ORDINANCE NUMBER O- 22149

DATE OF FINAL PASSAGE OCT 30 2026

AN ORDINANCE OF THE COUNCIL OF THE CITY OF SAN DIEGO APPROVING A CONTRACT BETWEEN THE CITY AND BOOT WORLD, INC., FOR AS-NEEDED SAFETY FOOTWEAR FOR CITY PERSONNEL; AUTHORIZING THE MAYOR TO SIGN THE CONTRACT; AND AUTHORIZING THE CHIEF FINANCIAL OFFICER TO EXPEND FUNDS.

RECITALS

The Council of the City of San Diego (Council) adopts this Ordinance based on the following:

A. The City of San Diego (City)'s Risk Management Department manages the Citywide Safety Footwear Procurement Program (Program) to provide eligible City personnel with access to approved safety footwear and related products necessary to address identified occupational hazards and perform assigned duties safely. The Program supports compliance with California Code of Regulations, Title 8, section 3385 (Foot Protection). Safety footwear is treated as personal protective equipment and is authorized through the City's established Safety Footwear Procurement Authorization process. The City establishes maximum allowances by approved footwear category. Employees may select approved products within their authorized category. If an employee selects approved footwear that exceeds the City's allowance to the employee, the contractor is responsible for collecting the difference from the employee at the time of purchase.

B. The Program is currently operating under a contract that expires December 6, 2026. To ensure continuity of the Program, the City issued Invitation to Bid (ITB) No. 10090525-26-B, on June 22, 2026, for a successor as-needed safety footwear vendor. The

solicitation closed July 16, 2026, and City staff recommend Boot World, Inc., as the successor vendor. Risk Management Department staff are requesting Council authorization to enter into a new citywide as-needed contract with Boot World, Inc., to support the Program (Contract).

C. The proposed Contract will provide approved safety footwear, fitting and storefront services, warranty support, optional mobile footwear service, and related accessories for employees in job classifications with identified occupational foot hazards or other approved footwear needs. The Contract also requires the vendor to provide at least one qualifying storefront location within the City-defined service area and allows the City to inspect inventory, products, and program records. Boot World, Inc., identified two qualifying storefront locations within the City, in Kearny Mesa and the Midway area, as well as additional San Diego County locations.

D. The initial Contract term is five years, with five additional one-year renewal options exercisable at the City's sole discretion, for a maximum potential term of ten years and a total Contract amount not to exceed $7,000,000.

E. The new Contract is anticipated to begin December 7, 2026, following expiration of the current safety footwear contract on December 6, 2026. A longer Contract term supports continuity for the established Program, reduces the administrative workload and operational risk associated with repeated procurements, allows the contractor to plan inventory and service capacity for City demand, and provides a stable framework for storefront, mobile service, warranty, reporting, and program administration investments. The City retains flexibility because each option year is discretionary and future expenditures are subject to annual appropriation. The requested authorization is contingent upon the appropriation and availability of City funds.

F. Because the proposed Contract may extend beyond five years, it must be approved by the Council by ordinance in accordance with San Diego Charter section 99, which

provides, in part, that "[n]o contract, agreement or obligation extending for a period of more than five years may be authorized except by ordinance adopted by a two-thirds majority vote of the members elected to the Council."

G. The Office of the City Attorney prepared this Ordinance based on the information provided by City staff (including information provided by affected third parties and verified by City staff), with the understanding that this information is complete and accurate.

ACTION ITEMS

Be it ordained by the Council of the City of San Diego:

1. The Council approves the Contract between the City and Boot World, Inc., to provide as-needed safety footwear for City personnel under the terms and conditions described in the Contract, which is on file with the Office of the City Clerk as Document No. OO - 22149. The Contract term is five years, beginning December 7, 2026, with five additional one-year renewal options exercisable at the City's sole discretion, for a maximum potential term of ten years, and a total Contract amount not to exceed $7,000,000.

2. The Council authorizes the Mayor or designee, on behalf of the City, to sign the Contract.

3. The Council authorizes the Chief Financial Officer to expend an amount not to exceed $7,000,000 over a term not to exceed ten years from December 7, 2026, to fund the Contract, contingent upon the adoption of the Annual Appropriation Ordinance for the applicable fiscal year and upon the Chief Financial Officer furnishing one or more certificates certifying that funds necessary for the expenditure are, or will be, on deposit with the City Treasurer.

4. The Council dispenses with a full reading of this Ordinance before its passage because a written copy of this Ordinance was made available to the Council and the public before the date of its passage.

5. This Ordinance will take effect and be in force on the thirtieth day from and after its final passage.
