

MULTI-DISCIPLINE
GRAFFITI ABATEMENT
PROGRAM

Graffiti is a problem...

Example – “Meen”

\$27,000 damage over 12 months

How It Works

- **Clean Up Crews respond**
 - 24-72 hour clean-up
 - GPS Photograph
 - Costs when repaired
 - Upload to Graffiti Tracker

Benefits- Clean up crew documentation

- Significantly less Officer time responding
- Faster clean up
- Document more graffiti for later prosec.
- Saves officer time obtaining cost info.

What is GRAFFITI TRACKER?

■ Data base system

- Analyzes photos

 - Categorizes

 - Catalogs

- Info w/in 24 hours

- Weekly update

- Alerts

Investigation

- Concentrate efforts
- Monikers checked
- Streamlined cases
- Solve multiple incidents
- Intra-agency sharing

Benefits- Law enforcement

- Significantly saves police resources & solves more crime
 - Minimal response to incidents
 - Can research prior acts
 - Reduces random patrolling
 - Simplifies Report writing

Benefits- Prosecution

- Multi- Count cases
 - Easier to prove
 - Easier to resolve
 - Courts take more seriously
- Faster resolution of Restitution
- All- saves time and money
 - Less witnesses etc.

Restitution

- Larger Court Orders
- If unpaid during probation- City can pursue
 - Larger orders makes collection viable

BENEFIT-Shifts payment for clean up from taxpayers to the vandals!

Why the Program reduces graffiti

- Catch biggest offenders
- Catch more offenders
- Deterrence from higher restitution
- Faster clean up

Multi-Discipline Program -Benefits

- **More Officer time available**
- **More crimes solved**
- **Vandals pay more toward clean up**
- **Reduce overall graffiti**
- **Non law enforcement benefits**
 - **Data for Community Block Grants**
 - **Assist City Management**
 - **Statistics**

Remember “Meen”?

- Successfully prosecuted
- \$27,000 restitution check
