RESOLUTION NUMBER R- 316941

DATE OF FINAL PASSAGE SEP 15 2026

A RESOLUTION OF THE COUNCIL OF THE CITY OF SAN DIEGO ACCEPTING AND APPROVING THE TOTAL PACKAGE TENTATIVE AGREEMENT AND THE MEMORANDUM OF UNDERSTANDING BETWEEN THE CITY AND THE SAN DIEGO POLICE OFFICERS ASSOCIATION REGARDING TERMS AND CONDITIONS OF EMPLOYMENT FOR FISCAL YEARS 2027 THROUGH 2030.

RECITALS

The Council of the City of San Diego (Council) adopts this Resolution based on the following:

A. By San Diego Resolution R-315582 (June 11, 2024), the Council approved a Memorandum of Understanding (MOU) between the City of San Diego (City) and the San Diego Police Officers Association (POA), which established terms and conditions of employment for employees represented by POA for Fiscal Years 2025 and 2026. The City is a public agency and the POA is a recognized employee organization (REO) under the Meyers-Milias-Brown Act (MMBA).

B. Article 5 of the MOU provides a reopener provision authorizing the City and the POA to negotiate proposals for a successor MOU, in accordance with the MMBA and Council Policy 300-06.

C. From November 2025 to August 2026, the City's management team for labor relations and POA representatives met and conferred under the reopener provision and reached a Total Package Tentative Agreement (TPTA), establishing terms and conditions of employment for a four-year MOU, covering Fiscal Years 2027 through 2030. POA members subsequently ratified the TPTA.

D. The MMBA, and more specifically, Government Code section 3505.1, states that if a tentative agreement is reached by the authorized representatives of a public agency and an REO, the governing body of the public agency must vote to accept or reject the tentative agreement within 30 days after it is first considered at a duly noticed public meeting. If the governing body adopts the tentative agreement, the parties must jointly prepare a written MOU.

E. Further, Council Policy 300-06 requires the City and the REO to incorporate all agreed-upon matters from the meet and confer process into a written agreement and submit the written agreement to the Council for determination.

F. Under San Diego City Charter (Charter) section 11.2, the Council must determine that it is within the best interests of the City to approve a "multiple year" MOU between the City and an REO and the approval requires a two-thirds vote of the entire Council.

G. Under the Charter, the MMBA, and Council Policy 300-06, the Council has the authority and discretion to accept and approve the TPTA and the resulting MOU. The City's management team has submitted the TPTA and the MOU to the Council for final determination. The Mayor recommends approval of the negotiated terms set forth in the TPTA and the MOU. The Council wishes to accept and approve the TPTA and MOU. The Council finds that it is in the best interests of the City to enter into the multi-year agreement with the POA that includes measurable compensation increases in an effort to maintain labor stability with the employees represented by the POA.

H. Appendix B of the MOU lists the applicable add-on pay codes and Appendix C of the MOU lists the uniform wage types. These pay codes and wage types are used to implement

the compensation approved by the Council. Appendices B and C are for informational purposes only, and they are intended to serve as a reference for employees and to assist with payroll programming. The Council recognizes that administrative changes may be needed to the information presented in Appendices B and C of the MOU during the term of the MOU to reflect changes in programming and related matters. The Council requests that administrative staff coordinate with the POA, if there are updates needed, and make the most current version of Appendices B and C available by posting them on the Human Resources Department website.

I. The Office of the City Attorney prepared this Resolution based on the information provided by City staff, including information provided by affected third parties and verified by City staff, with the understanding that this information is complete and accurate.
