

RESOLUTION NUMBER R- 316929

DATE OF FINAL PASSAGE SEP 29 2026

A RESOLUTION OF THE COUNCIL OF THE CITY OF
SAN DIEGO TO APPROVE ACCEPTANCE, APPROPRIATION
AND EXPENDITURE OF A CALIFORNIA NATURAL
RESOURCES AGENCY GRANT FOR THE BOSTON AVENUE
LINEAR PARK PROJECT.

RECITALS

The Council of the City of San Diego (Council) adopts this Resolution based on the following:

- A. The Governor and California Legislature have designated the responsibility for the administration of the Urban Greening Grant Program to the California Natural Resources Agency (Agency), including setting up necessary procedures.
- B. The Urban Greening Grant Program funds projects that use nature-based solutions to mitigate the urban heat island effect, rising temperatures, and extreme heating impacts in urban areas. Grant funds from this program will be used to design and construct the Boston Avenue Linear Park Project (Project) and to help offset the cost to improve the streetscape along the park by providing street trees to reduce the urban heat island effect as well as to slow down traffic speed and improve safety on the urban street around the park area.
- C. The procedures established by the Agency require the City of San Diego to certify by resolution the approval of an application before submission of this package to the State and approval of acceptance of the State of California general fund grant allocation.
- D. The City wishes to receive up to \$5,000,000 in grant funding for the Project and will enter into an agreement with the State of California to do so, if the funding is secured.

E. The Office of the City Attorney prepared this Resolution based on the information provided by City staff (including information provided by affected third parties and verified by City staff), with the understanding that this information is complete and accurate.
