

RESOLUTION NUMBER R- **316252**

DATE OF FINAL PASSAGE **JUN 16 2025**

A RESOLUTION OF THE COUNCIL OF THE CITY OF  
SAN DIEGO APPROVING THE FIRST AMENDMENT TO  
THE AGREEMENT WITH ROBCAR CORPORATION (DBA  
HUDSON SAFE-T-LITE RENTALS) FOR MISCELLANEOUS  
TRAFFIC AND STREET WARNING DEVICES (ITB  
10089947-23-W) AND AUTHORIZING RELATED ACTIONS.

RECITALS

The Council of the City of San Diego (Council) adopts this Resolution based on the following:

- A. The City of San Diego Engineering & Capital Projects Department, Transportation Department, Stormwater Department, and Public Utilities Department all have continuing requirements for traffic control, street warnings, and detours made necessary by infrastructure construction, repair, and maintenance work occurring on City streets.
- B. These services and rentals are used to direct and warn the public of traffic and road hazards or alert traffic to the presence of activities in the roadway and divert traffic accordingly.
- C. To meet these needs, the City advertised Invitation to Bid (ITB) No. 10089837-22-G on October 20, 2021, and on April 6, 2023, awarded a contract in an amount not to exceed \$3,000,000 to prevailing bidder Hudson Safe-T-Lite Rentals, pursuant to San Diego Municipal Code section 22.3206.
- D. The City's requirements for these contract services have dramatically increased since April 2023 because of the increased size and number of storm drain repair and replacement projects performed by City forces, a work volume which has increased more than two-fold since 2023.

E. This increase in City force work followed an assessment that determined that it is faster and more efficient to complete small storm water pipe replacement projects with City forces rather than through the public works contracts.

F. The Public Utilities Department also had an increase in the demand for the materials and services provided under the Hudson Safe-T-Light contract due to a higher volume and complexity of projects in the Pure Water Program, and emergencies caused by storms which require urgent response.

G. The Transportation Department experienced an increase in demand for these materials and services over the course of Fiscal Year 2025 due to fielding two new street resurfacing teams, an additional sidewalk repair team, and a focus on larger, full segment curb to curb resurfacing projects which require more complex and expansive traffic control support.

H. It is in the City's interest to amend the Hudson Safe-T-Light contract to allow for an increase in the quantities of the items listed in the original contract at the original pricing and unit cost terms and conditions in the contract.

I. The Office of the City Attorney prepared this Resolution based on the information provided by City staff, with the understanding that this information is complete and accurate.

ACTION ITEMS

Be it resolved by the Council of the City of San Diego:

1. The Council approves the First Amendment to the Agreement with Robcar Corporation (dba Hudson Safe-T-Lite Rentals) for Miscellaneous Traffic and Street Warning Devices (ITB 10089947-23-W), on the terms and conditions set forth in City Clerk Document No. RR-**316252**.

3. The Chief Financial Officer is authorized to expend an amount not to exceed \$9,600,000 over the full term of the contract, contingent upon Council adoption of the Annual Appropriations Ordinance for the applicable fiscal year, and sufficient funding being available in the requesting Department's budget in each fiscal year over the term of the contract, and further contingent upon the Chief Financial Officer first certifying that the funds necessary for expenditure are, or will be, on deposit with the City Treasurer.
