

RESOLUTION NUMBER R- 315999

DATE OF FINAL PASSAGE JAN 30 2025

A RESOLUTION OF THE COUNCIL OF THE CITY OF SAN DIEGO TO SET PARKING METER RATES AND WAIVE COUNCIL POLICY 100-18.

RECITALS

The Council of the City of San Diego (Council) adopts this Resolution based on the following:

A. San Diego Municipal Code section 86.0123 allows the Council to set parking meter rates within the range of \$0.25 to \$2.50 per hour.

B. Currently, the City charges parking meter rates between \$.50 and \$1.25 per hour at meters located throughout the City.

C. The Council seeks to increase the parking meter rates so that each hourly rate currently charged by the City is doubled. For example, parking meters that currently charge \$.50 per hour will increase to \$1.00 per hour, and those that currently charge \$.75 per hour will increase to \$1.50 per hour.

D. Council Policy 100-18 requires that parking meter revenue is shared with the Community Parking Districts. The Independent Budget Analyst recommends that Council waive this requirement for the incremental revenue received from these increases in the parking meter rates for the remainder of Fiscal Year 2025.

E. The Office of the City Attorney prepared this Resolution based on the information provided by City staff (including information provided by affected third parties and verified by City staff), with the understanding that this information is complete and accurate.
