RECITALS

The Council of the City of San Diego (Council) adopts this Resolution based on the following:

- A. Title II of the Americans with Disabilities Act of 1990 (ADA) prohibits discrimination on the basis of disability in all services, programs, and activities provided or made available by local or state governments.
- B. Under the ADA, an individual is considered to have a disability if the individual has a physical or mental impairment that substantially limits one or more major life activities, has a record of an impairment, or is regarded as having an impairment.
- C. The City of San Diego (City) complies with the ADA in various ways, including constructing accessible facilities, removing physical barriers, providing programmatic access, and offering alternative forms of communications.
- D. The Accessibility Advisory Board (AAB) is composed of nine members, including five with expertise in the ADA or disabilities services, one professional in a tourist-serving industry, one Certified Access Specialist, and two members at large.
- E. The AAB advises the Mayor, Council, and the City on disability issues and compliance with the ADA as it applies to state and local governments, including issues of access to City buildings, programs, services, and activities.
