

ORDINANCE NUMBER O- **22134** (NEW SERIES)

DATE OF FINAL PASSAGE SEP 02 2026

AN ORDINANCE OF THE COUNCIL OF THE CITY OF
SAN DIEGO UPDATING PARKING METER ZONE
BOUNDARY DESCRIPTIONS FOR THE UPTOWN AND MID-
CITY COMMUNITIES.

RECITALS

The Council of the City of San Diego (Council) adopts this Ordinance based on the following:

- A. The City of San Diego desires to clarify parking meter zone boundary descriptions in the Uptown and Mid-City Parking Meter Zones to standardize these legacy parking meter zone descriptions to better align with the City's current operational mapping systems and longstanding parking meter administration practices.
- B. Over the course of many decades, the City Council established parking meters in areas that the City refers to as the Uptown and Mid-City Parking Meter Zones. The description of the boundaries of the Uptown and Mid-City Parking Zones contain minor discrepancies, outdated street references, references to parks or landmarks, or have descriptions based on references to other entities or community organization boundaries.
- C. Based on updated geographic information systems (GIS) mapping tools and parking management systems, the City has created updated parking meter zone descriptions for the Uptown and Mid-City Parking Zones that identify the parking meter zone boundaries using current street names, replace references to boundaries based on parks, landmarks or other entity or community organization boundaries with current street names, and correct formatting inconsistencies. The City has refined the updated descriptions of the parking meter zone

boundaries to ensure greater accuracy and precision and to provide for greater public clarity and ease of City administration.

D. The updated descriptions for the Mid-City Parking Meter Zone are set forth in Exhibit A, which provides: the northern boundary as I-8 from Texas Street to 70th Street; the eastern boundary as 70th Street, Amherst Street, 67th Street, Patria Drive, Alamo Drive, University Avenue, 69th Street, Hoffman Avenue, 69th Street, Waite Drive, 69th Street, Livingston Street, College Avenue to SR-94; the southern boundary as SR-94, and the western boundary as I-5 to Russ Street, to 28th Street to Upas Street, to Park Boulevard, Adams Avenue, Texas Street to I-8.

E. The updated descriptions for the Uptown Parking Meter Zone are set forth in Exhibit B, which provides: the northern boundary as Arista Street to Park Boulevard; the eastern boundary as Park Boulevard to Upas Street to 6th Avenue; the southern boundary as I-5 between 6th Avenue and Washington Street; and the western boundary as I-5, West Washington Street, San Diego Avenue, McKee Street, Kettner Boulevard, Pringle Street, Titus Street, Henry Street, California Street, West California Street, Bandini Street, Guy Street, Witherby Street, Juan Street, Sunset Road, Sunset Boulevard, Witherby Street, Hickory Street, Arista Street to Pine Street, continuing from Harvey Street to I-8.

F. Under Municipal Code section 82.04 and California Vehicle Code section 22508, parking meter zones must be established by ordinance.

G. The Office of the City Attorney prepared this Ordinance based on the information provided by City staff (including information provided by affected third parties and verified by City staff), with the understanding that this information is complete and accurate.
