WHEREAS, the City of San Diego Fire Rescue Department (SDFD) Air Operations Section responds to more than 400 emergencies annually, on a 7-day/24-hour basis; and

WHEREAS, after the 2014 Bernardo Firestorm, the City of San Diego (City) After Action Report (AAR) recommended the City increase the number fire/rescue helicopters to three to ensure SDFD's ability to provide aerial fire suppression and rescue; and

WHEREAS, the SDFD Air Operations Section is currently operating with a fleet of two fire/rescue helicopters; and

WHEREAS, SDFD desires to purchase one Bell 412EPX fire/rescue helicopter to replace Copter 1, a 1980 Bell 212HP helicopter that is beyond economical repair. Copter 1 was decommissioned in 2023; and

WHEREAS, on September 27, 2023, the Purchasing Agent approved a sole source for acquiring the Bell 412EPX fire/rescue helicopter under San Diego Municipal Code (SDMC) section 22.3016; and

WHEREAS, the total cost of the acquisition to be financed, including deposit, outfitting, and taxes, is projected to not to exceed \$17.3 million; and

WHEREAS, an amount not to exceed \$1.0 million to be advanced from the General Fund in Fiscal Year 2024 for the initial deposit payment is necessary to order the helicopter; and

WHEREAS, the City's Equipment and Vehicle Financing Program (EVFP) is the most cost-effective tool to finance the helicopter purchase; and

WHEREAS, the helicopter purchase is contingent on the City securing financing through a separate procurement process and City Council approval action; and

WHEREAS, the lender will be procured by the Department of Finance, Debt

Management Division, through a request for proposal and approved by City Council; and

WHEREAS, upon approval by the City Council in a separate action, the City EVFP will reimburse the General Fund for the advanced payment and finance the total costs not to exceed \$17.3 million, which includes \$14.2 million for the helicopter, \$1.8 million for outfitting/completion, and \$1.3 million for the sales tax, over a 10-year term through lease purchase financing; and

WHEREAS, any surveillance technology to be outfitted will comply with the Transparent and Responsible Use of Surveillance Technology Ordinance (TRUST Ordinance), codified in Chapter 2, Article 10, of the SDMC; and

WHEREAS, the subsequent lease payments will come from SDFD's budget within the General Fund for the applicable fiscal year; and

WHEREAS, the Office of the City Attorney has drafted this resolution based on the information provided by City staff, with the understanding that this information is complete, true, and accurate; NOW, THEREFORE,

BE IT RESOLVED, by the City Council of the City of San Diego, that the Mayor or his designee is authorized to execute for and on behalf of the City an agreement between the City of San Diego and Bell Textron Inc. to purchase one Bell 412EPX fire/rescue helicopter; and

BE IT FURTHER RESOLVED, that the Chief Financial Officer is authorized to appropriate and expend an amount not to exceed \$1.0 million to be advanced from the General Fund in Fiscal Year 2024 for the initial deposit payment necessary to order one Bell 412EPX fire/rescue helicopter. Upon delivery of the helicopter, the payment of the remaining balance will be advanced from the General Fund, with the expectation that, with the future approval of the City Council, the City Equipment Vehicle Financing Program (EVFP) will reimburse the General Fund for the advanced payment and finance the total costs not to exceed \$17.3 million, which includes \$14.2 million for the helicopter, \$1.8 million for outfitting/completion, and \$1.3 million for the sales tax, over a 10-year term through lease purchase financings. The subsequent lease payments will come from the Fire-Rescue Department budget within the General Fund, contingent upon the approval of the appropriation ordinance for the applicable fiscal year and the Chief Financial Officer furnishing one or more certificates certifying that funds necessary for expenditure are, or will be, on deposit with the City Treasurer.
