WHEREAS, on November 14, 2019, the City of San Diego executed a sole-source agreement with Tablet Command, Inc. (Tablet Command) for emergency incident management application services (Agreement); and

WHEREAS, Tablet Command provides a software application integrated with the City of San Diego Fire-Rescue Department's (Fire-Rescue) 9-1-1 Computer-Aided Dispatch (CAD) system; and

WHEREAS, the Tablet Command software provides a web application and an application for mobile devices; and

WHEREAS, on a regular basis, the software supports situational awareness by displaying a list of active emergency incidents and providing users with push notifications; and

WHEREAS, the City's primary ambulance transport provider, Falck Mobile Health, also has access to the software; and

WHEREAS, licenses for Tablet Command software have been extended to San Diego Park Rangers for situational awareness of medical aids and/or emergencies in their jurisdictions; and

WHEREAS, during large-scale emergency or disaster response, the software assists the Incident Commander in tracking and managing the assignment of emergency resources; and

WHEREAS, the software system is integrated with Fire-Rescue's staffing system so that crew names are associated with their units (i.e., the Incident Commander can account for crews on scene); and

WHEREAS, since the initial deployment of this software application, all agencies in the MetroZone have adopted its usage and it has proven to be very beneficial as a shared platform for incidents with multi-agency response; and

WHEREAS, as the dispatching services provider for the Chula Vista, Coronado, Imperial Beach, National City and Poway fire departments, the City procures the Tablet Command licenses for these agencies through its account and is reimbursed by these partner agencies based on their actual usage; and

WHEREAS, Fire-Rescue seeks to extend the term of this Agreement to June 30, 2028, and increase the Agreement amount by \$555,000 for a total not-to-exceed amount of \$858,000; and

WHEREAS, on April 24, 2023, the Purchasing and Contracting Director approved a modified Sole Source Request for the Agreement with Tablet Command; and

WHEREAS, under San Diego Charter section 99, no contract, agreement, or obligation extending for a period of more than five years may be authorized except by Ordinance approved by two-thirds majority vote of the City Council; and

WHEREAS, the Office of the City Attorney has drafted this ordinance based on the information provided by City staff, with the understanding that this information is complete, true, and accurate; NOW, THEREFORE,

BE IT ORDAINED, by the Council of the City of San Diego, as follows:

Section 1. That the Mayor, or his designee, is authorized to execute a third amendment to the Agreement between the City of San Diego and Tablet Command for emergency incident
