Subj.: Land Use and Housing
17 October, Item #9

Greetings:

I understand that the City Council Land Use and Housing Committee will be finalizing the list of City-owned land for dedication as open space parkland to implement the San Diego Canyonlands project (Senate Bill 1169).

I encourage you to be sure to withhold dedication of the parcel in north University City between Nobel Drive and Rose Canyon that was the proposed as the site for a Coaster Station. I believe this is the parcel designated L310RU. (I have not been able to review the report from Real Estate Assets and Park and Recreation Departments, and I do not know the status as it will be presented to you.)

It would be a mistake to foreclose on the option of a Coaster Station there which eventually could be of significant benefit to efficient transit in the region.

Yours sincerely,

Daniel T. Allen
