RECITALS

The Council of the City of San Diego (Council) adopts this Resolution based on the following:

- A. San Diego Charter section 144 provides that the San Diego City Employees' Retirement System (SDCERS) shall be managed by a Board of Administration consisting of 13 members.
- B. Seven members are to be appointed by the Mayor and confirmed by the Council of the City of San Diego (Council), and no person who is a City of San Diego (City) employee, a participant in the Retirement System, or a City union representative may be eligible for appointment in this category.
- C. Appointees shall have the professional qualifications of a college degree in finance, economics, law, business, or other relevant field of study, or a relevant professional certification. Appointees also shall have a minimum of 15 years of experience in pension administration, pension actuarial practice, investment management, real estate, banking, or accounting.
- D. Members of the SDCERS Board of Administration serving in this category shall serve four-year staggered terms, and until a successor is appointed and qualified. Members shall be limited to eight consecutive years in office, and an interval of four years must pass before such persons may be reappointed.

E. Appointees shall not have any other personal interests that would create a conflict of interest with the duties of a member and trustee of the SDCERS Board of Administration.
