SAN DIEGO ADOPTING AN AMENDMENT TO THE  
MIRA MESA COMMUNITY PLAN AND LOCAL COASTAL  
PROGRAM APPROVING MODIFICATIONS BY THE  
CALIFORNIA COASTAL COMMISSION.

RECITALS

The Council of the City of San Diego (Council) adopts this Resolution based on the following:

A. On December 5, 2022, the Council held a public hearing considering amendments to the General Plan, Mira Mesa Community Plan and Local Coastal Program (LCP), San Diego Municipal Code (Municipal Code), a rezone action, and certification of a Final Program Environmental Impact Report and adoption of a Mitigation, Monitoring and Reporting Program.

B. On December 5, 2022, the Council adopted and recommended certification of the amendments to the General Plan, Mira Mesa Community Plan and LCP to the California Coastal Commission.

C. On January 10, 2023, the Council adopted and recommended certification of the Municipal Code amendments, rezone action, and amendments to the LCP to the California Coastal Commission.

D. The California Coastal Act (California Public Resources Code section 30000, *et seq.*) requires California Coastal Commission certification of a land use plan of a proposed LCP.

E. On September 12, 2024, the California Coastal Commission held a public hearing considering amendments to the Mira Mesa Community Plan and LCP, amendments to the Municipal Code, and the rezone action. The California Coastal Commission conditionally certified the land use plan amendments with modifications to the Mira Mesa Community Plan.

The California Coastal Commission's modifications include modifications to plan policies regarding public access and recreation, low-cost visitor accommodations, environmentally sensitive habitat areas, tribal, cultural, archeological and paleontological resource protection, multi-modal access, stormwater management, and fire safety and hazard management.

F. On September 12, 2024, the California Coastal Commission issued a written certification order No. 2300151 and transmitted the order to the City with the suggested modifications for adoption by the Council.

G. On December 19, 2024, the Planning Commission of the City of San Diego considered the modifications from the California Coastal Commission and, pursuant to Resolution No. 5325-PC, voted to recommend the Council adopt the modifications from the California Coastal Commission.

H. On February 11, 2025, the Council held a public hearing for the purpose of considering the modifications from the California Coastal Commission to the Mira Mesa Community Plan and LCP amendments. The Council considered the Planning Commission record and recommendations, as well as all maps, exhibits, and written documents contained in the file for the Mira Mesa Community Plan and LCP amendments on record in the City, and has considered the oral presentations given at the public hearing.

I. The amendments retain internal consistency with the General Plan, and the Mira Mesa Community Plan and LCP are a component of the General Plan and help achieve long-term community and citywide goals.

J. The Office of the City Attorney prepared this Resolution based on the information provided by City staff, including information provided by affected third parties and verified by City staff, with the understanding that this information is complete and accurate.
