RESOLUTION NUMBER R- 316217

DATE OF FINAL PASSAGE MAY 2 3 2025

A RESOLUTION OF THE COUNCIL OF THE CITY OF SAN DIEGO DETERMINING THAT THE APPROVAL OF THE PROJECTS TO BE FUNDED BY FISCAL YEAR 2026 ROAD MAINTENANCE AND REHABILITATION ACCOUNT (RMRA) FUNDS AND AUTHORIZING THE MAYOR TO ENTER INTO CONTRACTS FOR THOSE PROJECTS IS CATEGORICALLY EXEMPT FROM THE CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA) UNDER CEQA GUIDELINES SECTIONS 15301(C), 15302, AND 15304.

RECITALS

The Council of the City of San Diego (Council) adopts this Resolution based on the following:

- A. The Council will consider approving the list of projects to be funded by Fiscal Year 2026 Road Maintenance and Rehabilitation Account funds, and authorizing the Mayor to advertise for and award contracts for the projects on the list, specifically, Slurry Seal Groups 2621, 2622, 2623, 2624, 2625, 2626 and 2627 to provide for slurry sealing and related street maintenance (Project).
- B. The California Environmental Quality Act (CEQA), California Public Resources Code (Code) sections 21000-21189.91, provides in Code section 21083 that the California Office of Planning and Research will promulgate, and the Secretary of the California Natural Resources Agency will adopt, guidelines for implementation of CEQA. The California Office of Planning and Research promulgated, and the Secretary of the California Natural Resources Agency adopted, the guidelines for implementation of CEQA set forth in Title 14 California Code of Regulations sections 15000 through 15387 (CEQA Guidelines).
- C. Code section 21084 requires the CEQA Guidelines to include a list of classes of projects that have been determined not to have a significant effect on the environment and are

exempt from the provisions of CEQA. CEQA Guidelines sections 15300-15333 list the classes of projects that have been determined not to have a significant effect on the environment and declared to be exempt from the preparation of environmental documents under CEQA.

- The Council has considered the written record related to the Project and all public D. comments about the potential environmental effects of the Project. The Council, using its independent judgment, has determined that the Project is categorically exempt from the provisions of CEQA under CEQA Guidelines section 15301(c) (titled "Existing Facilities") on the basis that it allows for the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use, including existing highways and streets, sidewalks, gutters, bicycle and pedestrian trails, and similar facilities, including road grading for the purpose of public safety, and other alterations such as the addition of bicycle facilities, including but not limited to bicycle parking, bicycle-share facilities and bicycle lanes, transit improvements such as bus lanes, pedestrian crossings, street trees, and other similar alterations that do not create additional automobile lanes; CEQA Guidelines section 15302 (titled "Replacement and Reconstruction") which exempts the replacement or reconstruction of existing structures and facilities where the new structure will be located on the same site as the structure replaced and will have substantially the same purpose and capacity as the structure replaced; and CEQA Guidelines section 15304 (titled "Minor Alterations to Land") which consists of minor public or private alterations to the condition of land, water, and/or vegetation, which do not involve removal of healthy, mature, scenic trees except for forestry or agricultural purposes.
- E. No exception to the application of a categorical exemption set forth in CEQA
 Guidelines section 15300.2 applies to the Project.
 - F. The Office of the City Attorney has drafted this resolution based on the
