

RESOLUTION NUMBER R- 316930

DATE OF FINAL PASSAGE SEP 29 2026

A RESOLUTION OF THE COUNCIL OF THE CITY OF
SAN DIEGO RATIFYING THE EMERGENCY SOLE SOURCE
AGREEMENT WITH HYDRO-DYNE ENGINEERING INC. TO
REMANUFACTURE FILTER SCREENS FOR PUMP STATION
64.

RECITALS

The Council of the City of San Diego (Council) adopts this Resolution based on the following:

A. In January 2026, the City of San Diego (City) Public Utilities Department discovered that filter screens at Pump Station 64 had become damaged by rocks and caused the screens to fail. Filter screens are necessary to protect the main station pumps from damage and clogging. Damage to the pumps jeopardizes the City's ability to reliably convey wastewater to the North City Water Reclamation Plant. During extraordinary storm events, the inability to reliably convey wastewater could result in spills and overflows that harm public health and property.

B. Under San Diego Municipal Code section 22.3208(b), a contract for goods or services may be awarded without advertisement if necessary to safeguard life, health, or property due to extraordinary fire, flood, storm, epidemic or other disaster, provided that the Mayor immediately reports the emergency award and its justification to the Council in writing, and the Council ratifies the award by resolution and by a two-thirds vote.

C. The City awarded Emergency Sole Source Agreement 20000184-26-B (Agreement) to Hydro-Dyne Engineering Inc. to remanufacture the filter screens at Pump Station 64.

D. The City issued a memo notifying the City Council of the award and the justification of the Agreement, along with a description of the filter screen failure, estimated

cost, and other preliminary information available at the time that the emergency was encountered.

E. The Office of the City Attorney has drafted this Resolution based on the information provided by City staff (including information provided by affected third parties and verified by City staff), with the understanding that this information is complete and accurate.

ACTION ITEM

Be it resolved by the Council of the City of San Diego that the Council ratifies the Agreement with Hydro-Dyne, Inc. for the remanufacture of filter screens at Pump Station 64.

APPROVED: HEATHER FERBERT, City Attorney

By 
Michael D. Johnston
