020, respectively, suspended provisions of the Ralph M. Brown Act (Brown Act) related to teleconferencing of meetings, permitting local jurisdictions to hold public meetings via teleconferencing and allowing members of the public to observe and address the meeting telephonically or otherwise electronically; and

WHEREAS, the Governor's Executive Orders N-08-21 and N-15-21, issued on June 11, 2021 and September 20, 2021, respectively, extended the suspension of the Brown Act provisions through October 1, 2021; and

WHEREAS, on September 16, 2021, the Governor signed Assembly Bill 361, which provides that a local agency may use revised teleconferencing rules in California Government Code section 54953(e), if the legislative body makes certain findings that the state of emergency continues to directly impact the ability of the members to meet safely in person and those findings are reconsidered every 30 days; and

WHEREAS, on September 13, 2022, City Council made new findings that as a result of the continuing state of emergency related to COVID-19, requiring all participants at public meetings of City Council and other public meetings, to meet in person would present imminent risks to the health or safety of attendees; and

WHEREAS, on October 17, 2022, the Governor announced that he will end the COVID-19 state of emergency on February 28, 2023, which will give the health care system flexibility to handle any potential surge that may occur after the holidays and provides time to phaseout reliance on the state of emergency; and

WHEREAS, the Los Angeles times recently reported on October 1, 2022, a wide expectation for an increase in COVID-19 cases this fall and winter with an uptick in cases in New York already occurring; and

WHEREAS, experts are tracking COVID-19 spread in Europe as an indicator of what could happen in the United States in coming months, including the spread of new variants; and

WHEREAS, the University of California, San Francisco chair of medicine recently reported concern about “the persistently low numbers of people getting new bivalent booster shots” and expects that could result in tens of millions of preventable cases and thousands of preventable deaths, most within high-risk groups; and

WHEREAS, City Council members, Council members’ staff, and City staff with existing health conditions, autoimmune disorders, pregnancies, and other pre-existing conditions are still at risk of contracting COVID-19 and being severely impacted by the disease regardless of vaccination status; and

WHEREAS, the public health and safety of attendees at public hearings in the City is of the utmost importance; and

WHEREAS, the Office of the City Attorney has drafted this resolution based on the information provided by City staff, with the understanding that this information is complete, true, and accurate; and

WHEREAS, under San Diego Charter section 280(a)(1), this resolution is not subject to veto by the Mayor because this matter is exclusively within the purview of the City Council and not affecting the administrative service of the City under the control of the Mayor;

NOW, THEREFORE,

BE IT RESOLVED, by the Council of the City of San Diego, and also sitting as the legislative body of the Housing Authority of the City of San Diego and of the Public Facilities Financing Authority, as follows:

1. That the recitals set forth above are true and correct and form the basis for the findings of this Resolution.
