COUNCIL ACTION
EXECUTIVE SUMMARY SHEET
CITY OF SAN DIEGO

DATE: 07/26/2010

ORIGINATING DEPARTMENT: ECP/Transportation Eng Ops Div

SUBJECT: ANGLE PARKING ON EVENING CREEK DRIVE

COUNCIL DISTRICT(S): 1

CONTACT/PHONE NUMBER: Deborah Van Wanseele/(619) 533-3012

REQUESTED ACTION:

A resolution to install angle parking on the west side of Evening Creek Drive between 13340 Evening Creek Drive and Sabre Hill Drive

STAFF RECOMMENDATION:

Staff recommends approval of the Resolution.

EXECUTIVE SUMMARY OF ITEM BACKGROUND:

This action will authorize the installation of angle parking on the west side of Evening Creek Drive between 13340 Evening Creek Drive and Sabre Hill Drive. This action is in accordance with Municipal Code Section 86.03 and California Vehicle Code section 22503.

This portion of Evening Creek Drive is 50 feet wide. It is a two way street with parallel parking on both sides of the street. The west side of Evening Creek Drive has commercial frontage and the east side of the street has no fronting property owners except at the southern end near Sabre Hill Drive, where there is a condominium complex. Our office has received complaints from residents in nearby neighborhoods of overflow parking near their homes. In an effort to increase available on-street parking in the area, the Transportation Engineering Operations Division was requested to evaluate for the conversion of parallel parking to angle parking on the west side of Evening Creek Drive between 13340 Evening Creek Drive and Sabre Hill Drive. Staff calculations show an increase of fifty-five parking spaces with the installation of the requested angle parking. There is sufficient street width to safely accommodate angle parking on the west side of Evening Creek Drive and retain parallel parking on the east side of the street. Two of the proposed angle parking stalls will be designated as a disabled parking (blue) zones. The President of the Business Owners Association representing 100% of the adjacent property frontage signed a petition in favor of angle parking. Staff recommends approval of the requested change.

FISCAL CONSIDERATIONS:

The striping of the angle parking spaces will be installed by the City of San Diego Street Division at a cost of \$5,560.00. Funds are available in Street Division's operating budget.

EQUAL OPPORTUNITY CONTRACTING INFORMATION (IF APPLICABLE):

As City Forces will install parking spaces with no contracting involved, this action is not subject to the City's Equal Opportunity Contracting (San Diego Ordinance No. 18173, Section 22.2701 through 22.2708) or Non-Discrimination in Contracting Ordinance (San Diego Municipal Code Sections 22.3501 through 22.3517).

PREVIOUS COUNCIL and/or COMMITTEE ACTION (describe any changes made to the item from what was presented at committee):

None

COMMUNITY PARTICIPATION AND PUBLIC OUTREACH EFFORTS:

The Sabre Springs Planning Group voted 7 to 1 in support of this proposal.

KEY STAKEHOLDERS AND PROJECTED IMPACTS:

Adjacent businesses will benefit from the additional parking.
