

ORDINANCE NUMBER O- 22143 (NEW SERIES)

DATE OF FINAL PASSAGE SEP 29 2026

AN ORDINANCE OF THE COUNCIL OF THE CITY OF
SAN DIEGO APPROVING THE FOURTH AMENDMENT TO
THE NON-PROFIT AGREEMENT BETWEEN THE CITY OF
SAN DIEGO AND SAN DIEGO FUTURES FOUNDATION FOR
ACCESSIBLE, COMMUNITY-BASED DIGITAL SKILLS
TRAINING THROUGH THE DIGITAL LITERACY PROGRAM.

RECITALS

The Council of the City of San Diego (Council) adopts this Ordinance based on the following:

- A. Digital Literacy services, through the SD Access 4 All program is the City of San Diego's digital equity initiative designed to reduce the digital divide by helping residents access internet connectivity, devices, digital skills training, and technical support.
- B. One of the main pillars of the initiative is the Tech on the Go! Program delivered in partnership with non-profit, San Diego Futures Foundation (SDFF).
- C. Since 2022, the program provides free, bilingual, digital literacy training at libraries, recreation centers, and community-based organizations in Digital Equity Priority Areas.
- D. Training topics include basic computer skills, smartphone and tablet use, internet navigation, online safety, and access to digital services, helping residents build the skills needed to participate in education, employment, healthcare, and other online activities.
- E. The program will serve approximately 1,500 attendees in FY26. Participant data demonstrates strong outcomes, with 94 percent reporting progress toward their technology goals, 84 percent feeling more confident using technology, 86 percent expressing satisfaction with the program, and 87 percent indicating they will apply what they learned in their daily lives.
- F. This action is required to allow the City to continue offering this vital program to San Diego communities in an effort to close digital literacy gaps and challenges that continue to

create barriers to education, employment, socialization, and access to services for up to an additional five (5) years.

G. On June 30, 2021, the Purchasing Agent approved the request to enter into a non-profit agreement with SDFF for an amount not-to-exceed \$300,000.

H. On May 18, 2022 the City entered into a non-profit agreement (Contract) with SDFF under the Mayor's initiative to help bridge the digital divide in San Diego by providing digital literacy training in multiple languages at locations Citywide for all San Diegans, targeting hard to reach and other challenged populations, including, but not limited to, low income individuals with families, people of color, seniors over 55, opportunity youth, people with disabilities, and those with limited English proficiency.

I. This Contract was for a maximum term of five (5) years with a not-to-exceed (NTE) amount of \$300,000.

J. On May 24, 2023, the Purchasing Agent approved the request to modify the non-profit agreement with SDFF to increase the NTE amount from \$300,000 to \$1,300,000, but with annual expenditures still required to be less than \$1,000,000 per fiscal year.

K. On October 13, 2023, the First Amendment to the Contract was executed to increase the NTE to \$1,300,000 and memorialize minor modifications to the scope of work to capture changes in the program. To the extent that the increase in the not to exceed amount is deemed to have constituted an alteration in contracts pursuant to section 22.3018 of the San Diego Municipal Code, approval of the ordinance for this action will ratify any prior increase in the not to exceed amount.

L. On May 22, 2024, the Second Amendment to the Contract was executed to capture changes in the scope of work for the upcoming years services.

M. On May 27, 2025, the Third Amendment to the Contract was executed to capture changes in the scope of work for the upcoming years services.

N. The City and SDFP now wish to enter into the Fourth Amendment to the Contract to add five additional one-year options to allow the term to be extended for up to an additional five (5) years, through May 17, 2032, and to increase the NTE amount by \$185,000 for a total contract NTE of \$1,485,000.

O. Under San Diego City Charter section 99, no contract, agreement, or obligation extending for a period of more than five years may be authorized except by ordinance approved by a two-thirds' majority vote of the Council.

P. The Office of the City Attorney prepared this Ordinance based on the information provided by City staff, including information provided by affected third parties and verified by City staff, with the understanding that this information is complete and accurate.

ACTION ITEMS

Be it ordained by the Council of the City of San Diego:

Section 1. The Mayor or designee is authorized to execute, for and on behalf of the City, the Fourth Amendment to the Contract between the City of San Diego and San Diego Futures Foundation (SDFP) for accessible, community-based digital skills training through the Digital Literacy Program to add five additional one-year options to allow the term to be extended for up to an additional five (5) years, through May 17, 2032, and to increase the not-to-exceed (NTE) amount by \$185,000 for a total contract NTE of \$1,485,000 and to otherwise modify the Contract pursuant to the terms and conditions contained in the Second Amendment to the Contract on file with the City Clerk as Document No. OO- 22143.

Section 2. Authorize the Chief Financial Officer to expend an amount not to exceed \$1,485,000 over the full term of the Contract, contingent upon the adoption of the Annual Appropriation Ordinance for the applicable fiscal years and contingent upon the Chief Financial Officer first furnishing one or more certificates certifying that funds necessary for expenditure are, or will be, on deposit with the City Treasurer.

Section 3. The Council dispenses with a full reading of this Ordinance before its passage because a written copy of this Ordinance was made available to the Council and the public before the date of its passage.

Section 4. This Ordinance will take effect and be in force on the thirtieth day from and after its final passage.
