

THE CITY OF SAN DIEGO  
**REPORT TO THE CITY COUNCIL**

DATE ISSUED: November 30, 2010 REPORT NO. 10-161  
ATTENTION: Natural Resources and Culture Committee  
SUBJECT: Transfer of Non-Exclusive Solid Waste Collection Franchise

REQUESTED ACTION:

Adopt an ordinance approving the transfer of the Emerald Waste and Recovery, Inc. (Emerald) Non-Exclusive Solid Waste Collection Franchise to Waste Management of California, Inc. (Waste Management) and authorize execution of the Consent to Assignment of the Franchise and Franchise Agreement.

STAFF RECOMMENDATIONS:

Approve the requested action

SUMMARY:

Waste Management of California, Inc. has requested City approval of the transfer of the Emerald solid waste collection franchise to Waste Management. This action requests the City's consent to transfer the existing Emerald Franchise to Waste Management.

BACKGROUND

On October 21, 1996, the City Council enacted Ordinance No. O-18353, which amended the San Diego Municipal Code to establish Non-Exclusive Solid Waste Collection Franchises for solid waste haulers. Under City Charter Section 103, franchises may be granted only by ordinance approved by a two thirds vote of the City Council. Charter Section 103, together with San Diego Municipal Code section 66.0120, also prohibit the transfer, sale, lease, or assignment of a franchise without Council approval which shall not be unreasonably withheld. Charter section 103 further states that: "Absent Council approval, the franchise shall not be deemed to have been transferred to the new entity."

The City of San Diego currently has a non-exclusive solid waste collection franchise system that consists of 13 companies that own 21 franchise agreements. Each parent company and subsidiary providing collection services within the City of San Diego must have a separate and distinct franchise agreement. There is currently a two-tier system consisting of Class I haulers that collect up to 75,000 tons per year and Class II haulers that collect a minimum of 75,000 tons per year.

Waste Management has requested City approval of the transfer of the Emerald Waste and Recovery, Inc. Franchise. Emerald has reported that they intend to sell their franchise along with any pertinent assets to Waste Management. Waste Management has indicated they intend to purchase the Emerald franchise, along with their customer list(s), numbers and addresses. They also indicate that they intend to continue to operate Emerald as a

Division of Waste Management. They plan to make Emerald a subsidiary of Waste Management and continue providing the same service levels to Emerald's entire existing customer base with no change in pricing for the foreseeable future.

#### DISCUSSION

The current two-tier system was primarily designed with the intent of providing a reasonable number of waste collection service providers to the residents and businesses within the City of San Diego. The current balance consists of 10 Class I and 3 Class II haulers. If Council approves the transfer of the Emerald franchise to Waste Management, there would be one less Class I hauler. This would result in a total of 21 franchise agreements (same as before) with a breakdown of 9 (nine) Class I haulers (each with a franchise), Waste Management with 7 (seven) franchises, EDCO with 4 (four) franchises, and Allied with 1 (one). The City has maintained 21 franchise agreements; this structure inherently safeguards against potential monopolization of franchise agreements and ensures a good balance of competition between the haulers. Emerald controls less than 1% of the total market share, while Waste Management currently controls 35%.

Waste Management's proposal would result in a Class I franchise being transferred to a Class II franchisee. City of San Diego municipal code 66.0120 states "*...a Class I Franchise shall not be transferred to a Class II Franchisee without the proper approval of Council which shall not be unreasonably withheld and providing that such transfer does not unreasonably impact competition or further consolidate the market share of commercial waste collected by the Class II Franchisee.*"

In support of its request for transfer of the franchise, Waste Management has provided documentation regarding the legal structure, control, and ownership of the company; the financial wherewithal of the combined company; key personnel, staffing, and records retention matters; and security for performance of franchise obligations. The City also has certificates of insurance providing current proof of all insurance as required per the current Franchise Agreement. Based on evaluation of the material on file and the historical performance of Waste Management, Staff recommends approval of the request to transfer the franchise and assign the franchise agreement to Waste Management.

#### FISCAL CONSIDERATIONS:

There are no anticipated expenses or significant revenue impacts related to this action. This action will authorize the transfer of a franchise from one company to another.

PREVIOUS COUNCIL and/or COMMITTEE ACTION: None

#### COMMUNITY PARTICIPATION AND PUBLIC OUTREACH EFFORTS:

This action is a transfer of an existing franchise and will not result in a decrease or increase of hauling services available to the businesses or residents of the City of San Diego.
