CITY MANAGER SUPPORTING INFORMATION:

Business Improvement Districts (BIDS) are authorized by State law to assess businesses for the cost for certain activities that will benefit those businesses. These activities are generally promotional in nature. Once a BID is established the City collects the assessments and disburses them to an appropriate entity representing the district pursuant to an annual operating agreement. There are currently 18 active districts in the City of San Diego: Adams Avenue, City Heights, College Area, Diamond, Downtown, El Cajon Boulevard Central, El Cajon Boulevard Gateway, Gaslamp, Hillcrest, La Jolla, Little Italy, Midway, Mission Hills, North Park, Ocean Beach, Old Town, Pacific Beach, and San Ysidro.

State law requires that the City Council annually adopt a budget for each BID and hold a public hearing to levy appropriate assessments. The actions being taken today are: accept the budget reports and set Tuesday, June 29, 2004 for the public hearing to levy the proposed assessment for each BID for FY 2005.

Mission Hills has a new business association in place and the board members have participated in launching a new set of programs to better serve the Mission Hills business community.

FISCAL IMPACT:

Approximately \$1.3 million of BID assessments will be collected in FY 2005 by City on behalf of BIDs and disbursed back to the BIDs. There is no net fiscal impact.
