

THE CITY OF SAN DIEGO

MEMORANDUM

DATE: January 23, 2013
TO: Public Safety & Livable Neighborhoods Committee
FROM: William M. Lansdowne, Chief of Police
SUBJECT: Community Police Relations

The San Diego Police Department's mission is to maintain peace and order by providing the highest quality modern police services. The Department's vision emphasizes the importance of working together in community partnerships to be a model of excellence in policing and fostering the highest level of public trust and safety. The Police Department is absolutely committed to the fair treatment of all members of the community. Building and sustaining trust between members of the community and members of the Police Department is a cornerstone that is essential to furthering the Department's mission and vision.

Recently questions have been brought forward to our Department with particular interest in our policies and procedures regarding stop data cards, our community interaction and outreach, and our training, as it relates to an officer's minority engagements in the community. The Department will be present to discuss the following related topics at the Public Safety & Livable Neighborhoods Committee meeting on January 29, 2013:
