A RESOLUTION OF THE COUNCIL OF THE CITY OF SAN DIEGO APPROVING THE PROJECTS ON THE CITY'S LIST TO BE FUNDED BY FISCAL YEAR 2026 ROAD MAINTENANCE AND REHABILITATION ACCOUNT (RMRA) FUNDS AND AUTHORIZING THE AWARD, EXECUTION AND FUNDING OF SLURRY SEAL GROUP PROJECTS 2621, 2622, 2623, 2624, 2625, 2626 AND 2627, AND RELATED ACTIONS.

RECITALS

The Council of the City of San Diego (Council) adopts this Resolution based on the following:

A. Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and signed into law by the Governor in April 2017 to address the significant multi-modal transportation funding shortfalls statewide.

B. SB 1 includes accountability and transparency provisions that will ensure the residents of the City of San Diego are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year.

C. The City must adopt by resolution a list of projects proposed to receive fiscal year funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement.

D. City staff identified projects that are proposed to use RMRA funding, and those projects are included in the list attached as Exhibit A, "City of San Diego - Fiscal Year 2026 Road Maintenance and Rehabilitation Account Project List" (Project List).

E. The City will receive an estimated \$36,347,892.00 in RMRA funding in Fiscal Year 2026 from SB 1.

F. The funding from SB 1 will allow the City to pursue seven cape seal and slurry seal projects for the maintenance of approximately 241 lane miles of streets and roads in all nine City Council Districts in Fiscal Year 2026.

G. The Office of the City Attorney prepared this Resolution based on the information provided by City staff including information provided by affected third parties and verified by City staff, with the understanding that this information is complete and accurate.

Project Flexibility:

Pursuant to SHC Section 2034(a)(1), this project list shall not limit the flexibility of an eligible city or county to fund projects in accordance with local needs and priorities, so long as the projects are consistent with SHC Section 2030(b). After submittal of the project list to the Commission, in the event a city or county elects to make changes to the project list pursuant to the statutory provision noted above, formal notification of the Commission is not required. However, the Project Expenditure Report form that is due to the Commission by October 1st each year, will provide an opportunity for jurisdictions to annually communicate such changes to the Commission as part of the regular reporting process.
