

RESOLUTION NUMBER R- **316242** (NEW SERIES)

DATE OF FINAL PASSAGE **JUN 0 5 2025**

A RESOLUTION OF THE COUNCIL OF THE CITY OF  
SAN DIEGO DECLARING THE INTENT OF THE CITY TO BE  
REIMBURSED FOR CERTAIN CAPITAL EXPENDITURES  
RELATED TO CITY CAPITAL IMPROVEMENTS AND  
EQUIPMENT FROM THE PROCEEDS OF OBLIGATIONS.

RECITALS

The Council of the City of San Diego (Council) adopts this Resolution based on the following:

A. The City of San Diego (City) Capital Improvement Program (as may be updated in accordance with Council Policy No. 800-14 (as amended from time-to-time)) is composed of various projects including the acquisition, design, construction, installation, improvement, replacement and equipping of City capital improvement projects and the acquisition of equipment (Projects) located throughout the City.

B. The City expects to utilize funding sources including pay-go funds as well as proceeds of lease revenue bonds, commercial paper and other securities (Obligations), including those issued by the Public Facilities Financing Authority of the City of San Diego, to pay for eligible costs of the Projects.

C. The City will pay certain capital expenditures in connection with the Projects (Expenditures) prior to the issuance of one or more series of tax-exempt Obligations in the expected approximate principal amount of \$1 billion.

D. The City reasonably expects that certain of the proceeds of the Obligations will be used to reimburse the City for the Expenditures.

E. Section 1.150-2 of the Treasury Regulations requires the City to declare its reasonable official intent to be reimbursed for prior Expenditures made for the Projects with proceeds of a subsequent borrowing.

F. The Office of the City Attorney prepared this Resolution based on the information provided by City staff (including information provided by affected third parties and verified by City staff), with the understanding that this information is complete and accurate.

ACTION ITEMS

Be it resolved by the Council of the City of San Diego:

1. The City Council hereby finds and determines that the statements set forth above in the recitals to this Resolution are true and correct.

2. The City hereby states its intention and reasonably expects to reimburse, with proceeds of the Obligations, costs of the Projects incurred prior to the issuance of the Obligations.

3. The reasonably expected maximum principal amount of the Obligations is \$1 billion.

4. This Resolution is being adopted on or prior to the date that is not later than 60 days after the date or dates that the City will expend monies for costs of the Projects to be reimbursed from proceeds of the Obligations (such date or dates, the "Expenditure Date or Dates").

5. Except as described below, the expected date of issue of the Obligations will be within eighteen (18) months of the later of the Expenditure Date or Dates and the date the applicable portion of the Projects is placed in service; provided that the reimbursement may not be made more than three (3) years after an Expenditure Date.

6. Proceeds of the Obligations to be used to reimburse prior Expenditures are not expected to be used, within one (1) year of reimbursement, directly or indirectly to pay debt service with respect to any obligation (other than to pay current debt service coming due within the next succeeding one-year period on any tax-exempt obligation of the City other than the Obligations) or to be held as a reasonably required reserve or replacement fund with respect to an obligation of the issuer or any entity related in any manner to the City, or to reimburse any expenditure that was originally paid with the proceeds of any obligation, or to replace funds that are or will be used in such manner.

7. This Resolution is consistent with the budgetary and financial circumstances of the City, as of the date hereof. No monies from sources other than the Obligations issued are, or are reasonably expected to be reserved, allocated on a long-term basis, or otherwise set aside by the City (or any related party) pursuant to their budgets or financial policies with respect to the costs of the Projects. To the best of our knowledge, this City Council is not aware of the previous adoption of official intents by the City that have been made as a matter of course for the purpose of reimbursing expenditures and for which tax-exempt obligations have not been issued.

8. The limitations described in sections 4 and 5 do not apply to (a) costs of issuance of the Obligations, (b) an amount not in excess of the lesser of \$100,000 or five percent (5%) of the proceeds of the Obligations, or (c) any preliminary expenditures, such as architectural, engineering, surveying, soil testing, and similar costs other than land acquisition, site preparation, and similar costs incident to commencement of construction, not in excess of twenty percent (20%) of the aggregate issue price of the Obligations that finances the Projects for which the preliminary expenditures were incurred.

9. This Resolution is adopted as an official action of the City in order to comply with Treasury Regulation § 1.150-2 and any other regulations of the Internal Revenue Service relating to the qualification for reimbursement of City Expenditures incurred prior to the date of issue of the Obligations, is part of the City's official proceedings, and will be available for inspection by the general public at the main administrative office of the City.

10. This declaration of intent does not bind the City to make any expenditure, incur any indebtedness, or proceed with the Projects.
