Kevin Faulconer  
Councilmember, Second District Chairperson, Audit Committee  
City of San Diego  
202 C Street  
San Diego, CA 92101

Dear Councilmember Faulconer:

The Audit Committee has requested a written status report regarding the City of San Diego's (City's) 2011 financial statement audit.

- We commenced our fieldwork related to the audit of the City's 2011 Comprehensive Annual Financial Report (CAFR). MGO representatives are in constant communication with the Comptroller's Office, and engage in routine and proactive discussion concerning the audit progress so expectations and timelines can be managed. Our understanding is that the target issuance date of our opinion is January 31, 2012.
- We have attached our Master Pending List (MPL) detailing the items requested related to our audit of the City's 2011 CAFR.

Also, we have summarized below the progress for the other projects under the City's 2011 overall audit engagement.

- Year-end fieldwork for the audit of the Redevelopment Agency of the City of San Diego (Agency) commenced on October 3<sup>rd</sup>. Fieldwork continues and we are anticipating that the financial reporting process will begin the week of November 7<sup>th</sup>, with a targeted issuance date of the Agency's financial statements prior to December 31<sup>st</sup>.

City's component units that are not prepared by the City Comptroller's Office:

- *San Diego Data Processing Corporation (FY11)*: The final audit report was issued on September 22, 2011.
- *Centre City Development Corporation (FY11)*: Year-end fieldwork has been completed and we are in the final stages of the financial reporting process. The draft report of the audit was presented to the Audit Committee of Centre City Development Corporation on October 19, 2011.
- *San Diego Convention Center Corporation (FY11)*: Year-end fieldwork has been completed and we are in the financial reporting process. Report is to be presented to the Audit Committee of the San Diego Convention Center Corporation at the end of November.

As a reminder, we will complete the procedures that we deem necessary to comply with auditing standards generally accepted in United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. As the audit progresses, it can be expected that additional questions, inquiries, and requests will arise. We will work diligently to address any such questions directly and timely with the City's staff.

Very truly yours,
